Citizen stuns congresswoman: "Why should we divide Iraq for israel?"

This is awesome!

The guy is brilliant.

A member of the audience at a townhall meeting in LA confronts congresswoman Watson and a retired general with Walt and Mearsheimer's book and demands a response from both as to **why America should support dividing Iraq for the benefit of israel.**

Look and learn, people!

He does an amazing job of putting their feet to the fire.

The problem you have in America now is that you have the pro-israel lobby, that Walt and Mearsheimer have written about in their best selling book "The Israel Lobby" and US foreign Policy . . . again, it's on the best seller list . . . there's basically a media blackout of it . . . but, until we address this issue - **both parties are owned by the AIPAC Lobby - the American-israeli Public Affairs Committee.**"

And I have a British parliamentarian now who is a former British defense [minister] and he's willing to address the book in the House of Commons.

Now, I presented this question to congresswoman Harman last week and she dodged it.

If I give you the book right here, congresswoman Watson, would you address the book like I've got people in the UK to do in the British government?

[passes book over to Watson, who by then is squirming at her seat on the panel]

And lastly, I've given Maxine Waters James Bamford's "["A Pretext for War"](#)" book as well, last year. **It conveys**

how we went to war for israel.

And the question I have for General Eaton is, sir -

the plan that you are talking about with congressman Biden, that's just [the old israeli plan by Oded Yinon](#) of divide and conquer the enemies of israel - you can read about it on the web.

Why should we fractionalize an Arab country for the benefit of israel? We have so much intermarriage there between shia and sunni, that it's not going to work.

We have to get out of Iraq, and get out of Iraq NOW."

This of course, is followed by mad applause from the audience, leaving Watson and Eaton stunned and silent.

I only wish that there was more to the video - so I could see them squirm!

This is precisely what we need in America -

CONFRONT OUR REPRESENTATIVES WITH THE COLD HARD TRUTH ABOUT ISRAEL.

DEMAND AN END TO US SUPPORT FOR ISRAEL AND AN END TO ISRAEL'S UNDUE INFLUENCE ON AMERICAN FOREIGN POLICY!

Many thanks, [mparent7777!](#)

The true patriots expose the Zionist shills and sycophants for who they are -- traitors to the U.S.

9-11 served to provide the pretext for war -- not only oil, war profiteering, control of Caspian region -- it's for Israel, in oil and geopolitical advantage.

Iran will answer USA and Israel's case for perpetual war with their plan of attack after provocation.

Israel, through intelligence network of Mossad and Neocon-Zionist-Elite cabal, is the primary reason behind the War on Terror, and they try to bury this truth like Oz behind the curtain.

USA and Israel will not emerge victors in WWII. Because the War on Terror is a gigantic lie that have murdered over a million and counting & waste two trillion dollars and counting.

In the words of Zionist "Goy Pet" Jim Cramer, booyeah!

I'm going to do the same at our elections debate (yup, it's that time of the year again!).

Voting has very little effect (next to nothing, if all parties are controlled by 'jews'), but bringing these IMPORTANT issues to the public's attention is priceless!!!!
