The massive, but unreported, 1990 change to the holocaust fable. Its been 17 years. Have you heard about it yet?

Jew Math.

The HolyCo\$t fable has a few math problems:

1948 (till 1990) Version of the fable:

Total number of Jews supposedly killed by the Nazis = 6,000,000
Total number supposedly killed at Auschwitz = 4,000,000
Number of Jews supposedly killed at Auschwitz = 3,500,000
Number of Jews supposedly killed outside of Auschwitz = 6,000,000 - 3,500,000 = 2,500,000

1990 (till present) Version of the fable:

Total number of Jews supposedly killed by the Nazis = 6,000,000
Total number supposedly killed at Auschwitz = 1,500,000
Number of Jews supposedly killed at Auschwitz = 1,000,000
Number of Jews supposedly killed outside of Auschwitz = 6,000,000 - 1,000,000 = 5,000,000

The problem is damn clear:

From 1948, till 1990, Jews claimed that 2,500,000 were killed outside of Auschwitz.
Since 1990, Jews have claimed that 5,000,000 were killed outside of Auschwitz.

Have Jews presented any evidence at all of the extra 2,500,000 "killings" outside of Auschwitz? Of course not.

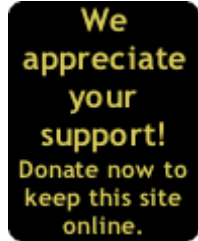

This is all a result of their reducing the number killed at Auschwitz (by some 2.5 million), but refusing to reduce the overall 6,000,000 claimed Jew deaths.

Again, do Jews have any documentation at all, for these *extra* 2.5 million "murders" outside of Auschwitz? Or did they just make up the number, like they clearly made up the pre-1990, 4 million "*murders*" at *Auschwitz*, figure.

So are Jews NUTS, or just NOT very good at math.

This plaque was on display at Auschwitz from 1948 until 1990 (note the "4 million" victims).

These plaques are currently on display at Auschwitz (English and German).

Note the dramatically reduced number of victims, now only 1.5 million (anderthalb millionen in German).

A casual reduction in the number of deaths by some 2.5 million.

Deaths at Auschwitz drop by a whopping 2.5 million, but 6,000,000 dead Jews, remains the same.

Since, everyone believed the FALSE "4 million died at Auschwitz" fable anyway, why did the Jews change the story in 1990?

In 1989, the Soviets released (some of) the German documentation, death certificates, roll-calls, cremation lists, etc, that they had found at Auschwitz, in January 1945. The Germans had simply left this documentation when they evacuated. The Soviets, came across it and conveniently "lost it" in their archives for some 45 years. In 1989, Gorbachev presented it to the Red Cross who then "lost it" in archives in Arolsen, Germany.

Although, the Jews have made sure the public is not allowed to see the documentation, its broad outline became known to enough people, so that the old lies were no longer sustainable, hence the change of fable in 1990.
