A Look At Libby's Other Life

[Libby](#) is a 55 year-old Zionist from Falls Church, Virginia. He went to Yale, then Columbia, where he graduated in 1975. His wife is Harriet Grant, a former staffer for congressional Democrats, and he has two school-age children.

Libby Is A Religious Jew

He is a member of Temple Rodef Shalom in MacLean, Va.

Criminal Acquaintances

Libby was attorney for Marc Rich (left), a billionaire commodity trader. He fled the USA in 1983 for tax evasion, and trading with Iran. Libby made \$2,000,000 off Rich.

What Did He Do?

Libby disclosed a undercover CIA agent's identity. He is considered a nefarious neo-conservative schemer, and possible Israeli agent, who has had a hand in various administration national security scandals, from the dodgy intelligence leading up to the Iraq war, to the awarding of lucrative no-bid contracts to Halliburton.

His Current Charges Include:

- One count of [obstruction of justice](#);
- Two counts of [perjury](#); and
- Two counts of making false statements.

Joseph Wilson and Valerie Plame

Joseph Wilson wrote an article saying: - 'Bush's excuse of Iraq's WMD, and the intelligence reports claiming Hussein was buying uranium, were all BS'. [Libby](#) retaliated by exposing Wilson's wife, Valerie Plame, as a CIA operative, thereby endangering her life.

Libby Acted For Bush

Libby was Bush's attack dog.

Libby's Homoerotic/Beastiality/Incest Book

The book tells of travelers, caught in a blizzard and stranded in a remote mountain inn in Japan, circa 1903. Setsuo, the apprentice, is a male virgin inn-keeper pursued by Yukiko, who is a nymphomaniac. The wayfarers include a dwarf, children, homosexuals, and a pedophile, whose stay includes murder and deviant sexual acts.

The book is laced with scatology, drunkenness, and torture. Subjects like urine, turds, armpits, pubic hair, bestiality, and menstrual cycles, flow from this literary trash. Libby describes quivering inner lips, arching backs, firm breasts, and everything is moist.

One Scene:

"At age 10 the madam put the child in a cage with a bear trained to couple with young girls so the girls would be frigid and not fall in love with their patrons. They fed her through the bars and aroused the bear with a stick when it seemed to lose interest."

Another Scene:

Libby describes how one of the males entices a deer, stranded in a barn, by urinating in front of it's mouth, hoping to arouse it. Then we have the brothers of a dead samurai have sex with his daughter. The other guests discuss if they should [f*ck the deer](#).

In This Scene:

Setsuo describes how the female plunges her head between his legs and devoured him in front of the other guests.

Picture Libby's Daughter Walking In

I have to imagine that Mrs. Libby put Scooter's literary den off limits to all the children. And how about that keyboard?

Kids Are Dying In Iraq Because Of This Crowd

Libby writes about bestiality, [Cheney's wife](#) writes about a vice-president dying of a heart attack while having sex with his mistress. Bush can't put two sentences together, but lands on carriers for photo ops.

Libby could get 50 years, but he will probably never serve a day of it. Like all snakes, he has a number of exits. Maybe he will blackmail Cheney and Bush into invading Iran. Maybe he will join [Sammy Sheinbein](#) in Israel, but he will probably never go behind bars.
