## Rita Katz and S.I.T.E. are set to release yet another "aL-Qaeda" tape

**Despite a massive manhunt by the world's intelligence agencies, BL seems to evade their combined efforts, staying on the run. But he still has time to drop into his recording studio and cook up a fresh tape for the likes of Rita Katz and her outfit called S.I.T.E. SITE is staffed by TWO people, Katz and a Josh Devon.**

WASHINGTON (AFP) The head of the Al-Qaeda network Osama bin Laden is expected to release a taped message on Iraq, a group monitoring extremist online forums said Thursday.  
The 56-minute tape by the hunted militant is addressed to Iraq and an extremist organization based there, the Islamic State of Iraq, **said the US-based SITE monitoring institute, citing announcements on "jihadist forums."**  
It said the release was "impending" but did not say whether the message was an audio or video tape.

Despite a massive manhunt and a 25-million-dollar bounty on his head, he has evaded capture and has regularly taunted the United States and its allies through warnings issued on video and audio cassettes.

Yes, despite a massive manhunt by the world's intelligence agencies, BL seems to evade their combined efforts, staying on the run. But he still has time to drop into his recording studio and cook up a fresh tape for the likes of Rita Katz and her outfit called S.I.T.E. SITE is staffed by TWO people, Katz and a Josh Devon.

Yet these two individuals manage to do what the ENTIRE combined assets of the world's Western intelligence can't: Be the first to obtain fresh video and audio tapes from aL-Qaeda with Bin Laden making threats and issuing various other comments.

If BL appears a bit "stiff" in the latest release, that's because he is real stiff, as in dead, as this January 2006 article from one of the world's leading Zionists, [Michael Ledeen](#) shows:

**And, according to Iranians I trust, Osama bin Laden finally departed this world in mid-December. The al Qaeda leader died of kidney failure and was buried in Iran, where he had spent most of his time since the destruction of al Qaeda in Afghanistan.**

How is it that a Jewish owned group like S.I.T.E. can outperform the world's best and brightest in the intelligence field and be the first to know that a group like al-Qaeda is getting ready to release another tape?

How is it possible that Rita Katz and S.I.T.E. can work this magic? Maybe looking at Katz's background will help:

*Rita Katz is Director and co-founder of the SITE Institue. Born in Iraq, her father was tried and executed as an Israeli spy, whereupon her family moved to Israel [the move has been described as both an escape and an emmigration in different sources]. She received a degree from the Middle Eastern Studies program at Tel Aviv University, and is fluent in Hebrew and Arabic. She emigrated to the US in 1997.*

*Katz was called as a witness in the trial, but the government didn't claim she was a terrorism expert. During the trial it was discovered that Katz herself had worked in violation of her visa agreement when she first arrived in America in 1997. She also admitted to receiving more than \$130,000 for her work as an FBI consultant on the case.*

This whole charade is timed to influence the upcoming U.S. presidential primary elections to be held in Iowa.

The Zionist favorite, Rudy GHUOLiani, is lagging in the polls.

So, they scheme to release another phony "aL-Qaeda" tape in conjunction with Rudy's latest TV ad blitz that piles together scenes from World War II and 9/11.

GHOULiani has the [nerve](#) to compare his actions on 9/11 with the actions of the Marines at Iwo Jima.

Add in the latest fabrication from [S.I.T.E.](#) and Rudy's ads and presto chango, fear strikes again in the heartland.

Fear is what Rudy's Zionist advisors, Norman Podhoretz and Daniel Pipes, love to install in people. It keeps people from clearly thinking and voting for American interests.

What the GHOULiani's and Pipes of the world want the U.S. to do is to vote for Israeli interests, not our own.

**Stay tuned to see if Rita Katz's latest seance with Bin Laden from beyond takes credit for the death of Bhutto or blames the death on Iran.**

**That would play right into the hands of the death dealers and war mongers that have taken control of the White House.**

I'm so tired of how these creeps get paid to lie. Sick little maggots.

Katz has now teamed up with fellow Zionist Jane Jew-cunt Harman to promote thought- crime legislation ("Violent Radicalization and Homegrown Terrorism Act" -- H.R. 1955).

Most people must work for a living, but these Jew fuckers are **PARASITES**.

Still, if the American public is too stupid to recognize that, then it deserves what it gets.

Unfortunately, every time Katz lies, it causes more people to be murdered in the Middle East.
