

The Mossad's fingerprints are all over 9-11

STRANGER THAN FICTION

AN INDEPENDENT INVESTIGATION OF 9-11 AND THE WAR ON TERRORISM

OPENING STATEMENT

Ladies and gentlemen of the jury, the ancient Greek philosopher Socrates taught his students that the pursuit of truth can only begin once they start to question and analyze every belief that they ever held dear. If a certain belief passes the tests of evidence, deduction, and logic, it should be kept. If it doesn't, the belief should not only be discarded, but the thinker must also then question why he was led to believe the erroneous information in the first place. Not surprisingly, this type of teaching didn't sit well with the ruling elite of Greece. Many political leaders throughout history have always sought to mislead the thinking of the masses. Socrates was tried for "subversion" and for "corrupting the youth". He was then forced to take his own life by drinking poison. It's never easy being an independent thinker! Today, our ruling government/media complex doesn't kill people for pursuing the truth about the world (at least not yet!) They simply label them as "extremists" or "paranoid", destroying careers and reputations in the process. For many, that's a fate even worse than drinking poison hemlock!

Every news story you are about to review in this comprehensive research paper is true and easily verifiable. This investigation represents 10 months of careful study, research, analysis, source verification and logical deduction. Every event and quote presented here is 100% accurate. There are over 190 detailed footnotes which I encourage, no, urge, readers to explore and verify for themselves. The Internet version of this paper will allow users to obtain instant verification for each and every footnote by clicking on the footnotes/links. Others can obtain easy verification by entering the key search words (provided at the end of the paper) into the Yahoo or Google.com search engines. Due to the fact that well organized efforts are under way to suppress these facts, some of these news links are mysteriously disappearing even as we speak. Fortunately, this information has all been transcribed by many web users and is has therefore been preserved from the censors. These footnote searches will take you directly to the news sites of many well known established media organizations throughout the world as well as opening up doors to a world of

knowledge and information that has been concealed from you. With just a little common sense and a few clicks of a mouse, Google and Yahoo now enable anyone with an ounce of curiosity to become a Sherlock Holmes.

This is no opinion piece. Rather it is a collection of buried, but undeniable facts, events, and quotes which, when assembled in one place, will state their own conclusions. In putting together this research in a logical and sequential format, great care was taken to confirm and double confirm every piece of information. Any and all questionable data which could not be independently verified to this author's satisfaction was discarded.

Taken individually, each story, quote and event may not amount to a full case. But when taken collectively, this mountain of facts should hammer home the truth to even the most skeptical reader. There are of course those who have fallen under the hypnotic spell of the TV talking-heads and "experts" whom they worship as authority figures. Unaccustomed to thinking for themselves, no amount of truth can sway them from their preconceived prejudices. They will even deny that which they see with their own eyes. They are victims of a psychological affliction known as "the lemming effect". Lemmings are small rodents who have been known to follow each other as they charge to their deaths into raging rivers or off of cliffs.

Lemminghood is an innate psychological phenomenon, present in most mammals and observable in common people as well the most sophisticated and educated elites. Lemminghood is not an intellectual phenomenon - it is psychological. As such, no socio-economic class is immune to its strangulating effect. A grant-seeking university scientist can be a lemming just as much as a fashion obsessed teen-age girl. One blindly follows the latest trendy theory while the other blindly follows the latest trendy clothing style. What's the difference? Neither can resist the force of nature.

The power to fit in with one's social peers can be irresistible. To a human lemming, the logic behind an opinion doesn't count as much as the power and popularity behind an opinion. Man, like lemming, behaves collectively. And it could be no other way. Naturally, the individual must be equipped with this trait. Otherwise, the smallest steps toward civilization could never have been made. Lemminghood is a survival trait, an inborn instinct in the majority of people. However, as with all natural phenomena, this tendency can be manipulated and used for harmful purposes.

It is this lemming effect which enables entire segments of a society to lose their sense of judgment all at the same time. This research paper will likely be wasted on many lemmings. For lemmings, denial is a basic psychological defense mechanism used to not only shield themselves from unpleasant realities, but also to reassure themselves that they will still fit within the acceptable range of opinion held by their peer group. Lemmings are absolutely terrified at the thought of being labeled as an "extremist" or a "conspiracy theorist". At all costs, their beliefs must always be on the "right" side of the issue and conform within the boundaries of their lemming peers. Lemmings simply cannot bear the burden of responsibility, or the discomfort,

which comes with thinking independently. They'll resist any efforts to change their misguided beliefs with all their mental energy. We can try to open their closed minds and free them from their self-imposed blindness, but it's not easy fighting the force of human nature. The chains of ideological conformity have too strong of a grip, and breaking them is a difficult task. With the limited resources at our disposal, it is next to impossible to compete with the media lemming-masters. Nevertheless, some of us must make the meager attempt, and thus lay the foundation upon which the truth might one day rise again.

There are those among us who do have the courage and intellectual capacity to break free of the shackles of lemminghood and accept the truth when it is presented in a clear and logical sequence. To those open minded and independent thinkers I wish to state clearly and unequivocally. I intend to set forth in this paper an overwhelming body of evidence which should forever destroy the notion that a Saudi Arabian caveman and his band of half-trained, nerdy Arab flight school attendees, orchestrated the most sophisticated terror operation in world history. The idea is utterly laughable. And yet, due to the blithering barrage of bullshit dished out by the government/media complex, "patriotic" Americans have accepted this ridiculous fairy tale with a religious conviction. As a public service to my fellow Americans, I have published the results of my research in the hopes of liberating as many people as I can from the oppressive yoke of media brainwashing and state sponsored lies. Do you have what it takes to break free? If so, read on!

THE DANCING ISRAELIS

Like most Americans, I was gripped by senses of profound shock, horror, revulsion, sadness, and rage as I watched the horror of September 11, 2001 unfolding live on my television screen. Watching the mass murder of thousands of innocent people live on television was the most upsetting experience of my life. How could any person of sound moral character not be enraged at witnessing this horrific act of barbarism? To read about some faraway, long-ago genocide in a newspaper or a book is distressing enough. But to actually witness the mass murders of what was, at first, believed to have been tens of thousands of innocent people is truly heart stopping and traumatic. I barely slept for two nights afterwards and suffered nightmares. Polling data would later reveal that 65% of Americans actually shed tears on 9-11.1

But not all of the eye-witnesses to the 9-11 slaughter were so saddened. On September 11, five Israeli army veterans were arrested by the FBI after several witnesses saw them "dancing", "high-fiving", and "celebrating" as they took pictures of the World Trade Center disaster from across the river in New Jersey. Steven Gordon was the lawyer who volunteered to represent the five Israelis. He was asked

by a Hebrew newspaper why the five men were being detained by the FBI. Here's what Gordon told Yediot America:

"On the day of the disaster, three of the five boys went up on the roof of the building where the company office is located," said Gordon. "I'm not sure if they saw the twin towers collapse, but, in any event, they photographed the ruins right afterwards. One of the neighbors who saw them called the police and claimed they were posing, dancing and laughing, against the background of the burning towers...."

"Anyhow, the three left the roof, took an Urban truck, and drove to a parking lot, located about a five-minute drive from the offices. They parked, stood on the roof of the truck to get a better view of the destroyed towers and took photographs. A woman who was in the building above the lot testified that she saw them smiling and exchanging high-fives. She and another neighbor called the police and reported on Middle-Eastern looking people dancing on the truck. They copied and reported the license plates. 2

When the photos were developed, they revealed that the dancing Israelis were smiling in the foreground of the New York massacre. 3 According to ABC's 20/20 attempted whitewash of the incident, in addition to their outrageous and highly suspicious behavior, the five also had in their possession the following items; box-cutters, European passports, and \$4700 cash hidden in a sock. 4 Why were these Israeli agents so happy about the horrible massacre that was unfolding right before their very eyes? What evil spirit could possess people who are supposed to be America's "allies", and who receive billions of dollars in financial and military aid from US taxpayers each year, to publicly rejoice as innocent people (including many American jews) were burning to death and jumping out of 110 story buildings? Could it be that these happy Israeli army veterans were in some way linked to this monstrous attack? That's what officials close to the investigation initially told The Bergen Record newspaper of New Jersey. 5

As incredible, as ridiculous, and as "paranoid" as that belief may appear to you at this point, the fact is that certain elements within the Israeli government, and Zionist movement in general, have a long history of attacking the USA and framing Arabs in order to gain support from the US. Before we begin to piece together what really transpired on 9-11, it is absolutely critical that we first review some historical precedents regarding Israel's and International Zionism's treacherous history of manipulating America (and other nations) for their own selfish purposes. Without a basic understanding of this history, it would be impossible to understand the truth as it is today. So put aside your preconceived notions, your psychological defense mechanisms, and your prejudices, and step into my time machine for a journey down the memory hole.

ZIONISM AND WORLD WAR I

In the latter part of the 1800's, there arose in Europe a political movement known as "Zionism". Zionism in particular referred to the effort among certain Jews to establish a Jewish nation in the land of Palestine. Today, the term Zionism is more commonly applied to those Jews who want to expand the borders of what was already established, at the expense of the Palestinians who once owned the land. In a more general sense, the term "Zionist" is also used to describe a certain element within the Jewish community (not all of them!), who believe in Jewish Supremacy, thus putting their own interests ahead of those of the nation in which they reside. It is a mistake to assume that all Jews are supporters of the "Zionist Mafia" or Jewish Supremacy. In fact, some of the strongest condemnations of Zionism and Jewish Supremacy comes from Jews themselves! There exists an enormous collection of hard-hitting anti-Zionist writings compiled by such notable Jewish authors, historians, and journalists as John Sack, 6 Alfred Lilienthal, 7 Noam Chomsky, 8 Israel Shahak, 9, Benjamin Freedman, 10 and Victor Ostrovsky 11 just to name a few. There is even a Jewish religious group called "Neturei Karta, Jews United Against Zionism." 12 For their brave efforts, these men have had to tolerate vicious abuse from Zionist smear groups like the Anti Defamation League (ADL) - an organization which actually specializes in defamation!. So let us put to rest now and forever the slanderous lie, and strategic Zionist propaganda ploy, that labels anyone who dares to call attention to the dangers of the Zionist Mafia is an "anti-semiter", a "hatemonger", or a "skin-head".

Now the Zionists of the late 1800's faced one small problem with their bold takeover scheme of Arab Palestine. Palestine was under the sovereignty of the Ottoman Turkish Empire and the Arabs certainly weren't about to just give away prime real estate in Palestine to the Zionists of Europe. There were very few Jews even living in Palestine and the Jews had not controlled Palestine since the days of the Roman Empire. This destroys the commonly believed myth that the Arabs and the Jews "have been fighting over that land for centuries". The handful of Arab Jews who lived in Palestine got along well with their Muslim hosts and never expressed any desire whatsoever to overthrow the Ottoman rulers and set up a nation called Israel. The movement to strip Palestine away from the Ottoman Empire came strictly from European Zionists who had become very influential within several European nations.

As fate (or perhaps design) would have it, a great opportunity would soon present itself to the Zionist Mafia. There came in 1914 "The Great War" pitting the three powers of Germany, Austria-Hungary, and the Ottoman Turkish Empire against the three powers of England, France, and Russia. In the interests of staying on the subject of 9-11 and today's "War on Terrorism", we won't get into all of the underlying causes or the historical flow of World War I. What we need to understand is that the Zionists played an important role in dragging the USA into that bloody European war - a war in which the US had no vital interests at stake whatsoever.

Here was the situation. By 1916, the Germans, Austrians, and Ottoman Turks had seemingly won the war. Russia was in turmoil and about to be swallowed up by communist revolution. France had suffered horrible losses, and Britain was under a German U-boat blockade. Germany made an offer to Britain to end the war under conditions favorable to Britain. But the British, and the international Zionists, had one more card to play!

The British government and the Zionist leaders struck a dirty deal. The Zionists were led by Chaim Weizmann, the man who one day became the first President of the State of Israel. The idea was for the Zionists to use their influence to drag the mighty USA into the war on Britain's side, so that Germany and its Ottoman allies could be crushed. In exchange for helping to bring the USA into the war, the British would reward the Zionists by taking over Palestine from the conquered Ottomans after the war was over. The British had originally wanted to give the Zionists a Jewish homeland in an African territory. But the Zionists were fixated on claiming Palestine as their land. Once under British control, the Jews of Europe would be allowed to immigrate to Palestine in great numbers.

Zionist powerbrokers such as Bernard Baruch, Louis Brandeis, Paul Warburg, Jacob Schiff, and many others immediately went to work to put the screws to President Woodrow Wilson. The Zionist-influenced press, quickly transformed the German Kaiser and his people into bloodthirsty "Huns", determined to destroy civilization. In 1916, the US, with the help of the Lusitania "incident", entered the war on Britain's side under the ridiculous pretext of "making the world safe for democracy".

Meanwhile in Germany - where Zionists also wielded tremendous influence in the press and industry - enthusiasm for the war was suddenly watered down by Zionist-run newspapers. Wartime labor-strikes in German weapons factories were organized by Zionist and Marxist union leaders. With the German branch of the International Zionist Mafia undermining Germany from within, and the English and American branches of the Zionist mafia pushing America to join the war, it wasn't long before the German, Austrian, and Ottoman Empires were defeated and their maps rewritten by the victorious powers at the infamous Treaty of Versailles in 1918. In addition to the numerous Zionist bankers who were influencing Versailles, the Zionists also had their own delegation which was headed by Chaim Weizmann.

Great Britain issued the Balfour Declaration in November 1917, the same month that Germany surrendered. But it had actually been prepared 20 months earlier in March 1916 with Weizmann's influence. The Declaration allowed mass Jewish immigration to conquered Palestine while promising to preserve Arab rights. The Arabs living in Palestine weren't buying these promises. They protested, but there was nothing that they could do to stop the coming wave of Jewish immigration. This was the first step in creating what was to later become the state of Israel 20 years later.

Years after the war, an American Zionist millionaire named Benjamin Freedman broke ranks with his fellow Zionists and turned against them. Freedman was the principal owner of the Woodbury Soap Company and was one of the many Zionists present at the Treaty of Versailles. Freedman was very well connected and had enjoyed access to several US presidents. Freedman grew disgusted with the criminal behavior of the Zionist mafia and dedicated much of his life and fortune to exposing the truth about both World Wars and the Zionist grip on America. According to Freedman, Wilson had been blackmailed by Zionists with the threat of a public disclosure of an old extramarital affair Wilson had when he was president of Princeton University. 14 Freedman's voluminous (and buried) writings and books on this subject are essential reading. One leader of the Jewish Anti Defamation League - Arnold Forster- once described Freedman as a "self-hating Jew." 15

We may debate as to exactly what extent this Zionist-British dirty deal was responsible for dragging the sons of America off to die in a European bloodbath. Some, such as Freedman, believe it was the only reason that the US entered the war. Others, such as this writer, believe it was a primary contributing factor. But let us at this point agree on this one irrefutable point: the Zionists had no aversion to seeing Americans die for their own selfish interests. Even the Encyclopedia Britannica and Microsoft Encarta Encyclopedia (look under "Balfour Declaration") confirm this little known fact of World War I. Here's the excerpt from Microsoft Encarta:

THE BALFOUR DECLARATION. The Balfour Declaration was a letter prepared in March 1916 and issued in November 1917, during World War I, by the British statesman Arthur James Balfour, then foreign secretary.... Specifically, the letter expressed the British government's approval of Zionism with "the establishment in Palestine of a national home for the Jewish people." The letter committed the British government to making the "best endeavors to facilitate the achievement of this object, it being clearly understood that nothing shall be done to prejudice the rights of existing non-Jewish communities in Palestine." The immediate purpose was to win for the Allied cause in World War I the support of Jews in the warring nations and in the United States. As a result of the Balfour Declaration, Israel was established as an independent state in 1948 in the mandated area. 16 It's also worth mentioning at this point that when the British dismantled the Ottoman Empire after World War I, they created many smaller nations. The oil rich, puppet kingdom of Kuwait was formed by slicing off the southern coastal tip of what we now know as the nation of Iraq. As a result of this arbitrary redrawing of the Ottoman map, a bitter conflict was created between Iraq and Kuwait. Iraq has always considered Kuwait as its true southern province. This is what ultimately led to Iraq's invasion of Kuwait in 1991 and the Gulf War.

ZIONISM AND WORLD WAR II

Let us fast forward our time machine to the early 1930's. Again, there is no need for a detailed analysis and debate of the causes and major events of World War II. The purpose here is to again illustrate yet another case of selfish Zionist agitation for American entry into a war.

The German people were bitterly resentful of not only the Zionist role in bringing about their defeat in World War I, but also over the brutal monetary reparations which had been imposed upon them by certain Zionist bankers who helped craft the brutal Treaty of Versailles after the war. Stripped of formerly German territory, and with the German economy in ruins, the people of Germany elected Adolf Hitler as their Chancellor leader. Hitler and the Nazi party soon seized control of the German media, banks, and universities away from the influential Zionists who reigned supreme in those institutions.

Almost immediately, Zionists all over the world began to agitate for action against Germany. Boycotts of German imports were imposed and calls for the UK and USA to take immediate action against Germany began to emanate from Zionist circles. On March 24, 1933, The Daily Express of England carried the bold headline; "Judea Declares War on Germany. Jews of All the World Unite in Action." 17 The front page story revealed that the Zionists had announced a concerted worldwide effort to isolate Germany and turn other nations against her.

The following year, Zionist political leader Vladimir Jabotinsky wrote:

"The fight against Germany has now been waged for months by every Jewish community, on every continent...We shall start a spiritual and material war of the world against Germany. Our Jewish interests call for the complete destruction of Germany." 18

A few years later, Lord Beaverbrook, a British newspaper magnate issued this warning about the Zionist influence over the British press. Beaverbrook warned:

"There are 20,000 German Jews who have come here to England. They all work against an agreement with Germany. The Jews have got a big position in the press here. Their political influence is driving us into the direction of war." 19

In 1939, Germany and Poland went to war over disputed territory that was taken away from Germany by the Versailles Treaty of 1918. Under the phony pretext of protecting Poland, Great Britain and France immediately declared war on Germany. Beaverbrook's prediction was realized.

In the United States, the Zionist Mafia again went to work on a US president. The names of the players had changed but the game was still the same. It was Franklin Delano Roosevelt's turn to deliver the US into another European war. Patriotic Americans such as famed aviator Charles Lindbergh saw this and tried to warn the American people that Zionist media influence was intending to drive us into another World War. Said Lindbergh:

"I am not attacking the Jewish people. But I am saying that the leaders of both the British and the Jewish races, for reasons which are as understandable from their viewpoint as they are inadvisable from ours, for reasons which are not American, wish to involve us in the war." 20

Because of strong public anti-war sentiment, FDR and his Zionist allies had a hard time dragging the US into the European war. Then another "incident" came along at Pearl Harbor in 1941. Japan and Germany were bound to a mutual defense agreement, which meant that war with Japan would automatically mean war with Germany. FDR embargoed Japan's oil supply in the hopes of forcing Japan to attack Pearl Harbor. Overwhelming evidence from government documents clearly shows that FDR had advance knowledge of the Japanese attack and allowed it to happen so that he could drag the US into World War II. 21

As was the case in WW I, US entry the war meant another defeat of Germany. Hours before committing suicide on April 30, 1945, Adolf Hitler dictated his last will and political testament. In it he placed responsibility for WW II on the Zionist Mafia - or, as he called it - "International Jewry and its henchmen". It's no surprise that Hitler would make such a claim. However, his final accusation of the Zionists does parallel the statements made by Jabotinsky, Lindbergh, Beaverbrook, Joe Kennedy, and many others. In the final writing of his life, Hitler wrote:

"It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish Origin or working for Jewish interests... Nor had I ever wished that after the appalling first World War, there would ever be a second against either England or America." 22

Regardless of your view of World War II and whether or not the USA belonged in the fight, the essential point which cannot be refuted is again this: years before World War II had even started, the Zionists had yet again demonstrated that they had no aversion to sending Americans to die for their own interests.

GREAT BRITAIN'S TURN TO BE BETRAYED

A few years after the end of World War II, the Zionist plan to establish the nation of Israel in Palestine was finally realized. But not before the British protectors of Palestine were chased out by acts of terror carried out by ungrateful Zionist terrorists. It was the British who had taken Palestine away from Arab control and allowed the Jews of Europe to immigrate there. But with Great Britain weakened and in debt from the war, the ungrateful Zionists saw their opportunity to chase the British out of Palestine by committing acts of terrorism against them. The most notorious of the Zionist terror groups was the Irgun, whose leader Menachem Begin

would one day go on to become Prime Minister of Israel!

On the morning of July 22, 1946, of 15-20 Irgun terrorists dressed as Arabs entered the King David Hotel in Jerusalem. They unloaded 225 kilograms of explosives hidden in milk churns. 23 The King David Hotel housed the Secretariat of the Government of Palestine and Headquarters of the British Forces in Palestine. When a British officer became suspicious, a shootout took place and the Irgun lit the fuses and fled. The explosion destroyed part of the hotel and killed 91 people. Most of the victims were British but 15 innocent Jews also died, proving that radical Zionists are capable of even killing fellow Jews in order to advance their cause.

The Irgun terror gang also targeted Arab civilians in order to frighten them into evacuating their land. The most well known of these massacres happened at the village of Deir Yassin on the morning of April 9, 1948. More than 100 Arabs, including women and children were systematically slaughtered by Menachem Begin's murderous gang. 24 The Israelis took over whatever villages the terrorized Arabs fled from.

By 1948, the British had had enough of Palestine. Under intense Zionist lobbying, the UN, the UK and the US recognized the nation of Israel in 1948. One of the first acts of the new Israeli government was to pass "the law of return", which gives any Jew in the world the right to move to Israel and become a citizen. Understandably, the Arab nations weren't too pleased about this. There would be a several wars that followed. But the Israelis and their free arsenal of America's finest weapons kept the Arabs from reclaiming their land. The Arabs have never been a match for the US supplied Israeli war machine. The irony of "the law of return" is that many of today's Jews have no direct ancestral link to the Jews of the Old Testament. Many, perhaps even most Jewish people are descended from the Khazars, a people whose rulers converted to Judaism sometime during the 800's AD. 25 The Khazars never even set foot in Palestine!

The brutal and criminal circumstances surrounding the creation of Israel are now a half century in the past. Even most Arabs understand that Israel isn't going to go away. But by reviewing this real history, we can better understand the deceptive, dangerous, and brutal nature of Zionism today.

**LEFT: TERRORIST TURNED PRIME MINISTER MENACHEM BEGIN.
RIGHT: RUINS OF KING DAVID HOTEL.**

AMERICA BECOMES THE ZIONIST'S WHORE

We have reviewed how the Zionists used and discarded Germany. Then they used and discarded Great Britain. After World War II, it was clear that the chief remaining global power was the United States. Now the USA had never had any problem with the Arab people, and had no reason to quarrel with the Arabs. For the

Zionists to maintain and expand the support they were receiving from America, it would benefit them greatly if the Arabs and the mighty US could somehow become enemies. Could the Zionists possibly stoop so low? Why not? Look at what they had already pulled off! Remember that the official motto of the Mossad (Israeli's intelligence organization) is "by way of deception thou shalt do war." 26

In 1955, one of these "false flag" operations was publicly exposed for the world to see. Israeli agents, impersonating Arab terrorists, were caught staging a series of bombings against American installations in Egypt. 27 When this conspiracy was exposed, it ultimately created such a controversy that it brought down the Israeli government. The long since forgotten scandal became known as "the Lavon Affair".

Then again during a 1967 war with the Arabs, Israeli gunboats and fighter jets deliberately attacked the USS Liberty, an unarmed US communications ship. 28 Thirty five American sailors were murdered and 170 others injured in a prolonged Israeli onslaught - carried out in broad daylight and with the U.S. flag flying prominently. The intent was to kill all of the Americans and then leave the Egyptians to take the blame. Israel denied that the attack was deliberate but the chilling stories of the lucky American survivors clearly contradicts that lie. To this very day, the U.S. Congress has never investigated the USS Liberty massacre.

In 1989, the Israelis once again succeeded in framing enemy Arabs in order to enrage America. Former Mossad case officer Victor Ostrovsky became so disgusted with the criminal behavior of his own government that he defected from the Mossad and tried to warn America of just how evil and dangerous they were. Ostrovsky revealed exactly how the Israelis framed Libya for the bombing of a German night club which killed American servicemen. 29 It was this frame up job that caused President Reagan to bomb Libya, killing the 4 year old daughter of Libyan leader Muammar Qaddafi. France refused to allow US bombers to fly over their air space and bomb Libya because French intelligence knew that Libya was unjustly framed by the Israelis. Among some of Ostrovsky's other amazing revelations are: that the Mossad often uses Arab agents to carry out missions, that Israeli agents are skilled at impersonating Arabs, that Mossad had a plan to turn American public opinion against Iraq, and that wealthy Zionists in America are often called upon to help carry out Mossad missions. Ostrovsky, whose tell all book, *By Way of Deception*, infuriated the Mossad and made him the target of numerous death threats. 30

In 2001, the Washington Times ran a story about a 68 page research paper issued by the Army School of Advanced Military Studies (SAMS). The research was compiled by 60 US Army officers as an attempt to predict the possible outcomes of deploying a US force to maintain peace between the Israel and Palestinians. Here's what SAMS had to say about the Israeli military machine:

"a 500 pound gorilla in Israel. Well armed and trained. Operates in both Gaza and the West Bank. Known to disregard international law to accomplish mission" 31

Of Israel's Mossad, the officers issued this warning:

"Wildcard. Ruthless and cunning. Has capability to target US forces and make it look like a Palestinian Arab act." 32 (emphasis added)

Why does the US, which is trillions of dollars in debt, gives away billions of taxpayer dollars to a foreign government whose military violates international laws and whose Mossad is capable of murdering US troops in order to frame Arabs? Have we lost our minds?

ZIONIST POWER STRUCTURE IN AMERICA

Now that we have established the ruthless and criminal nature of radical Zionism, one more lesson needs to be understood before we return to the five dancing Israelis of 9-11 and other related stories. Even the Zionists themselves have never denied that they have long exerted great influence in America. But what we must understand is that the Zionists do not merely influence United States policy....they dominate it! It is this domination that enables them to pull off monstrous crimes and then conceal them from the general public.

The observation that Zionists dominate the American media, government, academia, and Hollywood has been made by many prominent Americans and is easily verifiable by public information.

Henry Ford said this:

"If after having elected their man or group, obedience is not rendered to the Jewish control, then you speedily hear of "scandals" and "investigations" and "impeachments" for the removal of the disobedient. Usually a man with a "past" proves the most obedient instrument, but even a good man can often be tangled up in campaign practices that compromise him. It has been commonly known that Jewish manipulation of American election campaigns have been so skillfully handled, that no matter which candidate was elected, there was ready made a sufficient amount of evidence to discredit him in case his Jewish masters needed to discredit him." 33

Charles Lindbergh said this:

"Their greatest danger to this country lies in the Jewish ownership and influence in our motion pictures, our press, our radio, and our government." 34

Admiral Thomas Moorer, Chairman of the US Joint Chiefs of Staff under Ronald Reagan said this:

"I've never seen a President -- I don't care who he is -- stand up to them [the Israelis]. It just boggles the mind. They always get what they want. The Israelis know what is going on all the time. If the American people understood what a grip those people have got on our government, they would rise up in arms. Our citizens certainly don't have any idea what goes on." 35

While a guest on ABC's Face the Nation, William Fulbright - US Senator and Chairman of the US Foreign Relations committee - said this before a national television audience:

"Israel controls the United States Senate. We should be more concerned about the United States' interests." 36

Nationally syndicated columnist and former presidential candidate Patrick Buchanan said:

"The United States Congress is Israeli occupied territory." 37

And US religious leader Billy Graham and President Richard Nixon once had the following exchange, which was caught on tape:

GRAHAM: "The Jewish stranglehold on the media has got to be broken or this country's going down the drain".

NIXON: "You believe that?"

GRAHAM: "Yes, sir."

NIXON: "Oh boy. So do I. I can't ever say that but I do believe it" 38

But enough of quoting others. Let's look at the facts of Zionist control.

FACT: ABC, NBC, CBS, CNN, UPN, The Washington Post, The New York Times, The Wall Street Journal, The New York Daily News, Time Magazine, Newsweek, People Magazine, US News and World Report and countless other media and Hollywood companies all have either a Zionist CEO, a Zionist News Chief, or are owned by a media conglomerate which has a Zionist CEO. 39 Have you ever noticed how Hollywood movies always seem to portray Germans and Arabs as a bigoted fanatics or as terrorists? Now you know why!

FACT: AIPAC, the Israeli lobbying organization, is the most feared lobby in Washington DC. By their own admission, they are capable of unseating Congressmen and Senators that do not carry out their requests. The majority of Congressmen from both political parties receive large donations from AIPAC. Writing for the Nation Magazine, journalist Michael Massing explains:

"AIPAC is widely regarded as the most powerful foreign-policy lobby in Washington. Its 60,000 members shower millions of dollars on hundreds of members of Congress on both sides of the aisle." Newspapers like the New York Times fear the Jewish lobby organizations as well. "It's very intimidating," said a

correspondent at another large daily. "The pressure from these groups is relentless."
40 (emphasis added)

FACT: The Pentagon is under the control of a hard core Zionist named Richard Perle. The civilian Defense Policy Board actually wields more control over the military establishment than the Defense Secretary or the generals and admirals. There are a number of other Zionists who serve on the board (Kissinger, Cohen, Schlessinger) as well as non-jewish members who have always supported Israel and the expansion of the "War on Terror". The notoriously belligerent Perle, nicknamed the "The Prince of Darkness", is Chairman of the Board. 41

With Perle as Chairman of the Defense Policy Board, Zionist Paul Wolfowitz as Undersecretary of Defense, and Zionist award winner Douglass Feith as Undersecretary of Defense Policy, the Zionist Pentagon gang controls 3 of the top 4 civilian leadership positions of America's armed forces. Careerist scoundrels like Condoleeza Rice and Donald Rumsfeld are either under their influence or unwilling to oppose their drive for WW III. The Perle-Wolfowitz-Feith gang represent a fanatical and warmongering "government-within-a-government". In league with these Zionist Pentagon conspirators are jewish Zionist and potential 2004 Presidential candidate, Senator Joseph Lieberman (D-CT) and his Gentile partner in crime Senator John McCain (R-AZ).

An Israeli journalist named Ari Shavit, lamenting the harsh treatments that his government dishes out to the Palestinians, made the following observation in Ha'aretz, a leading Israeli journal:

" We believe with absolute certitude that now, with the White House and Senate in our hands along with the Pentagon and the New York Times, the lives [of Arabs] do not count as much as our own. Their blood does not count as much as our blood. We believe with absolute certitude that now, when we have AIPAC [the Israel lobby] and [Edgar] Bronfman and the Anti-Defamation League, , we truly have the right to tell 400,000 people that in eight hours they must flee from their homes. And that we have the right to rain bombs on their villages and towns and populated areas. That we have the right to kill without any guilt." 42 (emphasis added)

And this only scratches the surface of Zionist power! With such awesome power to control and cover up events, is it any wonder why so many of America's journalists and politicians are afraid to even talk about this issue? Is it any wonder why former President Bill Clinton would grovel before a jewish audience and say something as ridiculous as the following statement:

"The Israelis know that if the Iraqi or the Iranian army came across the Jordan River, I would personally grab a rifle, get in a ditch, and fight and die." 43

I could go on and on at much greater length about this subject, but I want to get back to the dancing Israelis. Have I made my point yet?

LEFT TO RIGHT: PERLE, WOLFOWITZ, FEITH BILL CLINTON
THE PENTAGON'S ZIONIST WARMONGERS "I'D DIE FOR ISRAEL"

THE BUTCHER SHARON

I know. I know. You want to return to the scene of the dancing Israelis on 9-11. But there is one more quick lesson that needs to be covered before we climb back into the time machine and fast-forward back to 9-11. If we don't cover this, you won't be able to fully understand the "big picture".

During the 1967 war, Israel occupied the Palestinian territories of the West Bank and Gaza. Thirty five years have passed since that war ended, yet the Israeli army continues the humiliating occupation of those Palestinian areas. Those areas are not part of the nation of Israel that was created in 1948 by the UN. What the Palestinian people are resisting today is not the 1948 confiscation of their land. They simply want the 1967 occupation to end. It is this ongoing occupation, not the 1948 creation of Israel, which fuels the conflict today. Prior to the current outbreak of hostilities, the majority of the Israeli people also supported the end of Israel's occupation and oppression of these territories. They elected Yitzak Rabin as Prime Minister and Rabin made more strides towards achieving peace than any of his predecessors. The 1990's were a quiet years in Israel. Palestinian leader Yasser Arafat and Prime Minister Rabin appeared to have finally reached a peace deal the US acting as the mediator.

This did not sit well with the hard core Zionists who ultimately hope to expand Israel's borders even more. Hopes for a lasting peace deal were soon dealt a major setback when a flurry of five bullets were pumped into Prime Minister Rabin at close range as he was attending a 1995 Israeli peace rally. It was not an Arab that killed Rabin. It was a Zionist fanatic named Yigal Amir. Amir was a law student at Israel's Bar-Ilan University. He later told investigators that he had no regrets for his actions. 44 Amir, a bright young law student was willing to throw his life away in the service of the Zionist cause. (More on that concept later on.)

At the head of the Israeli government today sits a brutal man who has been a guest of honor at George Bush's White House on a regular basis since he took office in October 2000. His name is Ariel Sharon. His fanatical Zionist supporters in Israel refer to him as "Arik King", but the Arabs know him as a lifelong butcher, terrorist, and war criminal. There was a time when Sharon was disgraced and his political career seemed to be over. The isolation of Ariel Sharon was the result a 1982 Palestinian massacre which Sharon engineered when he was Israel's Defense minister. It was the Israelis themselves who forced Sharon to resign.

Sharon's troops blocked the exits from the Sabra and Shattila refugee camps while a Lebanese militia, allied with the Israeli military, went into the camps and slaughtered more than 1,500 unarmed Palestinian civilians while raping many women. 45 Though these Lebanese militias were the ones who did the actual killing,

it was Ariel Sharon who controlled the militias and it was Sharon's soldiers who stood by and blocked the camp exits, deliberately allowing the slaughter to take place.

A survivor of the attack who had been raped and shot went to Belgium and initiated a war crimes case against Sharon. Several Lebanese militia leaders were summoned to testify against Sharon. Shortly before their testimony, three of them were suddenly killed by unknown gunmen and car bombs. Israel's Mossad of course denied any responsibility for the strange and untimely deaths of these three witnesses against Sharon. 46 And if you believe that one, I'll sell you the World Trade Center!

After nearly 20 years of political exile, Sharon made his comeback in October 2000. Knowing full well how much the Palestinians hated him for his role in the 1982 massacres, Sharon and a small army of Israeli soldiers showed up at the Temple Mount 47 - a site held sacred by both Muslims and Jews. This was a deliberate provocation. When the Muslims protested the Sharon provocation, the Israeli troops cracked down. Rocks were thrown and shots were fired. In just a matter of minutes, years of peace and the Israeli-Arab peace effort had been destroyed by Mr. Sharon's bullying antics. When the fighting broke out, a frightened and propagandized Israeli population soon turned to a strong man for their protection - the very man who had deliberately instigated the violence in the first place. Ariel Sharon was elected Prime Minister.

True to form, Sharon has brutalized the Palestinian civilian population under the pretext of "self-defense". Armed and funded by Israel's wholly owned US Congress, the Israeli war machine can bulldoze Arab homes at will. The only weapon that the outgunned Palestinians can retaliate with is the "suicide bomber". With every suicide bombing, Sharon is able to "justify" even more attacks and occupy more land. The Zionist game plan is to ultimately drive the Palestinians out of the West Bank and Gaza, just like the Irgun massacres had driven the Arabs out of Deir Yassin. Standing in the way of such a bold Zionist scheme were three major obstacles:

1. the force of world opinion. Prior to 9-11, the Palestinian struggle against Israeli occupation had gained the sympathy of many people around the world.
2. the force of Israeli domestic opinion (most Israelis wanted peace and were opposed to the 35 year occupation of Palestinian territories).
3. Saddam Hussein's Iraq, which had always been a champion of the cause of Palestinian self determination.

How useful it would be for the Zionists if some "incident" were to happen which would turn American and world opinion against the Palestinians and ultimately drag the US into a war against Israel's Arab enemies. Now you know why those Israelis were celebrating on 9-11!

ARIEL SHARON AND SOME OF HIS PALESTINIAN VICTIMS

ADVANCE WARNINGS

The days and hours leading up to 9-11 were marked by a series of chilling warnings about impending terrorist plots involving hijacked commercial airplanes. It's worth mentioning at this point that months before 9-11, the US had already informed some of its allies of plans to go to war in Afghanistan. On June 26, 2001, News Insight/India Reacts, an Indian public affairs magazine, wrote:

"India and Iran will "facilitate" US and Russian plans for "limited military action" against the Taliban if the contemplated tough new economic sanctions don't bend Afghanistan's fundamentalist regime. Indian officials say that India and Iran will only play the role of "facilitator" while the US and Russia will combat the Taliban from the front with the help of two Central Asian countries, Tajikistan and Uzbekistan, to push Taliban lines back to the 1998 position 50 km away from Mazar-e-Sharief city in northern Afghanistan. Military action will be the last option though it now seems scarcely avoidable with the UN banned from Taliban-controlled areas" 48

The story of US military involvement in Afghanistan was reported months before 9-11 in Indian⁴⁹ and British⁵⁰ publications but it was never reported in the US media. With the military plans already in motion since at least June of 2001, all that was needed was for an "incident" to take place to justify the US going to "war against Terrorism" in Afghanistan.

Here are just a few of the advance warnings which were brought to light in the aftermath of 9-11:

The London Daily Telegraph reported on September 16, 2001:

"The Telegraph has learned that two senior experts with Mossad, the Israeli military intelligence service, were sent to Washington in August to alert the FBI and CIA to the existence of a cell of as many as 200 terrorists said to be preparing a big operation. They had no specific information about what was being planned but linked the plot to Osama Bin Laden and told American officials that there were strong grounds for suspecting Iraqi involvement." 51

Do you smell a "false flag" operation in the works? How is possible that the Mossad knew of the existence of these 200 terrorists but could not name or locate a single one? And how convenient for Israel that Saddam Hussein should be in cahoots with Osama Bin Laden, despite the fact that Bin Laden and Hussein hate each other!

The Franfurter Allgemeine Zeitung, (FAZ) one of Germany's most respected newspapers, quoted German intelligence sources who said that the Echelon electronic spy network gave US and Israeli intelligence agencies several warnings

that suicidal hijack attacks were being planned against US targets. 52 Echelon is capable of monitoring all of the electronic communication in the world. Utilizing 120 satellites, the Echelon system is designed to suck up enormous amounts of data by using keyword search techniques to sift through the data. 53

The San Francisco Chronicle reported on September 12 that San Francisco Mayor and former California Assembly Speaker Willie Brown was advised eight hours before the attacks that he should be careful about flying on 9-11. 54

In its September 24, 2001 issue, Newsweek Magazine broke this startling revelation:

"Three weeks ago there was another warning that a terrorist strike might be imminent... On September 10, Newsweek has learned, a group of top Pentagon officials suddenly cancelled travel plans for the next morning, apparently because of security concerns." 55 (emphasis added)

Wow! Could these unnamed "top Pentagon officials" have been some of the Zionist directors of the Defense Policy Board which we talked about earlier? If these Pentagon officials were scared enough not to fly, then why didn't the Pentagon place the Air Force on full alert? How could they have been so slow to react to 9-11 when they already knew there was a threat?

On September 27, The Washington Post reported that two workers of the Israeli company Odigo (with offices also in New York) received instant message warnings just two hours before the attacks. Here's an excerpt from the Washington Post:

"Officials at instant-messaging firm Odigo confirmed today that two employees received text messages warning of an attack on the World Trade Center two hours before terrorists crashed planes into the New York landmarks" 56

Soon after the attacks, the Odigo employees informed the management of the electronic message they had received. Israeli security services were contacted and the FBI was informed. Nothing has been heard about this event since. I think it's safe to say that "Islamic terrorists" would not have been considerate enough to send detailed E-mail warnings to some obscure Israeli office workers.

LEFT: MAYOR WILLIE BROWN RECEIVED ADVANCE WARNING
RIGHT: NEWSWEEK'S EVAN THOMAS REPORTED THAT PENTAGON
OFFICIALS CANCELLED THEIR 9-11 FLIGHTS.

THE SEPTEMBER 11 DANCE PARTY

Let us review what we have learned. We have clearly established that Zionists played a key role in steering the US into two World Wars. We have clearly established that Zionists do not care if Americans (or others) are killed to further their goals. We have clearly established that Zionists have a record of attacking

Americans in order to frame Arabs. We have established that the Zionists are capable of acts of unspeakable brutality and genocide. We have established that US politicians fear the Zionist Mafia and defy them at their own peril. We have learned that warnings of a suicidal hijacking plot were issued to several people. And most importantly of all, we have clearly established that the Zionists have the capacity to make these amazing stories suddenly disappear from their controlled news media.

Having established these precedents, we can now easily deduce that the reason why those five dancing Israeli agents who celebrated the 9-11 attacks were so happy is because they knew that Americans would now become unconditional supporters of their "Israeli ally" and fanatical haters of Muslims and Arabs. On the day of the attacks, former Israeli Prime Minister Benjamin Netanyahu was asked what the attack would mean for US-Israeli relations. His quick reply was "It's very good.....Well, it's not good, but it will generate immediate sympathy (for Israel)" 57

The five Israelis made such a spectacle that everyone who saw them felt compelled to call the police. According to ABC's 20/20, when the van belonging to the cheering Israelis was stopped by the police, the first words out of the driver's (Sivan Kurzberg) lying mouth were: "We are Israelis. We are not your problem. Your problems are our problems. The Palestinians are your problem." 58 The police and FBI field agents became really suspicious when they found box cutters (the same items that the hijackers supposedly used), \$4700 cash stuffed in a sock, and foreign passports. Police also told the Bergen Record that bomb sniffing dogs were brought to the van and that they reacted as if they had smelled explosives. 59

From there, the story gets becomes even more suspicious. The Israelis worked for a Weehawken moving company known as Urban Moving Systems. An American employee of Urban Moving Systems told the Bergen Record that a majority of his co-workers were Israelis and they were all joking about the attacks. The employee, who declined to give his name said: "I was in tears. These guys were joking and that bothered me." 60

A few days after the attacks, Urban Moving System's Israeli owner, Dominick Suter, dropped his business and fled the country. He was in such a hurry to flee America that some of Urban Moving System's customers were left with their furniture stuck in storage facilities. 61 The five Israeli army veterans (Mossad) were held in custody for several months before being quietly released. Some of the movers had been kept in solitary confinement for 40 days. 62

Immediately following the attacks, the Zionist controlled media was filled with stories linking the attacks to Bin Laden. TV talking-heads and scribblers of every stripe spoon-fed a gullible American public a steady diet of the most outrageous propaganda imaginable. We were told that the reason Bin Laden attacked the USA was because he hates our "freedom" and "democracy". The Muslims were "medieval" and they wanted to destroy us because of our wealth. But Bin Laden

strongly denied any role in the attacks and suggested that Zionists orchestrated the 9-11 attacks:

"I was not involved in the September 11 attacks in the United States nor did I have knowledge of the attacks. There exists a government within a government within the United States. The United States should try to trace the perpetrators of these attacks within itself; to the people who want to make the present century a century of conflict between Islam and Christianity. That secret government must be asked as to who carried out the attacks....The American system is totally in control of the Jews, whose first priority is Israel, not the United States." 63

To date, the only shred of "evidence" to be uncovered against Bin Laden was a highly suspicious, barely audible amateur video, that the Zionist dominated Pentagon just happened to find "lying around" in Afghanistan. Though there is no evidence, be it hard or circumstantial, to link the Al Qaeda "terrorist network" to these acts of terror; there is in fact a mountain of evidence, both hard and circumstantial, which suggests that the Zionist Mafia has been very busy framing Arabs for terror plots against America.

LEFT: BIN LADEN: " I HAD NOTHING TO DO WITH THE ATTACKS."
RIGHT: NETANYAHU: "ATTACKS ARE GOOD FOR US-ISRAEL RELATIONS."

WHO WAS REALLY FLYING THOSE PLANES ON 9-11?

Hours after the 9-11 attacks, authorities began to find clues conveniently left for them to stumble upon. The Boston Globe reported that a copy of the Koran, instructions on how to fly a commercial airplane and a fuel consumption calculator were found in a pair of bags meant for one of the hijacked flights that left from Logan. 64

Authorities also received a "tip" about a suspicious white car left behind at Boston's Logan Airport. An Arabic-language flight training manual was found inside the car. 65

How fortunate for investigators that the hijackers "forgot" to take their Koran and Arab flight manuals with them! Within a few days, all "19 hijackers" were "identified" and their faces were plastered all over our television screens.

Then, like a script from a corny "B" spy movie, the official story gets even more ridiculous. The passport of the supposed "ringleader" Mohammed Atta, somehow managed to survive the explosion, inferno, and smoldering collapse to be oh-so-conveniently "found" just a few blocks away from the World Trade Center! 66

It is obvious that this "evidence" was planted by individuals wishing to direct the blame towards Osama Bin Laden. How is it possible that Arab students who had

never flown an airplane could take a simulator course and then fly jumbo jets with the skill and precision of "top-gun" pilots? It is not possible and the fact is, the true identities of the 9-11 hijackers remains a mystery. In the days following the disclosure of the "hijackers" names and faces, no less than 7 of the Arab individuals named came forward to protest their obvious innocence. 67

That's right! Seven of the nineteen "hijackers" are alive and well. They were victims of identity theft, some of whom had had their passports stolen. They were interviewed by several news organizations including the Telegraph of England. Here's an excerpt from David Harrison's Telegraph story entitled:

Revealed: The Men With Stolen Identities:

"Their names were flashed around the world as suicide hijackers who carried out the attacks on America. But yesterday four innocent men told how their identities had been stolen.

The men - all from Saudi Arabia - spoke of their shock at being mistakenly named by the FBI as suicide terrorists. None of the four was in the United States on September 11 and all are alive in their home country.

The Telegraph obtained the first interviews with the men since they learnt that they were on the FBI's list of hijackers who died in the crashes in New York, Washington and Pennsylvania.

All four said that they were "outraged" to be identified as terrorists. One has never been to America and another is a Saudi Airlines pilot who was on a training course in Tunisia at the time of the attacks. Saudi Airlines said it was considering legal action against the FBI for seriously damaging its reputation and that of its pilots." 68

(emphasis added)

The story of these identity thefts was also briefly reported by ABC 69 and BBC (England) 70 The FBI does not deny this. Nobody denies this fact because it is easily verifiable. Instead, the US media and government just ignore this inconvenient little fact and keep right on repeating the monstrous lie that the hijacker identities are known and that 15 of them were Saudis.

CNN revealed that FBI director Robert Mueller openly admitted that some of the identities of the 9-11 hijackers are in question due to identity theft. Here's what CNN reported on September 21:

FBI Director Robert Mueller has acknowledged that some of those behind last week's terror attacks may have stolen the identification of other people, and, according to at least one security expert, it may have been "relatively easy" based on their level of sophistication. 71

This opens up a whole Pandora's box of unanswered questions. First and foremost of which is this: why would Osama Bin Laden, the Saudi Arabian caveman, steal

identities? To cover his tracks you say? Next question: why would a Saudi Arabian, attempting to cover his tracks, steal the identities of...fellow Saudi Arabians???

What would be the point? Why go you through the trouble of stealing identities that would point back to you? Why not steal Greek identities, or Brazilian identities, or Turkish ones? A much more logical conclusion is that non-Arabs stole these identities as part of a "false flag" operation designed to point the blame at Arabs, and Saudi Arabs in particular.

What kind of a corrupt character is FBI boss Mueller? He initially admitted that false identities were involved with 9-11, but then he allows the media to keep naming these innocent, and alive, Arabs as the hijackers? Why doesn't he correct them? More on the slimy Mr. Mueller later on!

Now I'm really going to rock your faith in the false religion of 9-11. In February of 2000, Indian intelligence officials detained 11 members of what they thought was an Al Qaeda hijacking conspiracy. It was then discovered that these 11 "Muslim preachers" were all Israeli nationals! India's leading weekly magazine, *The Week*, reported:

On January 12 Indian intelligence officials in Calcutta detained 11 foreign nationals for interrogation before they were to board a Dhaka-bound Bangladesh Biman flight. They were detained on the suspicion of being hijackers. "But we realized that they were tabliqis (Islamic preachers), so we let them go", said an Intelligence official.

The eleven had Israeli passports but were believed to be Afghan nationals who had spent a while in Iran. Indian intelligence officials, too, were surprised by the nationality profile of the eleven. "They say that they have been on tabligh (preaching Islam) in India for two months. But they are Israeli nationals from the West Bank," said a Central Intelligence official. He claimed that Tel Aviv "exerted considerable pressure" on Delhi to secure their release. "It appeared that they could be working for a sensitive organization in Israel and were on a mission to Bangladesh," the official said. 72 (emphasis added)

What were these 11 Israelis doing trying to impersonate Al Qaeda men? Infiltrating?...perhaps. Framing?...more likely. But the important precedent to understand is this: Israeli agents were once caught red handed impersonating Muslim hijackers!

This event becomes even more mind boggling when we learn that it was Indian Intelligence that helped the US to so quickly identify the "19 hijackers"! On April 3, 2002, *Express India*, quoting the *Press Trust of India*, revealed:

Washington, April 3: Indian intelligence agencies helped the US to identify the hijackers who carried out the deadly September 11 terrorist attacks in New York and Washington, a media report said here on Wednesday. 73

Ain't that a kick in the ass?! Did you catch that? The Indian intelligence officials

that were duped into mistaking Israeli agents for Al Qaeda hijackers back in 2000, were the very same clowns telling the FBI who it was that hijacked the 9-11 planes! Keep in mind that Indian intelligence has an extremely close working relationship with Israel's Mossad because both governments hate the Muslim nation of Pakistan.
74

Now about Mohamed Atta, you know, the so-called "ring leader". There are a number of inconsistencies with that story as well. Like some of the 7 hijackers known to be still alive, Atta also had his passport stolen in 1999, 75 (the same passport that miraculously survived the WTC explosion and collapse?) making him an easy mark for an identity theft. Atta was known to all as a shy, timid, and sheltered young man who was uncomfortable with women. 76 The 5 foot 7 inch, 150 pound

On the morning of July 22, 1946, of 15-20 Irgun terrorists dressed as Arabs (echo of 9/11 "dressed as Arabs") entered the King David Hotel in Jerusalem.

They unloaded 225 kilograms of explosives hidden in milk churns. 23 The King David Hotel housed the Secretariat of the Government of Palestine and Headquarters of the British Forces in Palestine. When a British officer became suspicious, a shootout took place and the Irgun lit the fuses and fled.

The explosion destroyed part of the hotel and killed 91 people.

Most of the victims were British but 15 innocent jews also died, proving that radical Zionists are capable of even killing fellow jews (Zionism cares nothing for Jews) in order to advance their cause.

Zionism has no friends it has people it uses and spits out, like the British who helped them in their quest for Zion.

Englands reward was the same as Americas will be. More body bags.

Zionism uses the Jews in the same way it used the support of the British.

It offers Jewish people as a sacrifice to the sick God it serves.

Somebody "else" did it.

The Arabs have a way of reacting to events that seems to set them apart from the rest of humanity. Our reaction to world events has this tinge of theoretical exactness, of legal suaveness that makes anything with less than clockwork precision unworthy of our serious attention. This, sadly, is only a cover-up for an innate refusal to face the facts.

This amazing capability for denial, this runaway escapism, has never come under harsher light than during the aftermath of 11 September. The Arabs summed up the whole dilemma into two questions: How do you define terror? And, what evidence is there that Mohamed Atta and his fellow suspects blew up the World Trade Center and attacked the Pentagon? The first question, the terror angle, I had covered in an earlier article on this very page.

The legal and theoretical thoroughness of that question was formulated admirably,

and in keeping with highest standards for exactness. We only act on the basis of strict rules and according to well-defined codes of conduct. Don't we? Unless the codes are defined, to our own standards of thoroughness, we don't know what the fuss is all about. Define terror, please, we told the world. And do it right. Or else, there is perhaps no such a thing as terror after all.

The second question, the one involving evidence for the 11 September attacks, brought a similar response. It cannot be us. The operation was too sophisticated for our poor and backward kinfolk to stage, some argued. Otherwise, similar attacks would have already been mounted against Israel and other European and American sites, went the argument.

Others found an ethical alibi. The Arabs, we all know, are too morally upright to conduct such a horrific act, such a willful slaughter of the innocent of all races, ethnicities, and creeds. We are, at once, too technically inferior and morally superior for such acts.

So, who's done it? Our commentators discovered a whole cast of usual suspects: Mossad, White supremacists, Russian extremists trying to revive Soviet glory, Serbs seeking revenge, and, of course, American insurgents about to overthrow their own government. The odd thing is that those who came up with this fantastic range of suspects failed to provide the faintest shred of evidence for their claims, with one exception. Some 3,000 Jews failed to show up for work at the World Trade Center on the fateful day, having, of course, been alerted by the Mossad. No one came up with names. No one produced a list of the companies these Jewish employees work for. No one recorded testimonies by their work colleagues. No one explained how a secret known to at least 3,000 people could remain a secret at all? And, no one explained why 134 Israelis died in the attacks?

Some other Zionist atrocities

by Average Jeff • *Friday November 29, 2002 at 06:39 PM*

Brief Description of major massacres conducted by Zionists:

YEHIDA MASSACRE: 13 December 1947: men of the Arab village of Yehiday (near Petah Tekva, the first Zionist settlement to be established) met at the local coffee house when they saw what looked to be four British Army patrols entering the village. They were not suspicious as they were reassured by the British of safety; especially that Jewish terrorists had murdered 12 Palestinians the previous day. The four cars stopped in front of the cafe house and out stepped men dressed in khaki uniforms and steel helmets. However, it soon became apparent that they did not come to protect the villagers. With machine guns they sprayed bullets into the crowd gathered in the coffee house. Some of the attackers placed bombs next to Palestinian

homes while other disguised terrorists tossed grenades at civilians here and there. For a while it seemed as if the villagers would be annihilated. But soon a real British patrol arrived to foil the well organized killing raid. The death toll of 7 Palestinian civilians could have been much higher. Earlier the same day 6 Palestinians were killed and 23 wounded when home made bombs were tossed at a crowd of Palestinians standing near the Damascus Gate in Jerusalem. In Jaffa another bomb killed six more Arabs and injured over 40.

KHISAS MASSACRE: 18 December 1947: Two carloads of Haganah members drove through the village of Khisas (on the Lebanese Syrian border) firing machine guns and throwing grenades. 10 Palestinian civilians were killed in the raid.

QAZAZA MASSACRE: 19 December 1947: Five Palestinian children were murdered in cold blood when Jewish terrorists blew up the house of the village Mukhtar (Alderman).

AL-SHEIKH VILLAGE MASSACRE: 1 January 1948: On that night, around two hundred Zionists armed with hand grenades and machine guns sneaked into this small village (5km South East of Haifa). The attackers came through the southern hills. They attacked the houses on the edges of the village with hand grenades and finished off with machine guns, killing over 40 Palestinians.

DEIR YASSIN MASSACRE: 9-10 April 1948: The Mukhtar (Alderman) of the village had agreed with the Zionists to provide information on the movement of strangers in the area as well as other intelligence provided their village is spared. The Zionists did not to keep their promise. In an operation which was called Operation Unity, the Haganah cooperated with the Irgun and the Stern Gang. Starting at 4:30 am on Friday 9th April 1948 and continuing for two days, Zionist terrorists killed men women and children, raped women and stole their jewelry. A chilling account of the massacre is given by a Red Cross doctor who arrived at the village on the second day and saw himself -- the 'mopping up' as one of the terrorists put it to him. He says that the mopping up had been done with machine guns, then grenades and finished off with knives. The original death toll of 254 announced by Irgun and Stern was later proved to be an exaggeration, the goal being to convince Palestinians to flee their homes. Recent historians put the death toll at 110. Some Zionists claimed, twenty years after the event, that there was no massacre, that all of the eye-witnesses lied about the event. However, photographs taken at the scene by a Jewish witness and held by the Israeli government have never been released, and a written report has also never been released.

NASER AL-DIN MASSACRE: 13-14 April 1948, a contingent of Lehi and Irgun entered this village (near Tiberias) on the night of 13 April dressed as Palestinian fighters. Upon their entrance to the village the people went out to greet them, the terrorists met them with fire, killing every single one of them. Only 40 people survived. All the houses of the village were raised to the ground.

BEIT DARAS MASSACRE: 21 May 1948, after a number of failed attempts to occupy this village, the Zionists mobilized a large contingent and surrounded the village. The people of Beit Daras decided that women and children should leave. As women and children left the village they were ambushed by the Zionist army, who massacred them.

THE DAHMASH MOSQUE MASSACRE: 11 July 1948, after the Israeli 89th Commando Battalion lead by Moshe Dayan occupied Lydda (now Lod), the Israelis told Arabs through loudspeakers that if they went into a certain mosque they would be safe. Over one hundred Palestinians were massacred in the mosque, their bodies lay decomposing for 10 days in the mid-summer heat. The mosque still stands abandoned today. This massacre spread fear and panic among the Palestinian population of Lydda and Ramle, who were then ordered to march out of these towns after they were stripped of all personal belonging by IDF soldiers. Yitzhak Rabin, Brigade Commander then says: "There was no way of avoiding the use of force and warning shots in order to make the inhabitants march ten to fifteen miles to the point where they met up with the legion." Most of the 60,000 inhabitants of Lydda and Ramle came to refugee camps near Ramallah. Around 350 lost their lives on the way through dehydration and sun strokes.

DAWAYMA MASSACRE: 29 October 1948, the following is the testimony of a soldier who participated in the occupation of the village of Dawayma (in the Haifa sub district): "They killed between 80 to 100 Arab men, women, and children. To kill children they fractured their heads with clubs. There was not one home left without corpses One commander ordered a soldier to bring two women into a building he was about to blow up... Another soldier prided himself on having raped an Arab women before shooting her to death...." The massacre was perpetrated by the 89th Battalion, the authors of Lydda massacre.

SHARAFAT MASSACRE: 7 February 1951, Zionist soldiers crossed the armistice line to this village (3 Miles from Jerusalem) and blew up the houses of the Mukhtar (Alderman) and his neighbors. Ten Palestinians were killed (2 men, 3 women and 5 children) and 8 were wounded.

KIBYA MASSACRE: 14 October 1953, 9:30 PM, about 700 Israeli troops under the command of Ariel Sharon attacked the border Jordanian village of Kibya, northwest of Jerusalem. Using mortars, machine guns, rifles and explosives they blew up 42 houses, the local schools and the mosque. The death toll of 75 included women and children.

KAFR QASEM MASSACRE: 29 October 1956: Israeli Border guards (Ha-Mishmar Gvool) started at 4:00 PM what they called a tour of the Triangle Villages. They told the Mukhtars (Aldermen) of those villages that the curfew from that day onwards was to start from 5:00 PM instead of the usual 6:00 PM. They reached Kafr Qasem around 4:45 PM and informed the Mukhtar (Alderman) who protested that there are about 400 villagers working outside the village and there is not enough time to

inform them of the new times. An officer assured him that they will be taken care of. Then the guards waited at the entrance to the village. Forty three of Kafr Qasem inhabitants were massacred in cold blood as they returned from work. Their crime was violating a curfew they did not know about. The Zionist Lieutenant Danhan was touring the area in his jeep reporting the massacre. On his wireless he said "minus 15 Arabs." After a while his message on the radio to his H.Q. was "it is difficult to count".

AL-SAMMOU' MASSACRE: 13 November 1966, Israeli forces raided this village, destroyed 125 houses, the village clinic and school as well as 15 houses in a neighboring village. Eighteen people were killed and 54 wounded.

THE SABRA AND SHATILA MASSACRE: 15-18 September 1982, after the 1982 Israeli invasion of Lebanon, Phalangist allies of Israel massacred (according to the International Committee of the Red Cross) over 2750 Palestinian men, women and children under the watchful eyes of the Israeli army and using Israeli arms and bulldozers. This occurred despite guarantees of safety by the United States. In 1983, the findings of an Israeli government investigation revealed the "indirect" involvement of the Israeli troops and the 'personally responsible' of Defense Minister Ariel Sharon. Sharon then resigned as Defense minister shortly after the results of the investigation were made public.

OYON QARA MASSACRE (RISHON LEZION): 20 May 1990: An Israeli soldier lined up more than 20 Palestinian laborers and murdered seven of them with a sub-machine gun. Thirteen more Palestinians were killed by Israeli forces in subsequent demonstrations to protest the massacre in various parts of the territories.

AL-AQSA MOSQUE MASSACRE: 8 October 1990, Israeli police opened fire on worshipers in al-Aqsa mosque killing 22 people.

THE IBRAHIMI MOSQUE MASSACRE: 25 February 1994, Bernard Goldstein, from Kiryat Arba' settlement, massacred 61 (29 on the scene) worshipers inside the Ibrahimi Mosque in al-Khalil (Hebron) and wounded about 200. Later massive demonstrations took to the streets of Palestine and the IDF responded by using live ammunitions and killing 23 and wounding hundreds more. Reports indicate there may have been 3 Jewish settler gunners, not one.

THE JABALIA MASSACRE: 28 March 1994, Jewish undercover police opened fire on Palestinian activists killing 6 and injuring 49. Some of the wounded activists were taken out of their cars and shot to death with a bullet to the head.

ERETZ CHECKPOINT MASSACRE: 17 July 1994, Eyewitnesses and Israeli sources reported that 11 Palestinians have been shot dead and 200 injured. Israeli sources also reported that 21 Israeli soldiers including 1 settler were injured. Two soldiers were shot by bullets, one died. As reported by Palestinian and Israeli sources, the scene was described as a war zone which lasted for 6 hours. Four Israeli

tanks and helicopters were brought in, and a number of settlers took part firing at Palestinians.

Let us review what we have learned. We have clearly established that Zionists played a key role in steering the US into two World Wars.

We have clearly established that Zionists do not care if Americans (or others) are killed to further their goals. We have clearly established that Zionists have a record of attacking Americans in order to frame Arabs.

We have established that the Zionists are capable of acts of unspeakable brutality and genocide.

We have established that US politicians fear the Zionist Mafia and defy them at their own peril.

We have learned that warnings of a suicidal hijacking plot were issued to several people.

And most importantly of all, we have clearly established that the Zionists have the capacity to make these amazing stories suddenly disappear from their controlled news media.

Nazi/Arab propaganda

by Ducci • *Sunday December 01, 2002 at 09:06 PM*

Hey Tom, you spent way to much time writing some meaningless fiction. Yes it is true the men photographing the WTC were Israeli, but they weren't dancing. That is a lie made up by nazis and arabs. The Mossad agents were monitering arab activity in Patterson NJ, which you probably have never been to. I have, and I know it's swarming with pro-hamas activity. Why would Mossad want the WTC knocked down when hundreds of Jews work there? And about the Liberty, that was a huge mistake and it wasn't intentional.

I love how you try to pin the blame of WW1 and WW2 on Jews. That is pure genius. Hey Tom, did you ever think about how many Arab massacres have taken place, and against there own people. Tom, you are a stupid Nazi scumbag

Zionist false flag operations kill Americans

by Zionist false flag operations kill Americans • *Sunday December 29, 2002 at 10:16 AM*

Q: Why would Mossad want the WTC knocked down ... (?)

A: 1. Give cover to Zionist to demolish Palestinian society (Operation Defensive Shield) and cause \$300,000,000 in damages,
2. motivate U.S. to attack Iraq, which will give cover to
3. Zionist expulsion of Palestinians from the West Bank, Gaza and Jerusalem.

Q: ... when hundreds of Jews work there?

A: Which Israelis died at WTC? Name one! There were three who died who were passengers on the planes. There were no Israeli dead who worked at WTC. None. Zero. Nada. Zip. The null set. (Ha'aretz reported that an Israeli company with offices in Manhattan received an e-mail two hours before the attack warning about what was to come.)

Q: And about the Liberty, that was a huge mistake and it wasn't intentional.

A: Try telling the surviving crew members that. If it was such a mistake, why did the Zionist fire on the life rafts? They wanted to make sure there were no survivors! Why, if it was a mistake, did a U.S. high-altitude intelligence plane monitoring Israeli pilots overhear:

Israeli Pilot: "I see an American flag"

Israeli Air Command: "Attack it anyway!"

“In 1916, the US, with the help of the Lusitania "incident", entered the war on Britain's side under the ridiculous pretext of "making the world safe for democracy".

Actually they entered the War in 1917, the Lusitania sunk in 1915

“Great Britain issued the Balfour Declaration in November 1917, the same month that Germany surrendered.”

OK the month Germany surrendered was right but the year they surrendered was 1918.

how can you seriously analyse events when you don't even know when they took place?

my 2 cents

by Pierce Weatherspoon • *Sunday August 17, 2003 at 12:45 AM*

We have just gotten a report on a terrorist sting operation that an American, Jewish, NYC, gem dealer was apparently involved with laundering money from an operation involving a British Muslim, and a Malaysian Muslim. This brings in the possibility of more cases of this. Haaretz an Israeli newspaper covered this, obviously trying to expose the right wing corruption going on over there. This too was played down by Eisner's, owner of Disney, ABC Network's news. I listen to Israeli radio sometimes and find they tend to try and deceive and manipulate their people just like the US. I guess all countries do this sort of thing.

But here is something peculiar, a Mossad think tank exposed the obvious insider trading going on with AB Brown who used to be directed by CIA executive director, Buzzy Croomgaard(sp.?) If they were involved why would they do this? Perhaps only a fraction of them are involved or they are mostly American political Zionists working some shady deals. I have seen articles on money drug laundering connected with the gem industry, but not missile dealing. The TWA NY flight missile hit should be examined again.

One thing we do know is that Sept. 11, and the Iraq war have furthered the agenda of the New World Order. Americans are living in constant fear of another attack, and have lost their most of their liberties, while taking away Iraq's all in the name of terror and liberty. I am sorry to anyone we have hurt, and hope we can live in Peace. Yeshua Messiah loves you!!
