

Jews Fleece U.S. Homeland Security

Jew News Of The Day

JEWISH SENATOR JOSEPH LIEBERMAN & FELLOW JEWS FLEECE U.S. HOMELAND SECURITY

U.S. JEWISH ORGANIZATIONS RECEIVE 24 MILLION FROM HOMELAND SECURITY TAX PAYER'S MONIES!

JEWISH SENATOR JOSEPH LIEBERMAN GIVES GIFTS TO JEWISH FRIENDS!

JEWISH ORGANIZATIONS SUCH AS the Maimonides School in Washington D.C. and the Jewish Family Services in Baltimore have received the lion's share of Anti Terrorist funding by the Homeland Security Department. And guess who runs America's Homeland Security Department? The Jewish Senator, Joseph Lieberman (Conn.) heads Homeland Security, that's who! And gelt, (money in Jewish) is spread amongst his Jewish friends!

And by the way, Lieberman is a religious, Orthodox Jew, whose priorities are *Jewish* not *American*, as is evident by the preponderance of Homeland Security monies being given to all of these wealthy Jewish organizations rather than Christian organizations.

Many Americans are not aware that their tax monies have gone to these wealthy Jews. This is because the Jewish-controlled media did not publish articles about it. Only local newspapers throughout the US sporadically published the news.

Only a few local papers picked up the story as well as the non-American Ha' Aretz News Israeli News Agency @ **Jewish Organizations Receive Millions**

(<http://www.haaretz.com/hasen/pages/ShArt.jhtml?itemNo=908038&contrassID=1&subContrassID=1>) . This is another example of the Jewish-control of Washington vis a vis the Jewish-controlled Media.

If Americans knew about this they would be disgusted that millions of dollars of their hard-earned monies have gone to the wealthiest people in America who happen to hate Christianity, America's founding-religion.

~ **Here is a partial list** that I compiled of the wealthy Jewish organizations that received millions in tax payers money:

- a) \$100,000 for the Jewish Federation of Seattle;
- b) \$100,000 for Herzl-Ner Tamid Conservative Congregation of Seattle;
- c) \$100,000 for the Stroum Jewish Community Center of Seattle;
- d) \$74,944 for the Jewish Day School of Metropolitan Seattle;
- e) \$71,355 for Jewish Family Service of Seattle;
- f) \$96,305 to be divided amongst The King David School of Phoenix Arizona, Phoenix Jewish Day School, Phoenix Hebrew Academy and Jess Schwartz Jewish Community High School;
- g) \$97,475 to the Jewish Community Services Center in Tucson Arizona;
- h) \$900,000 to 19 Jewish organizations in New York and Maryland, including individual congregations and institutions such as the Jewish Museum of Maryland and the Maimonides Academy of Baltimore.
- i) \$100,000 to Jewish Organizations In New Jersey including United Jewish Communities of MetroWest NJ and Chabad Lubavitch Center Of Northwest New Jersey. **Et Cetera & Et Cetera!**

BOTTOM LINE: Jews are now in full control of American political life with over 15 Jewish Senators and 35 Jews in Congress, with big Jewish money and influence backing their Anti-Christian agendas. **What must**

we do to stop this jewification of America?

We must insist that Jews in political realms put America's interests first, and not Zionism, curtailment of free speech, and their Jewish promotion of homosexuality and lesbianism. Then we must insist that the Jews forgo their racist *Jewish elitism* and become Christians.

I am a former Jew and I have embraced Christ and Christianity. There are thousands of other former Jews who have done the same. It is now time for the Liebermans and the Perles and the Wolfowitzes to do the same. Then we can have a Christian America once again and not a Jewish America!
