Two weeks before US President George W. Bush is scheduled to arrive on his first visit to Israel as President, his younger brother Jeb Bush is scheduled to arrive Monday for a private visit.

Bush, the former governor of Florida, will be accompanied by his wife and children, and will travel around the country, including visits to Massada, Nazareth and a tour of the northern border with Deputy Chief of General Staff. Maj.-Gen. Dan Harel.

Bush is scheduled to meet Monday with Knesset Speaker Dalia Itzik and a number of Knesset members.
