FOR MONTHS WE'VE ALL HEARD STORIES ABOUT THE POSSIBILITY THAT THE UNITED STATES, CANADA AND MEXICO WOULD BE "MERGED" INTO A NEW SOVEREIGN ENTITY CALLED THE "NORTH AMERICAN UNION"

GOVERNMENTS DENIED IT PUBLICLY AND OTHERS CALLED US "CONSPIRACY NUTS."

WE FINALLY HAVE PROOF: THEY ARE COINING MONEY IN THE NAME OF THIS NEW ENTITY!!!!

"The Hal Turner Show" has received images of the new unit of currency they are planning. It is called "the Amero" which will replace the "Dollar" and the "peso" in all three countries once they are merged out of existence!

Exposed by:
www.HalTurnerShow.com

Exposed by:
www.HalTurnerShow.com

They are even coining "Ameros" in Collectable precious metals like Silver as the "Proof" coin shown below!!

Exposed by:
www.HalTurnerShow.com

More details are pending. One thing is absolutely clear: The governments of the USA, Canada & Mexico are engaged in a conspiracy to merge the three countries without the knowledge or consent of "The People."

In furtherance of this conspiracy, the government of the United States is intentionally spending the nation into absolute, unrecoverable Bankruptcy with the intention that the monetary system collapses.

When the U.S. currency collapses, it will take with it, both the Canadian dollar and Mexican Peso because both countries are so heavily invested in the U.S. dollar through trade with the US.

During such a collapse, when hundreds of millions of average citizens face absolute destitution because their currencies have been wiped out, these Conspirators will turn to "The People" of each nation and say "your only hope is to merge all three countries and make a new start."

The thinking is that the populations will rush to embrace the merger and forget all about our individual history, rights and systems. In one fell swoop, the Conspirators

will clobber us into absolute despotism and we will be helpless to do anything because our money will have become worthless!

While you're gasping for air at this, did you happen to notice the DATES on these coins? **2007**

Gee whiz, this plan seems awfully far along. I guess this means the collapse will be this year? Maybe that's why the housing market was allowed to "tank?" Maybe that's why the Stock Markets are dropping hundreds of points per day lately? Maybe this is why oil has increased in price. . . . because the oil nations already know they're going to take a bath on the currency change when they have to exchange "Dollars" they're already holding which will be worth only "pennies" on the "Amero?"

Are you starting to grasp why so many things are going wrong lately? Does a lot of it start to make sense when put in the context of wiping out currencies in the name of globalization? It's the jew bankers, folks. Another jew banking scam designed to enrich the few at the utter devastation of the rest!

This is betrayal folks! Betrayal by our highest elected officials! Deliberate, intentional despicable deceit!

This is EVIL treachery on such a massive scale that the only proper response may be to simply KILL everyone involved.

Additional details are starting to come out and more information will be posted as it becomes available!!! Check back often.

SOUTHERN POVERTY LAW CENTER USING MY NAME IN FUND RAISING LETTERS!

ALLEGEDLY TELLS SUPPORTERS THEY NEED MONEY TO BEEF- UP SECURITY AT SPLC HQ OVER "THREATENING LETTER" FROM ME.

I sent no such letter to that politically-correct, white-hating cesspool.

I make no secret of the fact I despise the dishonest way the SPLC portrays itself and their vicious methods of suing pro-white groups out of existence, but I sent no letter to them.

The biggest white-hating organization in America is ALLEGEDLY using ME as a fund-raising excuse! They aren't using any other "pro-white" individual or group to raise money, so I guess you know who you should support in our "movement" don't you?

I believe that what I do on this web site and on my radio show is of vital importance to White people and to our future. Clearly the SPLC is diametrically opposite of me.

I earnestly hope that each of you, who visit this site often and who listen to my weekly radio show, will respond to my request for funding support which I made during last week's show. If SPLC is using my name to raise money for their anti-white activities, then I hope this is "just cause" for EVERY pro-white individual and group to step-up and help sustain this radio show and site.

Their side will pony-up; will our side?

Please send cash, check or money order to:

Hal Turner
1906 Paterson Plank Road
North Bergen, NJ 07047-1900

P.S. Morris Dees, who heads the SPLC, allegedly lives at 2465 East Cloverdale Park, Montgomery, Alabama 36106 with alleged telephone numbers of 334-369-1191 or 334-834-2792. He is said to reside there with his "wife" Susan Starr.

This is how to deal with criminals, Illegal Aliens, defiant politicians and wayward judges: FIRST GRAB THEM UP, THEN CUT OFF THEIR HEAD OR BLOW THEIR BRAINS OUT. . . . JUST LIKE THE TWO CRIMINALS IN THIS VIDEO. . . . THIS SAME FATE AWAITS MANY POLITICALLY-CORRECT SCUM IN THE U.S.!

Please be advised that the original site for this video seems to be off-line today. Thankfully, I obtained copies of the actual file and put the file on MY server which I personally own.

"HIGH LEVELS OF RADIOACTIVITY" FROM BOX FOUND IN CAR AFTER NEW JERSEY AUTO ACCIDENT

DRIVER FLED SCENE AFTER AUTO ACCIDENT IN JERSEY CITY; CAPTURED BY POLICE -- JUST BLOCKS FROM MY HOUSE AND LESS THAN ONE MILE FROM HOLLAND TUNNEL TO NYC!!

CONTENTS OF BOX UNKNOWN AT THIS TIME, BUT BOX IS EMITTING "HIGH

LEVELS" OF RADIATION

Authorities trying to keep people calm as they close roads and evacuate locals from area.

This comes on the heels of NYPD stepping-up their radiation-monitoring equipment and setting up roadblocks Thursday and Friday of last week, looking for a "vehicle with a radiological dirty bomb."

Reports of this possible dirty bomb surfaced in . . . Israel. . . last week causing US authorities in general, and NY/NJ authorities in particular, to become extremely vigilant.

Could a fender-bender have thwarted a radiation attack on America? Check back often for details!

UPDATE 07:40 HRS: Something really strange is going on. It has now been more than eight hours since this began and the story isn't being reported anywhere else. Still nothing on ABC, NBC, CBS or CNN. Nothing on the Associated Press, UPI or Reuters wire services. It's like the media is deliberately ignoring the story!

HELP KEEP THE MOMENTUM GOING AFTER THE BIG SUCCESS IN KALAMAZOO!

SEND YOUR FINANCIAL SUPPORT TO HELP SUSTAIN THE SHOW!

It's that time again where I have to rely on YOU, the visitors to this web site and listeners to the show, to help sustain this endeavor with your financial support.

NO OTHER pro-white media outlet gives you the type of news, information and entertainment you find here. More importantly, NO OTHER MEDIA OUTLET ANYWHERE is as effective as this one: WE stopped the Immigration Bill by confronting Senators at their home addresses just twelve hours before they voted on the Bill. WE bring rallies in support of White people to cities where non-whites attack and harm our people.

The Hal Turner Show is show is so incredibly effective that the President of the National Council of La Raza, appearing on CNN's "Lou Dobbs Tonight" personally credited ME with killing the immigration Bill!

That's the kind of effectiveness your financial support gets you. No one else in "the movement" is as effective as what we all do here. You get the most "bang for your buck" by contributing to this show and keeping our activism alive.

Please show your support for the great things being done here by sending \$5, \$10, \$20, \$35, \$50, \$100, \$200 \$500, \$1,000 to help keep the momentum going. I need your help BEFORE next weeks show on Wednesday so please act right now. Drop cash, check or money order in the mail right away and send it to:

BLACK "PASTOR" TIES ROPE TO GIRL'S FEET; DRAGS HER BEHIND VAN

BECAUSE THE (WHITE) GIRL COULDN'T FINISH A RUN AT CHRISTIAN BOOT CAMP

James Byrd got dragged behind a pick-up truck by white guys and we heard it all over America for weeks. Have any of YOU heard about this Black guy dragging a white girl??? That good old media double standard is in full gear. If whites do anything to blacks, the media goes nuts and gives the story major airtime, nation wide! When Blacks do the SAME THINGS to whites, the media barely gives the story local coverage.

I bet when my guys start intercepting certain media folk and beating the shit out of them as they go to and from their offices, they'll all be stunned and not have a clue about why it's happening to them.

But you won't be stunned. You'll know they're getting what they deserve. Sleep with one eye open, media folk. A lot of you are very close to getting "tuned up." (*Def: Tune-up: Physical alteration to improve performance*)

CHICAGO RACE RIOT!

WHITES, BLACKS, LATINOS FIGHT IT OUT IN CITY PARK

AMERICAN CITIES ARE RACIAL POWDER KEGS; IT IS TIME TO START LIGHTING MATCHES

Newark, NJ is ripe for racial violence after Latinos killed three blacks execution style. Chicago is already seeing racial riots. Detroit is in progress and will be truly incredible once things start. LA has already seen 150 blacks killed by latinos in ethnic cleansing.

It is time for we Whites to light some rhetorical matches and get things cooking. Show our federal government how their "diversity" and "multi-culturalism" can be used against them!
