Brazilian Protest Gal's Incredible True Story!

Remember this anti-Bush protester? Well, she has a story to tell! First of all, don't call her "Naked Brazilian Protest Gal." Let's treat her with dignity and respect. She is a 25-year-old model named Janaína Bueno, which means "Hot gal named something like Jana." But what about her *message?* more »

GEORGE W. BUSH

A Treasury of Brazilian Anti-Bush Protest Pix

While our very hungry president is supposedly back from his Latin American "please let me move down here" trip, the photographs remain. We just found a *huge* collection of pix from the Brazil jaunt, including favorites like the one above and some very spooky close-ups of the security details and presidential limos and all that. Details and a few samples, after the jump. more »
