“Get Out of Jail Free Card” Handed To Irving Lewis Leibowitz

By Patrick Grimm

We are all already quite aware of the fact that Jews are not held to the same moral and legal standards as other American citizens. This was driven home by Paul Wolfowitz’s slap on the wrist for abusing his power at the World Bank for the financial benefit of his current sex partner, a woman he promoted undeservedly, snagging her a good job in the process. Wolfowitz’s neo-con conniving and lies for his favorite state in the Middle East are now beyond dispute and there are thousands of Americans who are dead, maimed and wounded for those intentional lies.

Now President Bush, arguably the worst President to ever soil and debauch the Oval Office is showing his true colors, and those colors just happen to be the good ol’ Israeli blue and white, as he pardons a man, Irving Lewis Libby (Leibowitz) a crypto-Jew backer of the fallacious Iraq War Purim Massacre preemption attack. Apparently it is a suitable action for such a traitor and Israel loyalist (I won’t even call Libby a “dual loyalist” because that is much too generous a term) to out a CIA operative, Valerie Plame simply to punish her husband, Joe Wilson who was an ardent and public critic of the administration’s wrong-headed Iraq policy. Libby then lied under oath, a felony in itself. But all this was not enough to dampen the ultra-Zionist Bush’s enthusiasm in pardoning his crimes. Bush condones treason, plain and simple. There is no other way to state it.

Isn’t it fascinating that this same President Bush, a partisan for open borders and surrounded by Jews like Tamar Jacoby who are salivating and almost amorously moist over the fantasy of genociding white people with a nasty queue of Mexicans and others of the darker persuasion possessing a Third Worldist disposition and backward mores and folkways, will not stand for America’s sovereignty, but will stand with neo-conservative Jewish criminals who have damaged the United States and furthered stoked the fires of the world’s hatred against us.

Dubya, the Village-Idiot-in-Chief takes a firm position when it comes to shielding Jews from prosecution, but will not demand the removal of Mexican felons from our midst, even as they kill, rape and steal from us. In fact, Bush refused to pardon two of our fastidious border agents who were doing their job in keeping thug drug-running Mexicans out of this nation, but gushes and waxes indulgent whenever a Jew has to answer for his misdeeds. Bush will do anything for the Zionist Jews, but he will do nothing for us, the majority of the American people.

Zionist Watch: The Writings of Patrick Grimm

Zionist Watch Quote of the Moment

"Yet despite the lack of Jewish worship and observance, and my family's total assimilation into everything American and secular, we were thoroughly Jewish. Our perspective was Jewish, as was our very essence. The world was split into two distinct halves: Jews and gentiles. Jews were always sought in business or social dealings over gentiles. A common expression used by Jews to describe a slow, dense person was—and still is—'He's got a goyisher kop,' which literally means 'He's got a gentile head' but figuratively means 'slow-witted.' First question when I came home and boasted of making a new friend always was 'Is he Jewish?' 'God forbid!' (my father's expression) if I should ever go out with a gentile girl, and 'Oy vey!' (which literally means 'Oh pain!') if I ever got serious with her. All my parents' friends were Jews. They all shared

I believe that this is only the beginning of President Bush's Benedict Arnold style betrayals. Mark my words, before this cretinous goon and his Vice President, who is really the brains behind this Mafioso administration make an ignominious departure from the stage of political history, more pardons will be forthcoming. Bush surely has a long to-do laundry list which has been etched out on the back of a crumpled copy of the US Constitution by one of his Jewish handlers.

Who's next to be pardoned, you might ask? Why it's the favorite poster boy of Zionist Christian troglodytes like Pat Robertson and John Hagee, of course. It's the man who was caught spying for Israel back in the 1980s and who had the grease ball Jewish trip-and-fall attorney Alan Dershowitz give him legal representation, though this spy now sits in a prison cell. I sincerely believe that Bush will pardon Jonathan Pollard, an Israeli double agent who stole our most intimate secrets and passed them on to our supposed "ally" in the Middle East, and God knows who else. When this occurs, you can then blame all the criminal Jewish networks in the US as well as the crooked televangelist philo-Semitic Judaized preachers plying the gullible for cash.

No, Jews will never be held to the same high standards as the rest of us. For you see, their money, their banking acumen and their bleating about "anti-Semitism" guarantees and ensures them a free ride and a "get out of jail free card" whenever they need one. You think this is unfair? You are absolutely right that it is ludicrously unjust. It is a travesty and a miscarriage of what used to be Western notions of justice and law before the Jews got their hands on the levers of our courts and our media. Libby (Leibowitz) will be only the first of many Jewish traitors given the beneficence of a White House gone awry, but as surely as Israel will get an increase in foreign aid cash from the American taxpayer's pocket, he definitely won't be the last.

Analytic Blog-Artists Continue To Wear, Take Toll On "Jews-Media," Traitors, And Lies

(Apollonian, 3 July 07)

Pat Grimm comes back with a gripping and substantial essay, so topical, too, regarding latest "neo-con" conspiratorial (see Mike C. Piper's "The High Priests of War" for expo/ref. on neo-con conspiracy) swindle, the Libby pardon. What a larger context for this Libby pardon we see as presented by Mr. Grimm. "Treason," is the veritable watchword--is it wearing thin?

Pat begins with a great pt.: Libby was convicted for conspiratorial perjury and obstruction of justice in nothing less than CRASS ACT OF TREASON to USA, the "outing" of secret agent.

Of course that treasonous revealing of info was itself part of larger conspiracy of DEFRAUDING USA for false pretext for attacking Iraq, USA led by Bush II-Cheney now having mass-murdered literally hundreds upon hundreds of thousands, CREATING MILLIONS MORE ENEMIES OF USA among the poor Muslim people who never did anything against USA in first place.

And as I pt'd out in another essay, Israeli MOSSAD will be sure to use that Muslim-enemies pretext for all the false-flag murders and terror they will soon enough be committing here in USA itself. See further Apollonian expo at NewNation.org, under "commentary" heading.

Perhaps most telling and effective parallel drawn by Mr. Grimm is the pardon for Scooter the traitor Jew Libby--while refusing to pardon the two border guards who were falsely prosecuted and convicted for doing their jobs protecting US fm criminal aliens.

the same role models: Sandy Koufax, Bernard Baruch, Bess Meyerson, Sam Levinson, Hank Greenberg, Arthur Goldberg, Golda Meir, Albert Einstein—these were people to be admired. And that poet with the beard, Allen Ginsberg, so smart, but the faygeleh (homosexual) business, such a waste!"—S. G. Bloom, *Postville: A Clash of Cultures in Heartland America*, Harcourt, Inc., New York, (2000), pp. 63-64.

Speaking of treason, don't forget there was 9-11, remember? Bush II sat there in classroom while Cheney was over-seeing the bombing and murder of 3000 victims. And note how EVERYONE Involved in US Air Force (USAF) WAS PROMOTED.

Again consider: 3000 people horribly murdered--and everyone involved in USAF gets PROMOTED?--as if Bush II-Cheney were happy and wanted to reward such mass-murder?--what gives?--there's something I'm missing, right?

TREASON really is the name-of-the-game, and IN-UR-FACE, too, hey suckers?-- And don't forget to shut-up too, as it's all classified.

But as in Gosp. JOHN 8:32, the terrible truth remains stubborn thing that will not go away. And there's a tremendous INDUCTIVE PATTERN (treason?) growing ominously, steadily, a huge truth in form of inductive abstraction beckons and looms.

Finally, as in any criminal investigation, principle suspects must begin to provide satisfactory "alibis" to rule themselves out. So far Bush II-Cheney and neo-cons have been able to buffalo and intimidate the people, with help of Jews-media (see Natall.com, "Who Rules America?" bottom frontpage, for expo/ref. on Jew media monopoly) by insisting hey, it's all classified.

But how long will the people, enough of them, remain intimidated before they begin to demand sensible answers? Getting rid of complicit Democratic co-conspirators (pretending to being "opposition party") might help.

For exactly (a) how did, in pt. of fact, the USAF get "stood-down" that terrible day on 9-11? And (b) why did those three great steel WTC buildings collapse like they did?

Note "Jews-media" isn't as capable now of fooling enough of the people as it was before this present day and age of MIGHTY INTERNET. Bloggers like Pat Grimm have become too keen, too acute, and too wise to let Bush II-Cheney conspiracy and criminality get past so easily as before when Jews-media was most powerful, people less mindful of MIGHTY INTERNET and that incredible blog-analytic technique.

The deception game depends upon who "kids" who, and how well. And just like "consumer confidence" depends upon people's willingness to accept that funny COUNTERFEITED paper money (see RealityZone.com for expo/ref. on Federal Reserve Bank [Fed] counterfeiting fraud), the usual Jews-media lies can get terribly worn, and the people can become outraged--so we pray, anyway.

Soon enough people will see it isn't paying to keep present conspirators and murderers like Bush II-Cheney and neo-cons in positions of power and control. And this revolutionary vision of the people will happen when, like original Christian Apostles, they achieve EPIPHANY, as they lose their "fear of the Jews"--hence then Jews-media.

And such Jews-media is being presently chewed to pieces by blog-artists on MIGHTY INTERNET, like we see in Pat Grimm, indubitably. Thus history is proven to be cyclic, I submit, in accord with Oswald Spengler's "Decline of the West," history threatening to culminate in our own day, the people informed, aroused, and defiant.

CONCLUSION: Is such defiant, freedom-asserting people and citizenry even possible? Keep up ur great analytical and blogging work, Pat Grimm, as the people appreciate it, unquestionably for their information, base of possible future EPIPHANY. Honest elections and death to the Fed. Apollonian

Apollonian,

Thanks for the kind words. Our argument from a few days back seems to me

Did You Know.....?

Did you know that Jews run the pornography industry? Reuben Sturman, the owner of hundreds of adult book stores, was an innovator in the field of porn. Incidentally, Jews make up 90% of American pornographers and turn a handsome profit off of human exploitation and degradation. Heartwarming, isn't it?

Did you know that you pay a Jewish kosher tax on most of the items you buy in the grocery store, adding an additional cost to your food bill? The small encircled U or the letter K that appears on most food cans and packages certifies it as kosher-approved by a Jewish rabbi. Ernesto Cienfuegos states emphatically "One of the major unspoken reasons for Anti-Semitism in the business world is the kosher tax. Back in the 1980s, I used to be a well known business broker in New York City. What I know is worse than this essay. Someday I will tell the full story about the kosher tax, that we are all forced to pay." - The "Kosher Nostra Scam" on the American Consumer

Did you know that the Russian Revolution was not Russian at all? "According to data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik state, including the above-mentioned, in 1918-1919 there were: 17 Russians, two Ukrainians, eleven Armenians, 35 Letts [Latvians], 15 Germans, one Hungarian, ten Georgians, three Poles, three Finns, one Czech, one Karaim, and 457 Jews." The Journal for Historical Review January/February 1994

pointless since we both agree on the "devil in the details" as I often call Big Jewry. I think what we had is a verbal conflict over "tone" which to me is a minor quibble, though an important one at times.

I appreciate your reading of my work and for this positive and uplifting piece of feedback. Just remember one thing. We are both on the same side here, regardless of the differences in our personal approaches to dealing with the problem of Jewish perfidy.

Some neophytes to this issue need a forceful Apollonian smack in the back of the head, while others require a slightly less forceful, but still palpable Grimm awakening to the facts. But you and I are essentially in agreement when it comes to the crux of the Jewish Problem. How boring the world of anti-Zionism would be if we all had the exact same style!

Articulate as always Patrick (and hopefully convincing to our sleep walking brethren). Bush is screaming to the American people that his bureaucrats are above the law.

Mr. Irving Lewis Libby (Leibowitz), I challenge you to hold a press conference and look the American people in the eyes and tell us what you did is good for America. Tell us you are loyal to America, and thus deserving of a pardon. Convince us.

I was once a combat medic, and I think often of how I would feel if I had gone to war in front of your pack of lies. Mr. Irving Lewis Libby (Leibowitz), you were convicted of lying and any intelligent being cannot help but wonder what other damage you have done.

Hey thanks much Pat, but seriously how'd u like my little theme on 9-11: 3000 get slaughtered, and Bush promotes all key personel involved?--as if then things went so good like they wanted? Is there an inductive pattern here, begging to be disproven? Thanks again, A.

i have a few ideas to deal with the jew problem:

1. forbid holding two passports.
2. make all contributions to israel or zionist organizations non tax deductible.
3. encourage jews to emigrate to israel: offer them plane ticket subsidies and other incentives. exempt them from income tax while they live over there.
4. encourage americans to stop watching tv and reading newspapers and fagazines. when they get their news from the internet sites like this, they will slowly come unbrainwashed.

this is just an intro of ideas. more to follow.
