It's Time To Outlaw Zionism!

By Patrick Grimm

After watching a video by anti-Zionist beat reporter Frank Weltner, who is a former librarian and an indefatigable researcher on the Jewish Problem, I find myself in full agreement with this wise scholar. Weltner, who has moved beyond mere

audio talks which in the past adroitly dissected the body of lies that served to further the world Zionist deconstruction project, now is disseminating his video lectures across the world of YouTube and is opening eyes, minds and hearts to the depth of the problem. You can access all of Weltner's latest Jew Watch videos [here](#).

What I found so novel, even groundbreaking in Weltner's calm and reasoned mini-dissertation was one of his suggestions on how to stop or curtail the ADL/AIPAC subversion of America's sovereignty. He suggested, in his somewhat curmudgeonly trademark style that the only way to ebb the tide of Jewish extremist treason was to outlaw Zionism and label it as a terrorist philosophy. After looking at the problem extensively myself, this does seem to be the only solution available to us.

If Islamic radicals, jihadist Arabs from the Middle East had seized our media organs under the radar, even if they were American citizens, most people in the US would stand and loudly demand that something be done, by both the President and the FBI and with firm and unbending legislation from Congress banning those with allegiance to a foreign power from controlling the flow of information. Americans would understand that Islamic jihadists could not dispassionately report the news, especially news concerning the Middle East. These Islamists would not be allowed to hold onto newspapers,

Zionist Watch Quote of the Day

They [Organized Jewry] use every dirty trick in the book, pull wires behind the scenes, smear people left, right and centre, and employ violent thugs and agents provocateurs at street level with the rationale that in the struggle against eternal anti-Semitism, anything goes. Their definition of an anti-Semite is of course far broader than yours or mine, namely anyone they don't like, or anyone who is in the least bit [un]sympathetic to their aspirations to ride roughshod over the rest of mankind. They keep up this pressure until their victim accuses 'the Jews' of being out to get them, or of conspiring against them. And as soon as you use the words 'conspiracy'

magazines, network news stations and other types of media. They would absolutely never be allowed to get a foothold in the news-making field and any monopolies would be crushed like a Palestinian child in Gaza.

In fact, according to the Zionist Jews, no one but their people should have any media of any kind. It was the Jewish community, well-funded and heavy-handed as always, which succeeded in getting Al-Jazeera banished permanently from Canada. The Zionist Jews want no competition in the arena of ideas, and many of them despise the ubiquitous scope of the internet for this very reason. They slant and spin and lie endlessly because, save the world wide web, they are the only game in town.

This must end. We must, for the sake of America's future and America's survival, pass legislation that brands Zionism *permanently* as a criminal, a terrorist and a treasonous ideology, and one which desires world domination and control over all other peoples. The fact that the American-Israeli Public Affairs Committee essentially writes our MidEast policy only guarantees that America will be drawn into endless war, endless bloodshed and endless death and decimation of other nations for the sake of world criminal Zionism and for the benefit of NO ONE ELSE. The Jewish supremacists have been allowed to lord it over the rest of humanity for long enough! I've had enough and the world has certainly had its fill of the warmongering agenda of radical Zionist Jews! These Jews now control most of our federal government and their grip has to be dislodged and smashed!

But before some of the members of the intellectually and morally bankrupt Ziogentsia scream that this type of anti-Zionist legislation would be "anti-Semitic" and that it would amount to little more than "Jew-baiting" let me make something very clear, so clear that even a 75-IQ "Christian" Zionist Mogen David-lover can begin to comprehend it. The anti-Zionist legislation that both myself and Weltner would endorse would punish treasonous Zionist Gentiles just as much as it would punish Zionist Jews.

Legislation designating Zionism as a terrorist ideology would necessarily require the impeachment and imprisonment of both George W. Bush and Dick Cheney as Zionist war criminals, it would result in the removal and arrest of all our Zionist politicians, frauds like Rick Santorum and John McCain and Rudy "Jew"-liani and Bill and Hillary Clinton and so many more. Both Gentile and Jewish Zionists alike would be fined, jailed or at the very least be stripped of their lofty positions.

The AIPAC and ADL traitors would be imprisoned, the neo-con Jews and Gentiles in this present administration would be charged with Zionist war crimes and either serve lifetime sentences or possibly be executed for the blood they helped to spill on the sands of Iraq, all for concocted Israeli lies and propaganda, cherry-picked and fed to our feckless politicians like candy.

I am angry as hell and I believe that more and more Americans are starting to wake up and smell, not the coffee, but the awful stench of the blood and guts spilled forth by Zionism! Zionism is killing us, it's killing our soldiers, it's killing the Iraqi people and it's killing our sovereignty! Even now, the Jewish neo-cons are pushing the open borders Ending of America Project and getting by with a little help from their friends in the Jewish media and their Goyim pals like drunkard Ted Kennedy on the Left and the disgraced megalomaniac John McCain on the other side of the fence.

Tamar Jacoby, a hideous neo-conservative ultra-Zionist Jewish semi-woman who has nothing but disgust for this country and its heritage, is one of the Bushites who is fervently trying to shove the open borders amnesty bill down our throats, while at the same time keeping the American money washing over Israel like a wave of beneficence, insuring that the apartheid "Jews-only" nation is revved up for more murder and bloodlust and genocide. This is what we are supporting with our hard-earned taxes! Yet to mention it makes me the hater!? No, this country has been besieged by Jewish bigots and anti-white racists for too long! None of us should remain silent as Jewish supremacists seize us by the short-hairs and do not ask, but demand that we do their

and 'Jew' in the same sentence, you can be dismissed as a lunatic fringe nutter or conspiracy crank. This is what they have done to most people on the extreme right and on the anti-Zionist left; even the likes of Noam Chomsky have claimed this, and surely he can't be an anti-Semite. I didn't realize it at the time, of course, but I'm older and far wiser now. -- Alexander Baron, *The Churchill Papers: Revising the Revisionists, Unmasking Irving*, London: Anglo-Hebrew Publishing, 1994: 71

will! I suppose they will collapse our economy if we prove recalcitrant!

It's time to outlaw Zionism. It's time to realize that Zionism is about controlling other people, about keeping them under the radical Jewish extremist jackboot by any means at the Chosen's disposal. In 1962, David Ben-Gurion, the supposed George Washington of Israel stated the true motives of Zionism when he fearlessly put the world on notice: "...With the exception of the USSR as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be no more wars. **In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah.**" [1]

So now perhaps this will elucidate the Christian Zio-zombies to the truth. Zionism is not about the Jews having their own little "peace-loving" country where they can live unmolested. No, it's about radical racial supremacist Jews becoming the lords of the earth and dispensing justice (Talmudic justice) on the rest of us, the inferior and soulless Goyim cattle whom they loathe with every fiber of their self-worshipping beings. Wake up, world! If you are supporting Zionism, you are placing a stamp of approval on your own genocide!

If things gets bad enough, ugly enough and depraved enough in the United States of Israel, perhaps Zionism can be outlawed and the whole rotting structure of Jewish racism and supremacy can be toppled forever. With the displacement of Zionism would come the pulling down of all of its agents, both Jew and Gentile. This would start an era of real American freedom, not the slavery packaged as liberty that our President, an agent of Big Jewry and the Zio-fanatics, rhapsodizes about in broken and semiliterate English. No, we have every right to demand independence and even to fight in the streets for it if necessary. As Thomas Jefferson almost omnisciently reminded us "The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants." [2] We, the anti-Zionists are the patriots, and our tyrants are any and all who would force us to live under the oppression of a foreign and alien power.

You cannot criminalize Zionism, because they control the legislature, media, banks and money.

However much I endorse everything Grimm says, I perceive practical difficulties. The previous poster says it all. Since the criminals are in charge, how do we persuade them to criminalize themselves?

So we're back to the idea of "voices crying in the wilderness", i.e. soothsayers like Grimm trying to speak to the deaf and open the eyes of the blind.

I disagree. I believe it can be outlawed. Like anything that holds power, the more light that's put on the subject, the more the people in power will "change their minds." Even the staunchest among them would turn on each other. History has proven this over and over again.

Did You Know.....?

Did you know that Jews run the pornography industry? Reuben Sturman, the owner of hundreds of adult book stores, was an innovator in the field of porn. Incidentally, Jews make up 90% of American pornographers and turn a handsome profit off of human exploitation and degradation. Heartwarming, isn't it?

Did you know that you pay a Jewish kosher tax on most of the items you buy in the grocery store, adding an additional cost to your food bill? The small encircled U or the letter K that appears on most food cans and packages certifies it as kosher-approved by a Jewish rabbi. Ernesto Cienfuegos states emphatically "One of the major unspoken reasons for Anti-Semitism in the business world is the kosher tax. Back in the 1980s, I used to be a well known business broker in New York City. What I know is worse than this essay. Someday I will tell the full story about the kosher tax, that we are all forced to pay." -The "Kosher Nostra Scam" on the American Consumer

Did you know that the Russian Revolution was not Russian at all? "According to data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik state, including the above-mentioned, in 1918-1919

there were: 17 Russians, two Ukrainians, eleven Armenians, 35 Letts [Latvians], 15 Germans, one Hungarian, ten Georgians, three Poles, three Finns, one Czech, one Karaim, and 457 Jews." The Journal for Historical Review January/February 1994
