Earlier today [we highlighted](#) how one of the attack dogs on the Scarborough hit piece was part of an organization whose President is a paid consultant for Fox News. Matthew Felling, media director for the Center of Media and Public Affairs, is also a former fellow of the American Enterprise Institute, a right wing Neo-Con think tank.

Thanks to information passed on by our readers [we have now also discovered](#) that Bo Dietl, a New York detective who savaged Charlie Sheen and Rosie O'Donnell about their views on 9/11 on an O'Reilly Factor segment last night, was appointed by Bush senior as Co-Chairman of the National Crime Commission in 1989, and chosen as Security Consultant to the National Republican Party Convention in 1992 and 1996.

Dietl is also CEO of Beau Dietl Associates (BDA), which counts amongst its clients Columbia Pictures, Coca-Cola, Grey Advertising, PaineWebber, Lehman Brothers, Bankers Trust and the *Royal Family of Saudi Arabia*.

The Saudi Royals are intimately implicated in 9/11. In the hours immediately after after 9/11, dozens of Saudi royals and members of the bin Laden family fled the U.S. in a secret airlift authorized by the Bush White House, when all other air traffic was grounded.

So for Bo Dietl to do anything other than shill for the official conspiracy theory of 9/11 would be to jeopardize his cozy

relationship with the Bushes and risk losing the moola being tossed in his direction by the corrupt Saudi Royals.

Another example of *fair and balanced* on behalf of Fox News!
