ILYA EHRENBURG

Ilya Grigoryevich Ehrenburg

January 27, 1891 — August 31, 1967

He was a prolific writer, celebrated author of various novels and other works of fiction. He was the top Soviet propagandist during the Second World War. He was a notorious liar and a pathological monster. He was a Jew.

As a leading member of the Soviet-sponsored Jewish Anti-Fascist Committee, Ilya Ehrenburg appeared at fund-raising rallies in the United States, raising support for the Communist cause while displaying fake bars of soap allegedly manufactured by the Germans from the corpses of dead Jews.

But Ehrenburg was perhaps most notorious for his viciously anti-German hate propaganda in World War II. In it, he exhorted Soviet troops to kill all Germans they encountered without pity.\*

In one leaflet entitled "Kill," Ehrenburg incited the simple Russian soldier to treat the Germans as subhuman. The final paragraph concludes:

"The Germans are not human beings. From now on, the word 'German' is the most horrible curse. From now on, the word 'German' strikes us to the quick. We have nothing to discuss. We will not get excited. We will kill. If you have not killed at least one German a day, you have wasted that day ... If you cannot kill a German with a bullet, then kill him with your bayonet. If your part of the front is quiet and there is no fighting, then kill a German in the meantime ... If you have already killed a German, then kill another one — there is nothing more amusing to us than a heap of German corpses. Don't count the days, don't count the kilometers. Count only one thing: the number of Germans you have killed. Kill the Germans! ... — Kill the Germans! Kill!"

And in another leaflet: "The Germans must be killed. One must kill them ... Do you feel sick? Do you feel a nightmare in your breast? ... Kill a German! If you are a righteous and conscientious man — kill a German! ... Kill!"

This is typical of the steady diet of pathological hate fed to millions of Soviet troops by this Jew, safely ensconced far from the front.

But it wasn't only the ordinary German soldier Ehrenburg was talking about, whom he accused of the very atrocities the Communists were themselves committing. Ehrenburg's incendiary writings were, in fact, a prime motivating factor in the orgy of murder and rape against the civilian population that took place as Soviet troops rampaged into the heart of Europe. Appealing to the lowest, most subhuman instincts of this Bolshevik horde, he reiterated his genocidal message:

"Kill! Kill! In the German race there is nothing but evil; not one among the living, not one among the yet unborn but is evil! Follow the precepts of Comrade Stalin. Stamp out the fascist beast once and for all in its lair! Use force and break the racial pride of these German women. Take them as your lawful booty. Kill! As you storm onward, kill, you gallant soldiers of the Red Army."

The crowning achievement of Ehrenburg's career came on December 22, 1944, when this hate-crazed fiend became the first person to mention the kabbalistic figure of Six Million alleged Jewish victims of National Socialism, and then proceeded to introduce that figure into Soviet propaganda.

After the war he joined with co-racial and fellow propagandist Vasily (Iosif Solomonovich) Grossman to produce a fictitious "Black Book" and lay the foundation for what has come to be known as "The Holocaust."\*\*

The rest is history.

Ehrenburg never forgot his Jewish roots, and before his death he arranged for the transfer of his private archives to the tribal cult center at Yad Vashem in Jerusalem.

And so, it is altogether fitting that the birthday of this psychopathic lie-master should have been chosen as a day on which to remember the hoax which he concocted and of which he was the original inventor.

*\*\* For an overview of this historical fiction, see The Hoax of the Twentieth Century by Prof. Arthur Butz, the 506-page, illustrated revisionist classic."*

From Mr. Sinai:

What does Sinai mean? Sinai is the mountain on which Moses received the Jewish laws from the God Jahwe. From this mountain, the hatred of the Jews against all other peoples of the world has spread. (Schabbath, 89a)

Every Jew has the obligation to see that Christian churches are burned down and wiped out. The faithful must be insulted and the clergy killed. (Schulchan Aruch, Jore dea, 146, 14)

The Gentile is human shit. He is just as unclean. (Orach Chajim, 55, 20).

Jewish history is often presented - not least in the Jewish Bible - as one long history of Victimhood. Yet the Jewish Bible's accounts of how God gave the Promised Land to the Jews are as bloodthirsty as the Aztecs might have written:

Thus the Book of Numbers records that the Jews "waged the campaign against Midian, as Yahweh had ordered Moses, and they put every male to death... the sons of Israel took the Midianite women captive with their

young children, and plundered all their cattle, all their flocks and all their goods. They set fire to the towns where they lived and all their encampments... Then, when they took the captives, spoil and booty to Moses..., Moses was enraged.... 'why have you spared the life of all the women...? So kill all the male children. Kill also all the women who have slept with a man. Spare the lives only of the young girls who have not slept with a man, and take them for yourselves" (Num 31: 7-19).

Similarly in the Book of Deuteronomy, when the Jews attacked Sihon's Amorite kingdom, "the LORD our God gave him over to us; and we struck him down, along with all his offspring and all his people. At the time we captured all his towns, and in each town we utterly destroyed men, women, and children. We left not a single survivor. ..." (Deut 2: 33-35, NRSV).

Let's all remember this when we see Jews in our time on TV talking about muslim terrorists and suicide bombers.

Elliot Abrams: "Tomorrow's lobby for Israel has got to be conservative Christians, because there aren't going to be enough Jews to do it".

Bush and Blair - the betrayal  
America's first loyalty was to Ariel Sharon, not the prime minister

Sidney Blumenthal  
Friday November 14, 2003

The Guardian

In the internal struggle over peace in the Middle East, the neo-conservatives within the administration prevailed. Elliot Abrams, chief of Middle East affairs at the NSC, was their main man. During the Iran-contra scandal, Abrams had helped set up a rogue foreign policy operation. His soliciting of \$10m from the Sultan of Brunei for the illegal enterprise turned farcical when he juxtaposed numbers on a Swiss bank account and lost the money. He pleaded guilty to lying to Congress and then spent his purgatory as director of a neo-conservative thinktank, denouncing the Oslo Accords and arguing that "tomorrow's lobby for Israel has got to be conservative Christians, because there aren't going to be enough Jews to do it". Abrams was rehabilitated when George Bush appointed him to the NSC.

LOL, German-hater "Ehrenburg" continued to use a German surname! German Jews considered themselves the upper-crust aristocracy; probably even in USSR they maintained that class-distinction.

Anyway poor-old Ilya was undoubtedly a Soviet victim forced to peddle war-time propaganda. Just like lovable Dr Seuss (Theodore Geisel) who wrote Streicher-like racist cartoons depicting Japanese-Americans as disloyal insane fanatics. Jeez, if you don't use your back-office talents you might get sent to the front-lines w/all the idiot goyim!
