AMSI issued a press release condemning the American occupation forces for killing and wounding civilians in Tikrit by helicopters.

The Association of Muslim Scholars in Iraq (AMSI) condemned the occupation forces and the current government the who stand behind this crime of innocent civilians

## Press Release

A helicopter belong to American occupation forces fired at five o'clock 29 October 2007 two rockets, one targeted playgrounds for football in the neighborhood Al bo Ubeid. This bombing resulted in the death of a citizen and wounding 4 others. Second shell targeted the house in the Albojeel village of Tikrit which led to the death of woman, injured 4 children and causing heavy damage to the home and neighboring houses.

This barbaric crime confirms the character of these forces that are targeting innocent people in their homes and in their children's playgrounds. They are thirst for the blood of these beautiful bloods of Iraqis without contempt or guilt.

The Association of Muslim Scholars in Iraq (AMSI) condemns this crime, carries the occupation forces and the current government having full responsibility and the continuing series of crimes against innocent Iraqis.
