Every time the Israeli lobbyists in the United States demand more money or more special legal protections, they wave about these so-called "Neo-nazi" or "White Supremacist" groups like Stormfront and the American Nazi Party. AIPAC, ADL, JDL, and their ilk raise tons of money by waving these boogie-men around as a real imminent threat and danger!

Yet no matter what laws get passed and no matter how many millions ADL, JDL, etc. raise, Stormfront and the American Nazi Party remain strangely unmolested by either criminal or civil actions.

How very strange!!!

So, earlier today, the Commander of the American Nazi Party, one Bill White, posted an article on the official American Nazis website an article accusing rising Presidential candidate Ron Paul of being a "Secret" White Supremacist.

Now, one might suppose that the American Nazi party would be happy to have a candidate who shares their views, and one might assume that Bill White is smart enough to know that making such a public accusation is going to be quite harmful to the candidate he claims shares his philosophy. Indeed it does appear that Bill White's accusation is intended to cause as much harm to Ron Paul as possible.

Of course, Bill White's claim did not do much more than incite a great deal of laughter. But in their haste to get this message out, one of Bill's minions slipped up.

Rather than cut and paste the text of Bill's accusations, one of the members of Bill's blog, apparently to prove the story's source, screen captured Bill's article, [posted it to various newsgroups](#) and in doing so, let slip a rather interesting secret.

Here is that screen capture.

Note the tiny little icon indicated by the arrow in the Windows toolbar. It's a megaphone. But not just ANY Megaphone, it is the icon proving that the member of Bill White's American Nazi group is ALSO a member of Megaphone, the Israeli propaganda communications

network!

Here is what the Megaphone looks like when it is running.

More about Megaphone can be found at [Wikipedia](#) and more about Bill White and his many fronts can be found [HERE](#).

But what we have here is what appears to be a group of self-proclaimed NeoNazis using the Israeli propaganda network!

... which goes a long way to explaining why they are never arrested or sued by those groups that raise so much money using them as scarecrows!
