### Eight-year-old Palestinian girl killed by an Israeli rocket Palestinian Information Center

June 6, 2008

Khan Younis, (PIC)-- The body of 8-year-old Aya al-Najjar was mutilated on Thursday afternoon by a rocket fired from an Israeli airplane while she was playing in the garden outside her house in the village of Khuza'a in the southern Gaza Strip.

The little girl had just finished her school exams and went home eager to play as she had no more revision to do.

She asked her mother if it was ok for her to play in the garden and the mother agreed.

An apache helicopter hovered over the place, Aya looked at it and carried on playing. Neither her nor her mother expected to be the target of a rocket fired from the apache.

Assemblea Generale (1965):

La XX Assemblea Generale dell'ONU

(1965) dichiara "la legittimità della lotta da parte dei popoli sotto oppressione coloniale, per esercitare il loro diritto all'autodeterminazione e all'indipendenza".

Inoltre, l'Assemblea invita "tutti gli Stati a fornire assistenza morale e movimenti di liberazione nazionale nei territori coloniali".

:: ONU -

Risoluzione 1514

"L'Assemblea Generale dichiara che: la soggezione dei popoli a dominio straniero, conquista e asservimento costituisce una negazione dei diritti umani fondamentali, è contraria alla Carta delle Nazioni Unite ed è un impedimento alla promozione della pace e della cooperazione mondiali. Tutti i popoli hanno diritto all'autodeterminazione; in virtù di tale diritto

It seems, however, that Zionist hate for everything Palestinian has no limits as Aya was hit directly with the rocket causing her young body to be shredded into little pieces.

Aya was not the first Palestinian child to be targeted by the IOF and will not be the last; Muhammad al-Dora, Iman al-Hams and Iman Hijjo are but three names, of Palestinian children killed by the IOF, in a list of about 1000 Palestinian children killed by the IOF since the start of the Aqsa intifada out of a total of 5000 Palestinians killed during the same period.

Earlier, Palestinian resistance fighters fired a home made missile at an Israeli colony in retaliation to an IOF incursion into the Gaza Strip during which the troops bulldozed tracts of land and uprooted trees.

The attack resulted in the death of one Israeli settler and the wounding of three others, according to Israeli sources.

It is impossible to even imagine the anguish her family is feeling now and for years to come if the Zionist war planes don't come back and destroy them too.

The Zionist leadership are and always have been terrorists. My greatest wish is for these so-called humans (Zionists) to experience to the exact degree all of the pain and suffering they have inflicted upon others.

There was a time when I had the spirit of forgiveness in my heart. This too, the Zionists have taken.

I wish there were words to console the family of this little girl. I am a father

of five girls and a boy. They are all adults and have families of their own. I look at my grandchildren and see this little girl who was torn to shreds by thugs in uniform. I do not know how to express my deepest sympathies to this little girl's family. I cannot say more -- there are tears in my eyes.

Palestinian children get shot, because Islam recommends this, their fed "martyr glory" stories, and their own grown MEN send them out in front of themselves!! < br>

Its a well known FACT, even the rest of the (Blind in most cases) world has seen through that one!!!! Children sacrificed for Media sympathy, I think its absolutely tragic!!! If Israel ever put their children before their grown men I would be horrified and disgusted, as a grown Man, I would put myself forward before my children.

The Arabs continually initiate the violence. The Israelis have not fired the first shots. Do the Palestinians expect not to be fired back on? Its ok for them to blow up school children and civilians intentionally? Someone please explain to me, how the Israelis could possibly live next to such a violent people. I personally don't see how it can be done at this point. All I see is the Palestinians provoking war and using any method they can to get all of Israel. How can there be peace among a people, that have no value for men women and children.

IT`S ALWAYS THE JEWS Fault. POOR ARABS WITH 22 COUNTRIES

The wall sure looks bad, until you see the passover bombing, disco bombing, 23 bus bombings, or the results of 4 little girls with bullet holes in their head, deliveredately put there at close range by typical palestinians.

And then you wish the wall was higher, thicker, and finished.

Uruknet, I Propose you try this little test. Get a gun then surround yourself with 100-200 children throwing stones with Palestinian gunmen using them as shields as they fire at you. See how long it is before you open fire. If you raise children for martyrdom through the Mosques, schools and OFFICIAL media what do you think is going to happen?

The so called "suffering of the Palestinian people". They chose the path they are on when they launched their terrorist campaign. They must walk down that path. Israel`s hands are clean, all it has done it protect its people from the murderers who hide in amongst their own civilian population.

We can show sympathy to Palestinians who were hurt because they were victims of their own leadership.

The routine mass-murders and crimes committed by the Palestinians only decreased significantly when Israel reoccupies the cities and started destroying the houses of suicide bombers and of terrorists operatives, and killing the terrorist leaders.. Proving that these are effective steps.

Many of the messages claim that this little girl was a shield for an adult when a Zionist gunship ripped her to shreds. Will those who believe this please show proof?

How many Palestinian gun ships bomb and strafe little Israeli girls in their back yards?

I once thought the Israelis were victims. That was until 1967 when the Israelis attacked a U.S. Communications ship in international waters North of El Arish. It was an unprovoked attack, killing many and wounding many. They tried to sink that ship, using jet bombers. They tried to sink that ship, using gun and torpedo boats. They strafed the ships life-boats so no one could use them. They fire-bombed the ship unmercifully for over an hour. They knew it was an American ship. They deliberately tried to sink that ship and kill everyone aboard so it could be blamed on the Egyptians and possibly cause the United States to retaliate, maybe even with nuclear weapons.

Google "USS Liberty" and listen and watch as the survivors of that attack tell how Israeli planes and ships tried to destroy the USS Liberty in 1967 in a deliberate and unprovoked attack.

And then tell me how children are used as shields in the most one-sided "war" in history.

Be ashamed, Israel. Your God will not allow this to go on forever.

Come over to my country and try to steal my land. See how I would react.

Be ashamed, Israel -- be ashamed. Cover yourselves with sack-cloth and ashes. Stand before your God and repent. Above all, stop what you are doing for humanity's sake. Be a man -- repent!

There is no greater personification of evil than that of Islamic demagogues who use religion to inflame the passions of the mindless exhorting them to commit murder against civilians and calling it martyrdom. The demagogues never themselves consider committing suicide, and furthermore succeed in stealing vast sums of governmental money. They benefit from the money themselves while the masses live poverty. Welcome to Arab culture. This is the model for life in Arab countries.

Why don't you decry the murder of innocent Israeli children and adults by Palestinian bombers, the murder of people observing Passover, the murder of families while asleep in their beds and the hell the surviving victims of these acts of Palestinian terror, who are permanently maimed and scarred physically and psychologically are living everyday for the rest of their lives.

The great irony is that the Security Fence is not really an effective solution to Palestinian barbarism and attacks on Israeli civilians at all. What exactly does Israel think the PLO will do once it is behind the fence, take up quilting? < br>

The only way to suppress the carnage, is to erect security cages and not a security wall. Security cages would be rings of fences and walls around the large Palestinian cities. These would fence the Palestinians in, rather than fencing the Jews out. When the world bellyaches, Israel should simply respond: Look, people who behave like animals must be treated like animals and put behind cages until they learn to behave like humans. If the Palestinians ever abandon Islamofascism and nazi-like atrocities, then Israel may no longer need any fence.

Solution for Israels' Middle East unsolvable problem: Move All your jewish popul ation to Czech Republic, where your Sayanims has been in power ever since so cal led Velvet Revolution in 1989. That Little Sh\*\*y Country will easily absorb some six million people from another Small Sh\*\*y Little Country and bring your nukes with you. The dummed Czechs won't mind, because they will share some of the loot Israel is getting from US annually and besides, they had been used to Jews calling the shots in their country for a century. Rest of the world then might live in peace, because Russia, Germany and Brittain should by now be cured from Zionist prodded interventionist policies. Muslim countries could finally start playing catch-up with the rest of the world.

Dan,

Little Aya was playing in her garden by the house. There were no warrors in her garden. You've concocted quite a cover for the violation of a little girl. Your comments only inflame others to remove such blot on humanity as you and those yo u represent. The Prophets called your kind an abomination and you have proved it with a verbal attack on the shredding of a little child's body while she played in her garden after school.

Jews are just another group of people sharing this speck of dust in an average s ize solar system. They are no better and no worse than any other group, chosen b y some deity notwithstanding.

There are, however, evil people in this world, who do their damndest to create chaos. Hitler was one such person. He represented a like-minded group of evil people hell-bent on ruling the world. We now have another such secular group trying their damndest to do the same thing. This evil group of people call themselves Zionists. Both the Nazis and the Zionists think they are a special people, selected by some tribal war god whose duty is to subjugate the rest of humanity to their will. It did not work with the Nazis and it will not work with the Zionists. Hitler's dream cost the lives of over 50 million souls. Zionist dreams may cost over a billion lives. But in the end their dream of world domination will not become a reality. Creatures, whether they be ants or humans will never be subjugated. Freedom is not just a word -- freedom is the principal factor in all of life.

So, to answer the question, Am I anti-semitic? No, I am not anti-semitic, I am pro-freedom. --jws
