Adam Pearlman Strikes Again!

Just when the administration and its zionist puppeteers need some anti-muslim propaganda to whip up hatred and fear against Muslims - the zionist spook factory SITE turns out another so-called "Al Qaeda" tape off its propaganda assembly line.

Azzam al-Amriki strikes again!

[CAIRO, Egypt -- An American member of al-Qaida](#) threatened foreign diplomats and embassies across the Islamic world in a new video Sunday, saying they would targeted as "spy dens."

The 1 hour, 17 minute video also featured a computer-animated recreation of a March 2006 suicide attack that killed U.S. diplomat David Foy in Karachi, Pakistan, and testimony **from a man who claimed to be the bomber.**

"We shall continue to target you, at home and abroad, just as you target us, at home and abroad, and these spy dens and military command and control centers from which you plotted your aggression against Afghanistan and Iraq," said Adam Gadahn, a Californian also known as Azzan al-Amriki.

Of course, as usual, WaPo fails to mention that Adam "Gadahn" is actually Adam PEARLMAN - the Jewish grandson of a former "board member on the Anti-Defamation League, a notoriously anti-Gentile organization[.]"

See **[The Media Calls him Al Qaeda, but his Jewish Father calls him Adam Pearlman](#)**

Gadahn was charged with treason in the United States last fall and has been wanted since 2004 by the FBI, which is offering a \$1 million reward for information leading to his arrest or conviction. **He last appeared in a video in May, threatening the United States with an attack worse than those of Sept. 11, 2001.**

The authenticity of the video, which was first carried on the Web site of terrorism expert Laura Mansfield,

could not be independently confirmed

but it featured the logo of al-Qaida's media production house, as-Sahab.

The U.S.-based SITE Intelligence Group also said it had obtained a copy of the video.

Militant Web forums have been announcing the imminent arrival of a new video featuring Gadahn for days.

In the video, which had Arabic subtitles, Gadahn wore a traditional Arab red-and-white checkered scarf and spoke in English. **It was not known when the footage was filmed because he did not describe any specific events.**

"Years of bitter trial and experience have revealed the danger (embassies) pose and shown that the only way to deal with them when they refuse to leave of their own accord is to expel them by force," Gadahn said.

Al-Qaida's No. 2, Ayman Zawahri, also appeared in the terror group's latest video, outlining what he described as the crimes of Western countries against the Islamic world. As he spoke, the video showed images of U.S. soldiers in Afghanistan and Iraq, as well as mosques being destroyed.

The March 2006 attack that killed Foy, which was claimed by al-Qaida, also killed three Pakistanis and wounded about 50 others a day before President Bush made an official visit to Pakistan.

What a farce.

Wakeup, America - you're being had.

[QRS - Adam Pearlman is jewish, just like Osama Bin Laden](#)

The zionist spooks that create the illusion of "Al CIAda" keep going back to the same paly book. They are no promoting this jewboy Pearlman up the fake ladder of command just the same way they created Osama Bin Laden out of whole cloth. Osama's mother was a Syrian sephardic jewess, which makes Osama a jew.

The same old song and dance.
