### Jewish Neocon Podhoretz Lobbies Bush to Bomb Iran for Israel

**Jewish 'war for Israel' Neoconservative Podhoretz Granted Secret Access To Lobby Bush On 'The Case For Bombing Iran'**

Read more about Podhoretz and Commentary (the Jewish publication that he writes for) via the 'Thinking about Neoconservatism' and 'Neoconservatism as a Jewish Movement' links near the top of the following URL:

Forwarded:

alas, to point out that the same people who beat the drums of war pre-Iraq invasion are now doing the same over Iran. Norman Podhoretz, in the June issue of Commentary, said, Please, Mr. President, as a Jew, I beg you bomb Iran." He now works for Giuliani's campaign. As does Daniel Pipes, who also advocates bombing. Jim Woolsey, Mike Ledeen, Richard Perle etc. (all associated with JINSA) are all back at the same stand, all favoring bombing, and reminding Bush of his pledge not to leave office with an Iranian nuclear capability in place. Sad so few people understand what's going on behind the world stage.
