NEW YORK, (PIC)-- The UN has warned that the Israeli occupation authority's siege on the Gaza Strip since mid June could inflict irreparable damage to the Strip's economy.

:: Segnalaci un articolo
:: Tell us of an article

The warning follows a similar one by WHO in which it said that the 392 square kilometer Strip with 1.5 million inhabitants, the highest demographic density in the world, was heading towards a health disaster due to the Israeli siege.

The UN office for the coordination of humanitarian affairs said in a report that the isolation of the Strip for the past six months was threatening irreversible damage to the Palestinian economy and would make the Gaza population more dependant on foreign assistance.

The dwindling food storage, soaring prices, increasing unemployment and loss of revenues were heralding disastrous consequences, the report explained.

It said that in the event the siege was not eased then aid to 80% of the Strip's population would have to be greatly increased.

The Israeli hermetic closure of the Strip took place immediately after Hamas took over control of the Strip to ward off the dangers of a Fatah mutiny trend that was spreading chaos.

:: Autodeterminazione e resistenza irakena di Aldo Bernardini, Ordinario di Diritto internazionale all'Università di Teramo

:: ONU - XX Assemblea Generale (1965): La XX Assemblea Generale dell'ONU (1965) dichiara "la legittimità della lotta da parte dei popoli sotto oppressione coloniale, per esercitare il loro diritto all'autodeterminazione e all'indipendenza". Inoltre, l'Assemblea invita "tutti gli Stati a fornire assistenza morale e materiale ai movimenti di liberazione nazionale nei territori coloniali".

:: ONU - Risoluzione 1514 "L'Assemblea Generale dichiara che: la soggezione dei popoli a dominio straniero, conquista e asservimento costituisce una negazione dei diritti umani fondamentali, è contraria alla Carta delle Nazioni Unite ed è un impedimento alla promozione della pace e della cooperazione mondiali. Tutti i popoli hanno diritto all'autodeterminazione; in virtù di tale diritto essi devono liberamente determinare il loro status politico e liberamente perseguire il loro sviluppo economico, sociale e culturale".

:: Convenzione di Ginevra,

Meanwhile, the 40th Palestinian victim of the siege died late Saturday in Khan Younis district, south of Gaza, due to deteriorating heart condition.

Medical sources said that 54-year-old Subhi Abu Rezk's health condition rapidly worsened lately after the IOA refused to allow him passage to receive treatment abroad.

Hundreds of other cases are threatened with a similar fate due to absence of appropriate treatment in Gaza for chronic and serious diseases such as kidney failure, cancer and heart conditions. The patients could not travel outside the Strip due to closure of all crossings surrounding the Strip at the IOA orders.
