Feinstein approves a \$100 million 'Engineering Contract' to Perrini, the husband's firm subcontracts it to Indonesians, who do the job for \$40 million. Money goes through the mysterious wonderland of offshore billing, and foreign engineering contractors, until the husband's firm actually shows a loss.

Real Americans can no longer afford a big family, so the average is 2.4 children per family. You, and your wife, are both working and struggling to get your kid in a state school, while these apes send their hatchlings to Harvard on scholarships.
