71% of Israelis Want US to fight their War against Iran

Poll: 71% of Israelis want US to strike Iran if talks fail

By Aluf Benn, Haaretz Correspondent

Fully 71 percent of Israelis believe that the United States should launch a military attack on Iran if diplomatic efforts fail to halt Tehran's nuclear program, according to a new poll.

The survey, commissioned by Bar-Ilan University's BESA Center and the Anti-Defamation League, found that 59 percent of Israelis still believe the war in Iraq was justified, while 36 percent take the opposite view.

Some 65 percent believe that the United States is a loyal ally of Israel, with only 11 percent saying the opposite. A slightly higher proportion, 73 percent, described U.S. President George W. Bush as friendly. Forty-eight percent attributed U.S. support for Israel to strategic considerations, while 30 percent credited American Jewry and 17 percent cited shared values and a shared democratic tradition.

Hey, no problem, Israel, we'll get right to the messy task of fighting ANOTHER of your wars.

Yes, no problem. I mean, we don't have enough American flag draped coffins filled with our dead sons and daughters already coming home, now do we, Israel?

Yes, we'll gladly go forth and fight ANOTHER war so you can maintain dominance over the ME and hey, while we're busy bombing Iran back to the Stone Age and watching Iraq light up like a firecracker, you'll be able to speed up the genocide of the indigenous Palestinians.

So, Israel, old buddy, old pal, we have no problem always coming to your rescue because you don't have the slightest clue or inclination on how to behave like a good neighbor.

Pssst! Hey, to make this a "slam-dunk", why don't you send over some more of your MOSSAD agents--like you did on 9/11--and blow to hell and gone some American city?

Our friends in the American MSM are primed and ready to blame YOUR act of sabotage on the Iranians, and the American public will buy that line without asking any serious questions.

NEVER AGAIN!

NO MORE AMERICAN BLOOD FOR ISRAEL!!!

NEVER AGAIN.

71% of the Israelis think that the US should attack Iran (with no other basis than to follow up on a Zionist media lie about Iran developing nuclear weapons). A full 48% believe that the US is running Israel's errands for its own "strategic" reasons.

This appears to be pretty much a one way street of loyalty!

The prophet Isaiah knew his people all too well (the Khazarian Jews seem to have been very attentive students)

Isaiah Chapter 59, verses 1 - 8

Surely the arm of the LORD is not too short to save,
nor his ear too dull to hear.

But your iniquities have separated you from your God;
your sins have hidden his face from you, so that he will not hear.

For your hands are stained with blood,
your fingers with guilt.

Your lips have spoken lies,
and your tongue mutters wicked things.

No-one calls for justice;
no-one pleads his case with integrity,

They rely on empty arguments and speak lies;
they conceive trouble and give birth to evil.

They hatch the eggs of vipers and spin a spider's web.
Whoever eats their eggs will die,

and when one is broken, an adder is hatched.

Their cobwebs are useless for clothing;
they cannot cover themselves with what they make.

Their deeds are evil deeds,
and acts of violence are in their hands.

Their feet rush into sin;
they are swift to shed innocent blood.

Their thoughts are evil thoughts;
ruin and destruction mark their ways.

The way of peace they do not know;
there is no justice in their paths.

They have turned them into crooked roads;
no-one who walks in them will know peace.

US will never know peace if it accepts to let Israel drag it into war after war for Israel and this administration has even dared to speak about "constant war".

If the American people does not take its Republic back from the criminal Zionist cabal, which has hijacked it the next war will surely be the last.
