In a dispatch posted at 6:55pm Baghdad time Saturday afternoon, the Yaqen News Agency reported that 55 "Israeli" companies were now working in Iraq under assumed names.

Yaqen reported that the Zionist firms operate in a variety of fields, including infrastructure and marketing. The Zionist Mossad secret police agency had established the Kurdish Lending Bank with its headquarters in as-Sulaymaniyah in the US-founded Kurdish separatist enclave in northern Iraq.

The report indicated that the Kurdish Lending Bank had a secret mission of purchasing vast tracts of agricultural land, oil fields, and residential areas in the vicinity of the cities of al-Mawsil and Kirkuk, both oil-rich cities in northern Iraq. The massive land purchases facilitate the effort by the US-backed Kurdish separatist Peshmergah militia to expel Arab and Turkoman residents of northern Iraq so that the oil-rich area can be annexed to the Kurdish separatist state under US and Zionist hegemony.

Meanwhile the Zionist state exports more than \$300 million in goods to Iraq annually. In addition Zionist companies obtain contracts for construction projects in Iraq, thanks to help from USAID, the American agency that oversees the allocation of building contracts in Iraq.

The report indicated that one of the chief beneficiaries of the Zionist presence in Iraq has been former "Israeli" Chief of Staff Amnon Lipkin-Shahak who also formerly served as "Israeli" Minister of Communications.

I wonder how many american companies are in Iraq stealing the Iraqi and american people blind. I wish them all the worst may they reap what they have sown. May the Iraqi people have their country back quickly and be rid of all those evil zionists and americans

Zionist and Masonic occultist. The majority of Americans disagree with the war in Iraq and we were duped into the war by the 911 false flag Zionist attack on our country. Americans are slowly awakening to the lies delivered to us by the major news organizations here. I am not sure what actions will be taken to taken away the puppeteers control over America but it will not be soon enough.

It is time for the American citizen to wake up. The Zionist control of our country cannot be accepted anymore. Due to the dumb Iraq war who filled the pockets of Halliburton and company (Soros being the new major shareholder of Halliburton), more than 1 million innocent people got killed. They used this phony war on terrorism started with the false flag 9/11 and remember what the war criminal Bush said the day after the attacks: He defined the Axis of evil, first Iraq, 2nd is Iran.

Now after all that time and about 10000 countrymen he murdered besides the Iraqis (between Iraq & 9/11), he wants to kill even more innocent people. BTM, break the matrix and initiatives like that should have millions of followers by now, wake up Americans, before it's too late and they declare Marshall Law and lock all opponents up.

Sorry folks. All you people thinking the people of the U.S. are waking up are mistaken. They're just rolling over and going back to sleep. The "terrorists" have won.

REVOLUTION is the Solution!!!

"God forbid we should ever be twenty years without such a rebellion.... And what country can preserve its liberties, if its rulers are not warned from time to time, that this people preserve the spirit of resistance? Let them take arms.... The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants." - Thomas Jefferson, in letter to William S. Smith, 1787

I have nothing really new or brilliant to add. But i would like to comment in support of the fact that many people here in the USA are waking up to the truth at the planet, generally, and my country, definitely, are owned and operated by psychopathic criminals. And most/all of the "awakened" are quite "embarrassed" by the USA's support of the criminal actions in the middle east. Many of us are doing what we can, short of "terrorism" to assure changes to the "business as usual" approach of the clueless, heartless and greed driven agendas of the "leadership". Needless to say the number of "behaviors" which constitutes "terrorism" currently under this nazi regime increases daily.
