“HAVE A HEART - SAVE A HEDGEFUND!” the sign said as it was carried about by protesters in front of the *New York Stock Exchange* on September 25 2008.

Millions of Americans are up in arms (<http://rense.com/general83/break.htm>) over the “bailout,” decrying it as an illegal power grab by Jewish bankers and their puppets in the Bush administration. Hank Paulson, the Secretary of the US Treasury, is himself the former Chairman of the Jewish bank, *Goldman Sachs*, one of the banks asking for a free lunch from the “dumb goyim” US taxpayers.

But would a Jewish banker ever buy a free lunch for a down-and-out “goy?” *Never*. Go ahead, just ask a Jewish banker to help you get out of debt — and if you are willing to give him your house and car and all of your assets — he may *lend* you a few thousand bucks *and* at 23.89% interest at that.

Here is a list of wealthy Jewish bankers looking for a free lunch from US taxpayers:

Lloyd Blankfein: Chairman & CEO of Goldman Sachs Here (<http://www2.goldmansachs.com/our-firm/about-us/leadership/board-of-directors.html>) .

Stephen Roach: Managing Director & Economist of Morgan Stanley Here (<http://www.theglobalist.com/AuthorBiography.aspx?AuthorId=582>) .

Martin Feldstein: Director of American International Group (AIG) Here (<http://people.forbes.com/profile/martin-s-feldstein/4791>) .

Alan Fishman: CEO of Washington Mutual (WaMu) Here (<http://newsroom.wamu.com/phoenix.zhtml?c=189529&p=irol-newsArticle&ID=1194463&highlight=>) .

The question must be asked my dear fellow Americans, “Why should we give hard-earned money to wealthy Jewish bankers who are multi-millionaires? Huh?”

POLITICIANS FAVOR JEWISH BANKERS OVER AMERICANS

THE HOUSE FINANCIAL SERVICES COMMITTEE has two Zionist Jews on it leading the push for the biggest *rip off* the US government has ever *foisted* on American taxpayers.

These two Zionist Jews are Barney Frank (<http://www.house.gov/frank/>) , (D-MA), the Chairman of the *House Financial Services Committee*, and Gary Ackerman (<http://www.house.gov/ackerman/bio.shtml#committees>) (D-NY). These two are Zionist Jews. And Zionist Jews look out for Jewish interests before America's.

One of the ploys (<http://www.csmonitor.com/2007/0126/p09s01-coop.html>) of manipulation & bribery by the powerful Jewish Lobby (<http://www.realjewnews.com/?p=185>) is to send Senators & Congressmen on lavish trips to Israel. In January of 2007, the issue of these trips was 'discussed' in Congress. But Barney Frank made sure that the Congressional junkets to Israel (<http://www.observer.com/node/33666>) *would* continue.

NY Congressman Gary Ackerman is another *bought* politician by the Jews. *The American Israel Public Affairs Committee* (AIPAC) has a special Web Site promotion (<http://aipac.capwiz.com/bio/id/408>) of Ackerman — just for him! Why? He's been bought, that's why.

Brother Nathanael's Upcoming DC 'Street Evangelism' Trip!

Hi everybody! I am making plans to do a Street Evangelism project in DC at the end of October. Will you all please consider donating for the trip?

I plan on being on Capitol Hill with some really good signs...

You can click on the DONATE button on the article or send a check to:
 Brother Nathanael Kapner

 Frisco CO 80443.

The NYC trip was a great success. And I thank all of you who made that trip possible.

Would you then please consider donating to the upcoming "Brother Nathanael...Street Evangelist" Trip in DC?

I am sure it will also be very profitable, especially for the Jew-bought politicians...

(Many thanks to those who have already helped!) But the trip will cost me well over \$1,000, so I could use more help please from others.

It's unbelievable!!!

It happened in 1929.... and here it is again... We are on the verge of something truly catastrophic!!!

The American Dollar will fall, Inflation will rise, and where will the average Taxpayer be? ...Buried under "mountains of Jewish-insighted monetary debt"!!!

Meanwhile, the economy falters...so corporations have ammunition for lay-offs...and they too, like good Socialists, will run to the 'government trough', looking for their 'bailouts'....in the name of Protecting America First!!!

Where is Obama? Where is McCain? Where is Bush? ...they're all in bed with Rothschild!!! Kissing his beloved Zionist Ass along with the likes of Palin, Biden, Frank, etc., etc., etc.

The United States is being bankrupted, just like Germany in the 1930's.....

Nevermind the Bollocks, The US Army is coming home to a combat on the Home Front!!!

And where are the citizens who elect these Congressman and Senators???

But does it really matter?

The Republican and Democrat Corporate Fascist Regimes are Now the Enemy!!!

EMPOWERED BY THE IGNORANT MASSES, who refused, (and continue to refuse!), to "Wake Up"!!!

It's not a matter of the world coming to an end....it's more a matter of how much do you want to keep giving the government your hard earned money, so they can 'redistribute' it to their friends on Wall Street and in Israel!!!

...in other words, your "Defender of Democracy, the World Over" has just shifted the most massive tax burden, caused by that of a relatively few and privileged, onto the shoulders of all our children's children and beyond!!!

Obama is Not Change!!! McCain is Not Change!!!

There is no fix for this subversion of the US Constitution, The Bill of Rights and Amendments....

Unless People Wake Up, and declare...

"We, the People..." RUN THE GOVERNMENT!!!

...and NOT Public Officials who systematically commit treason, subversion and engage in fraud!!!

The time has come, (and long overdue!!!), to dismantle the Jew-Operated Fractional Reserve Banking System vis-a-vis The U.S. Federal Reserve and its owner back in London...

How dare any American Senator or Congressman call Russia "Aggressive" for responding to Georgia's premeditated acts of aggression!!!

And little Israel...with their predominant influence in Washington...want their Goyim to battle Iran....

Maybe we should send the men and women of the Armed Services into Iran.... it's a sacrifice....but no great loss of life...because it seems the US Army has forgotten what it's like to fight a real war...and not some "make belief fairy tale" group like "Al-Qaeda" who people like Obama's Brezinzski empowered back in the late 70's/early 80's....

it may sound unpatriotic, but the sooner the depleted uranium bombs fall in Tel Aviv...and US Soldiers get sacrificed like little lambs being led to the slaughter, only then will change come!!!

Of course, that was the plan!

Rothschild will still keep his money...and people like the Politicians in all the developed countries will be safely surrounded by hordes of their Secret Service Personnel...while the rest of us continue to pay, pay, pay!

So what is the Answer?

Easy.

Wake Up!!!

Talk to Your Neighbor!!!

Stop with the "Political Correctness"!!!

Call Your Local Congressional Representative!!!

And Just Say "NO" to the Star of David!!!

The Israelites were expelled!!!

Jews know Christians are programmed to "turn their cheek and forgive"....

But Christians can be just as cunning...and Zionist Jews know it!!!

RUSSIA is on its way to Israel!!!

...which can only mean 1 thing- the US will try to cut Russia off at the pass....but will fail...because it is written!!!

Zionist Jews and ZioCon Christians will Fall!!!

Let the chips fall where they belong...

Israel has had a "Great Run"....for the past 60 years...and Zionists for the past 2000 years or

so...

Satan will not triumph or be allowed to triumph in glory...

... they try to rebuild their Temple and burn the villages and orchards of it's rightful owners...

They engage in rabbinical heresy...they allow the word of mortal man to supercede God's Word....

They engage in usury, prostitution, slave trading, bigotry, hatred, torture and bribery to achieve their ends....

Their time is near...

And so it should.

Amen. Inshallah.

Today I was given a dollar bill in change which had stamped in red on it, Investigate 9-11.

I discovered you can buy a custom stamp kit at any office supply store for about \$30. Cosco is one brand name. You can also order custom-made stamps online.

With your new toy, you can STAMP just about anything you want onto our "money"!

Some suggestions are:

9-11 was an inside job

9-11 Self-Inflicted Wound

Abolish the Federal Reserve

Stop Zionism

Fight the New World Order

Or whatever else you want to say.

Here is what you do, go to your bank and withdraw 3, \$100 bills. Ask specifically for hundreds. Stamp them. Go to another bank, or a store service center and change them down to 15 \$20's and stamp them in your car.

At your next stop, as soon as they are dry, have the 15 \$20's broken into 15 \$10's and 30 \$5's.

Now go buy your groceries with your new free advertising money, or continue the process by changing everything into 300 \$1's and stamping every single one of them.

Then go back to the bank and change them back into 3 \$100 and start over. One "round trip" could be accomplished in an afternoon, and you would add 363 pieces of free advertising circulating through society.

How many hands would your bright red stamped pieces of fiat currency go through every week? 3,630... 7,260?

With all the Current EconoBabble from both "Conservative" McCain & Obama, and all the BUSHIT from "W", it is refreshing to see that a REAL PATRIOT has the ONLY solution:

To ABOLISH THE SOURCE OF ALL THE DEBT - the privately owned "Federal" Reserve Bank!

I interviewed Congressman Ron Paul Friday about HR 2755 - The Federal Reserve Board Abolition Act - which will be rebroadcast this weekend through Sunday.

The word "Bailout" Is just so much NeoConArtist NewSpeak.

What is really happening here is just one more example of a Parasitic Money Paradigm: An Organic Money System is designed to transfer goods and services between and among PRODUCERS.

A Parasitic Money System is designed to transfer an ever larger amount of wealth away from producers and into the hands of non producing parasites.

A DEBT MONEY SYSTEM is like antigravity: Producers go ever deeper into DEBT, while non producers gain ever more of the goods and services produced BY THE PRODUCERS!

OFF TOPIC.....

Good News 2 All,

Big-bang machine suffers melt down set back.

A problem with a magnet connection will delay the start of experiments for half a year, partly because the \$3.8 billion accelerator is so complicated to repair. Physicists _ some of whom waited two decades to use the new equipment _ will now have to wait three more weeks for the damaged section to be warmed up to room temperature.

Story.....Here (<http://www.ksl.com/?nid=169&sid=4319922>)

Thanks be to God and all those that prayed.

Careful, defacing money is a federal offence and carries up to a 10 sentence, as well as fines.

Thank you for everything Brother Nathanael. I will try to send \$20.00 for your trip.

Things are tough right now, but I am sure I can do it.

I am wondering why the people of MA, U.S. would keep electing a guy that would be happy to have anal intercourse with their ten year old sons, or do perverted things with another mans penis?

I am sure there are many degenerates in Congress that would do the same thing but Barney is open about it.

What is your view of this?

41963Paul September 27, 2008 @ 9:31 pm

All Americans should protest by not paying IRS, Student Loans, Mortgages..thats what the founding fathers did, they refused to pay taxes without representation.

41963Christopher R September 27, 2008 @ 9:35 pm

The government recently made it harder for average people to claim bankruptcy, too. Economic oppression of the poor is increasing.

41963Dev September 27, 2008 @ 10:06 pm

Ok, without getting into conspiracy theories, I am wondering, what is the consenses here about what we should do with the travails on wallstreet?

I have to admit, I really do not know much about economics but I am a Christian and I know what is predicted in Revelations...it seems we are in very very dangerous time and I am hearing that from the left and right, Christian and Non Christians..

Is a bailout the right thing to do? Or should we just let things fall...ie Let the Free Market sort things out??

It really is terribly confusing!

41963Don September 27, 2008 @ 10:31 pm

Zionist pigs..what can u do?

God blesses Isreal. And at the same time uses the Jews to usher in world domination by the coming AntiChrist....Ultimately if you are on the side of the righteous you will have to oppose the Zionists but still support the core of God's promise to Isreal..it's a tough job...and as it is written there are some that are of the House of God who's Father is the devil...

Believe it or not there are actually Jews that are Satanists..dont believe it?..watch and see what's coming aka our Jewish international banker friends...instead of loving your neighbor their intent is to enslave and kill the Gentile and Jew neighbor...well we will see how they will

end up in the end...It should be real interesting..!

43458.Loren September 27, 2008 @ 10:35 pm

SHOULD U.S. BAIL OUT JEWISH BANKERS?

Absolutely!!!

Round them all up, put them all on a big boat with plenty of leaky holes, and with plenty of leaky buckets, leaky life preservers, and leaky life boats, and stick 'em all out in the middle of the Atlantic - and with the boat stuffed to the rafters with all of their worth-less-than-nothing Federal Reserve Notes. And on world-wide broadcast TV, watch them attempt to bail themselves out in the process!!!

And even such a boat ride would be all too kind in comparison to the hell these people have put the rest of Humanity through.

In the end, they will get their just recompense from a Holy and Righteous God. But until then, "resist the devil, and he will flee from you".

We in the U.S. have failed to "resist the devil." We have "spiritualized" our battles with the devil, and have likewise failed to realize how he and his earthly minions attack us through earthly and carnal means.

Oh yeh, we got the battle against homosexuality down real good. And abortion. And porn. But praise God and pray for our government, our illicit wars, our banks and our mammon, and our bastardized "American Way of Life," so that we can continue to spread the glorious Gospel to the rest of the world through the barrels of our guns and our threats of nuclear annihilation. Now that's what being a "Christian" is all about!

(I am being sarcastic in the above paragraph, just in case someone reading this post doesn't "get it".)

In the near future, there will be real-life in-your-face physical manifestations of the war currently being fought in the heavens. Will we finally then be convinced that our battle is not just against spiritual forces, but also against flesh-and-blood?

If our battle is only against spiritual forces, then why did our Founding Forefathers fight the Revolutionary War against the physical armies of the British? Why weren't "prayers" enough to defeat the British? (Maybe our Founding Forefathers didn't have enough "faith" behind their prayers? I doubt so, rather, they had great faith, and put great works - a war - behind their great faith.)

Many, with a Bible in one hand, and a musket in the other, fought for the freedoms for ALL - even for those who were fighting on the side of the British! Now, that is being "noble": for the benefit of all - even "the enemy."

When Jesus returns, He will CRUSH the governments of the world. Does that sound like only a "spiritual battle"? Or does it sound like a physical manifestation of Jesus and His armies to defeat physical earthly armies and their physical earthly governments?

This Jesus is definitely not the meek and mild mannered Jesus that the establishment would want us to believe in - a "milk toast" Jesus - a "doormat" Jesus - a "girlie man" Jesus.

The more you come to understand Jesus as the Son of Man while on Earth, the more you come to realize that Jesus was a "man's man" across all categories!

And when He returns, all those who oppose Him - and that includes those who are the most

elite and hardened of troops, special forces, assassins, etc - even those "satanists" who are on the inside of Satan's innermost circle - even those "Zionists" who covet to rule the world - will cower and cringe and cry out like little scared boys crying for their mommies and blankies and pacies (pacifiers).

In the old days, horse thieves were hung from the nearest trees. Today's "horse thieves" steal far more than just horses from people, but receive a slap on the wrist at the least, and maybe some jail time at the most. But certainly no punishments due their crimes.

If we were to do as China does, these professional scam artists would be marched out to the public squares and executed by firing squads for the whole world to see.

If this were employed in the U.S. you'd see those Zionist scum and their lackeys become God-fearing people-loving folk like none other - yet, it would still be a "scam", as their hearts would still despise and hold in contempt all non-Zionists. But at least, a moral structure would return to the U.S.

Still, the one and only solution (in the natural carnal realm) to our nation's economic and financial crises is to abolish the Federal Reserve!!!

From its inception, it was concocted and schemed and pressured into existence by evil satanic men. The Federal Reserve is a satanic monetary system - plain and simple!!! Yet, this understanding has eluded most Americans - including most Christians!!!

How can "light" and "darkness" coexist? How can a "Christian" nation embrace and employ an evil darkened satanic monetary system? How can Christians, in good conscience, ask God to bless that which is blatantly from the pit of hell and from Satan's own genius?

There are certain pastors who demand that members of their churches burn all those evil satanic rock albums and CDs, burn all those satanic books and charms and etc. Burn this, and burn that. But don't burn the Fed's "Notes"! Praise God, pass the collection plates! Everyone needs to "tithe" with those good ol' satanic Federal Reserve Notes! After all, "In God We Trust" - but whose "God" - the one true God, or the god of "mammon"?

I, as so many others, depend upon those satanic Federal Reserve Notes to pay my bills, etc, just to "get by" within this filthy system. So, honestly, it would be difficult for me (although I am the one in this post advocating doing so) to do away with the Notes, as I need them to just live life, even scraping by as I do. So it's a dilemma for me, too.

But in the end, our economy will collapse - as was originally intended and designed via the Federal Reserve System from 1913 onward - and the Federal Reserve Note will be revealed to be worth-less-than-nothing as it always has been - even from its very beginning - but there will be no more "facade" to deceive people with the fact that it is what it has always been - a ruse; a mechanism to steal the wealth of producers and award those who leach off of others; a negative to the positive which produces a negative; a black hole that must expand deeper, wider, and with ever-increasing speed just to maintain the "event horizon" from being sucked into the hole, but in the end, it gets sucked in anyway.

It's over, America. The party's over. We've "danced with the devil in the light of the moon" way too long, and now we must pay the joker. And payback will be a bitch (excuse the french, please).

It will get ugly ... as U.S. troops are amassing to go up against fellow citizens when it all unravels.

Imagine, our own Zionist-Occupied-Government (ZOG) will slaughter thousands, perhaps

millions, of its own citizens, without prejudice, without remorse, without shedding a tear - well trained - by our own taxpayer's monies - to kill whomever they are ordered to kill.

The end is near. What will you do when the end comes?

68109.admin September 27, 2008 @ 10:52 pm

Dear Don - There is NO dilemma.

The "Israel of God" as I point out in my article, "Will Israel Survive?" @ <http://www.realjewnews.com/?p=282> (<http://www.realjewnews.com/?p=282>) - is the Christian Church, not the secular, racist, murderous State of IsraHell. +BN

2 Dev,

The bailout isn't for the common man, people will still lose thier jobs, the dollar will still decline, people will still lose thier houses.

This will last for years, and in the mean time the zionist/jew carpetbaggers will buy up america for pennies on the dollar, we will become the kinder genteler america GW sinor told us about in the late 80's and we will welcome the new Amero monies.

Ugliness is upon us...Santa isn't comming this year.

68111.admin September 27, 2008 @ 11:19 pm

Dear Loren - The end is NOT near.

And may I remind you and all the readers of Real Jew News that I, Brother Nathanael Kapner, the publisher of Real Jew News, do not advocate in any way, shape, or form, the use of violence or illegal means to deal with the Anti American, Anti Christ, Zionist Jews.

We deal with these wicked Jews through prayer, information, education, awareness, and INVOLVMENT with our fellow Americans enhancing their awareness of the Zionist Jewish threat to our nation and to the world.

I am an optimist. If we do all of the above, especially PRAYER, then the Lord Jesus Christ, "the Judge of the LIVING & the dead," will intervene.

Pray, talk, involve, and have faith in our Lord.

+Brother Nathanael Kapner

For the continuing massacre of American home ownership and in lieu of the treasonable duplicity exercised by these zionist jewish banksters in the creation and exercise of the subprime lending crisis it is IMPOSSIBLE to think anyone could be interested in the redemption of these zionist devils.

May God forbid!!!

68113.Sal September 28, 2008 @ 12:19 am

Re: Jim's warning. With all due respect you just spread DIS-information, which plays perfectly INTO the hands of our Jewish control-freak masters.

You tried to SCARE me and anyone else out of this planned protest. Did you even research what the "law" actually says before spouting off? No.

<http://answers.google.com/answers/threadview?id=426715> (<http://answers.google.com/answers/threadview?id=426715>)

The actual "law" says...

"Whoever mutilates, cuts, defaces, disfigures, or perforates, or unites or cements together, or does any other thing to any bank bill, draft, note, or other evidence of debt issued by any national banking association, or Federal Reserve bank, or the Federal Reserve System, with intent to render such bank bill, draft, note, or other evidence of debt unfit to be reissued, shall be fined under this title or imprisoned not more than six months, or both."

So first of all you were 9.5 years too high regarding the punishment for messing with your master's money, and second, this "money" isn't being defaced with intent to render it unsuitable for circulation, because the bill remaining in circulation is an INTEGRAL part of the plan.

Stamp away people!

The Rothschild themselves says they have been at the CENTER of the world's financial markets for over 200 years, and It ranks amongst the world's largest privately-owned banks, and the best informed and most internationally effective banking group in the world.

<http://www.rothschild.com/> (<http://www.rothschild.com/>)

The Rothschild clan is the richest jews in the whole world and they have been at the centre of international finance for over 200 years. That is before Napoleon.

Rothschild was behind every major king in Europe for 200 years back in history. Rothschild hated the russian king, the Czar. Do you know why? Because he refused to bow to the Rothschilds demands. This and the rise of the jewish frauds Communism and Zionism has shaped the history of the latest 130 year. To understand what is happening today you must understand what took place in Russia in the 1880s.

Communism is secular Talmud-judaism. When you cut the crap in Talmud it in essence says: Jews are God's Chosen People, all the wealth in the world belongs to the jews and that all Goyim, non-jews are the jews slaves.

When you cut all the crap, communism in essence says that everything belongs to the state, and that the state shall be controlled by a Chosen Elite. Karl Marx was a jew and that is the key to understand what communism really is, a jewish fraud. Who do you think the Talmud-jew Karl Marx had in mind to be the Chosen Elite?

Control of the state is everything in communism, once you control the state all the wealth belongs to the Chosen Elite and all the people are slaves.

Communism is judaism with out god, secular judaism and that's why most jews in the whole world became communist instantly in 1850 and on. Today, 2008 most jews are communist.

Zionism and Communism are twins, they were born in 1850. Karl Marx and Theodor Herzl both had Moses Hess as their mentor.

What communism is most people have an idea about, but what zionism is very few know, simply because most people never heard much about zionism. Communism has had and have a huge impact on history. Zionism has and have probably more impact on history.

Religious judaism says that all the jews shall return to Israel - when God want. Political zionism says: We can't wait for God, we have to fix it ourselves.

This is why the religious jews opposes political zionism, it's blasphemy, against God's will. The religious jews have opposed political zionism from start after the first zionist world congress in Basel, Schweiz in 1897. 200 jews from the whole world attended.

In Encyclopedia Judaica from 1971, entry Edmund Rothschild it says that he was paying the first zionist settlements in Palestine in the 1880s. It goes on to say that if not for the Rothschild money the zionist would never had got a foothold in Palestine. Edmund Rothschild put up 50 million.

Napoleon tried to take Jerusalem in 1799 and give it to the jews. So the zionist thing is not a new thing, but Napoleon was the first that had the military force could have taken Jerusalem, but he lost the battle and after that he wanted to make Paris the new Jerusalem and he invited all the jews in the whole world to come to France.

The russian king wanted to modernise Russia and needed money. The Rothschild told the Czar that he should allow the jews to live where ever they wanted in whole Russia and give the jews "minority rights". The Czar refused and that meant that the Rothschild declared war on the russian King.

When you read what the jews thought about the Czar it's one thing, they hated the russian king. In 1881 the Czar was killed - by a jew. The new Czar wasn't that happy with jews so he imposed some "restrictions" on the jews. In the 1820s that Czar decided that the jews should be russian and assimilate and gave the jews free access to higher learning. This education was denied to the russian peasant.

The "restriction" the new Czar in 1881 imposed was that the jews was restricted to their percentage of the population to schools. When this got to the jews in America, they lied and said that the russian king was after the jews because of their religion. The jew cried "PERSECUTION", as they always do when they can't have it all their way.

This is the start of the modern time jewish lie about jews being "persecuted" for being merely religious jews.

What the jew-mafia in America, with Jacob Schiff as spearhead, did was they lied about the Czar "persecuting" jews because they were "religious" jews. This is the synagogue in St Petersburg, that was the russian king capitol.

"... when the design was submitted to Alexander II in March 1880, his reply was: "the dimensions of the building should be revised in order to make it more modest". This was a blow to the community. Fortunately, the architects agreed to make a new design free of charge, and a sketch of the synagogue was finally approved by Alexander III on May 16, 1883."

"The Big Synagogue was solemnly sanctified on December 8, 1893. Community leaders opened the central door with a silver key and carried seven Torah scrolls into the hall. ... Thus the St. Petersburg Big Choral Synagogue was opened after a 24-year-long history of authorization and construction."

<http://www.jewhistory.spb.ru/eng/main/s.php?id=838> (<http://www.jewhistory.spb.ru/eng/main/s.php?id=838>)

Just look at the size. This is the second largest synagogue in Europe.

http://www.enlight.ru/camera/311/index_e.html (http://www.enlight.ru/camera/311/index_e.html)

This is the synagogue in Moscow. It's smaller than the one in St Petersburg. Just look at the cars and people in front. The synagogue is GIGANTIC.

http://en.wikipedia.org/wiki/Image:Moscow_Choral_Synagogue.jpg (http://en.wikipedia.org/wiki/Image:Moscow_Choral_Synagogue.jpg)

Now, ask yourself: If I was the Russian king and hated Jews because of their religion, would I allow the religious Jews to build a GIGANTIC synagogue in the center of my Capitol and Moscow?

This Jew-mafia lie was what opened America to millions of Jews from Russia and Poland. And here are a book online that tells what and how the Jew-mafia in America did to take away any restriction on Jewish immigration to America.

<http://www.transferagreement.com/> (<http://www.transferagreement.com/>)

"Jacob Schiff stood out as a central figure. A major factor in international finance, Schiff's greatest weapon was money: giving it, denying it. ... 1903, Schiff decided to personally lead a crusade to force Czar Nicholas to abandon his anti-Semitic campaign.(42

"The banking boycott and the financing of Japan's victory were only the first rounds. In 1906, Schiff and other influential Hofjuden formed the American Jewish Committee. Their first major objective was abrogation of the Russo-American commercial treaty, the legal basis of all friendly relations with Russia. The Committee asserted that the czar's denial of Russian visas to Jewish American citizens was an affront not just to America's Jewish citizens but to the United States itself.(46)

Although William Taft had issued a presidential campaign promise of abrogation, he refused to honor his pledge once elected. During a February 1911 White House luncheon for Committee leaders, when Taft rendered his final refusal to abrogate, Schiff warned, "We had hoped you would see that justice be done us. You have decided otherwise. We shall now go to the American people."

Schiff then stalked from the room, refusing to even shake the president's hand. On the way out, Schiff whispered to fellow Committee leaders, "This means war!"(47)"

http://www.transferagreement.com/transfer/html/chap_3.php (http://www.transferagreement.com/transfer/html/chap_3.php)

Read that again. ONE mafia-Jew declares war on the president of the United States of America. Jacob Schiff did get what he wanted.

"Calling upon all friends and resources, the Committee began a widespread public appeal to have Congress force the president to end commercial relations with Russia. Within weeks, House and Senate abrogation resolutions-each personally approved by the Committee-were prepared. On December 13, 1911, after the House voted 300 to 1 to abrogate, Taft capitulated, and two days later issued instructions to terminate the treaty. (48)"

The abrogation, end of all commercial relations with Russia is one of the Jew-mafias greatest victory. That was a major blow to the Russian king, and it prepared the way for the Jew-mafia to overthrow the Russian king in the well planned coup that is called "revolution" in 1917 in Russia.

Communism is a jewish fraud, and the jewish fraud communism is about one thing and one thing only: Control of the state. And controlled the stat in Soviet the jews did. Here are the undisputed proof that no one can refute.

Encyclopedia Judaica is 0,8 meter, close to one yard, 3 feet and in A4. This brick work is hundred percent jewish. I have a copy of every page of the entry: Communism in Encyclopedia Judaica from 1971, and every excerpt on this link is correct. The Politburo was 60 percent jews. The rest was married to a jewesses.

Stalin was marrried to jewesses and Stalin's children was jews.

This "antichrist" is not a person, as many people falsely believe. There is no one human being that could believably convince the whole human race to transecnd their ethnic, racial, nationalist, cultural or individual bias — to see things one singular way.

The only thing that is capable of corrupting the whole of humanity is this very economic system itself — which is controlled by this old seed, the same seed which survived the Great Flood.

The mark on the forehead and the mark on the hand, do the will of the antichrist. What this means is that a) people believe in this system, decieved by their own minds (the "mark on the forehead") and b) people are willingly doing the bidding of this false system (with their hand).

Woops, a couple of spelling mistakes in that last message. "Persecution, Privelege and Power" by Mark Green along with "The Culture of Critique" by Prof. Kevin Macdonald, both essential reads.

These books, along with Michael Hoffmans "Judaism Discovered" and your site and with G-ds grace things will turn towards the light. Off to mass. Blessing to all. Carry on.

Dear ruby leo,

You are NOT correct in stating that the Anti Christ will not be a person. The Holy Scriptures, (1 John) teach that "anti christs" and "anti-christ teachings," will culminate into a one person demagogue.

A One World Government sets the stage for the Anti Christ who will be a Jew. See my article, "The Anti Christ Will Be A Jew" @ <http://www.realjewnews.com/?p=171> (<http://www.realjewnews.com/?p=171>)

The State of Israel as we now know it, that is the secular Zionist State now in existence, does NOT have to be in place for the Anti Christ to rebuild the Temple and sit in it as the self proclaimed messiah. He simply could have it erected.

On the other hand, St John Chrysostom, whom I read every single day, day and night, says that the "temple" in which the anti christ announces himself, could possibly be in the "church."

People will follow powerful, enigmatic, and charasmatic leaders. Any amateur student of history will inform you of this. Obviously, you do not know world history even in a superficial way.

But the rest of your comments seem reasonable enough. +BN

Rosa Parks, just another jewish fraud.

Look in the bus. How many people are there on the bus? Two people and the camera man. The bus is standing still. Rosa Parks is a cheap jewish b-movie.

Just like the "cristallnacht" fraud, just take some pictures from different angle and tell the dumb goyim what he sees. The dumb goyim will believe anything.

2 Sal,

You are correct I should have researched the laws. My intent was to warn that it was illegal, but as I can see it is only illegal if one is caught. I do need to point out though that the bank one exchanges the bills in are the would be enforcers. Please accept my apology.

If I were to do what you are advocating, I would use one dollar bills and drop or place them in stores where they might be found and consider the loss as a donation to the cause.

The "anti-Christ" will be a real flesh-and-blood person, and he will be a Jew. He will have the historical credentials, as well as the genetic testings, to prove beyond all doubt that he is the rightful heir to the Throne of Israel.

The anti-Christ will come in peace in the midst of world war, and in brokering the peace, the world will elevate him to world ruling status. In his first 3-1/2 years, he will right the many wrongs in the world. He will feed the hungry, cloth the naked, and visit those in prison. (He will be like the "rich young ruler" in Jesus's day.) He will forge new breakthroughs in science, medicine, and technologies that will liberate Humanity from so much that has been a burden since its "fall" in the Garden. He will even promise a new paradise, a new "Garden of Eden", for the benefit of ALL, not just "the few".

The anti-Christ will turn against those in positions of world power and influence who helped give rise to his world presidency but who have oppressed "the people" for so long. He will go up against the Zionists, the New World Orderists, the CFRists, etc, etc, even wage war against sovereign governments, in an attempt to remove such people from their positions and to hold them accountable for their crimes. In doing so, the common person will exult the anti-Christ as a true champion of "the people".

The anti-Christ will usher in true global (as much as is humanly possible) democracy to all peoples (perhaps via "the bio-chip" implant?), so that no one will remain voiceless in their governance. Whether by treaty, or by force, dictators will be forced to relinquish their control and to cede such unto their respective peoples.

Great signs and wonders and miracles will follow the first 3-1/2 years of the world rule of the anti-Christ, so much so, that the world will be deceived, unfortunately, even many of the very Elect of God will likewise be deceived unto this "man of perdition".

But all that changes after the anti-Christ comes back from the dead - after having been assassinated - with the infilling of the person-being of Lucifer/Satan himself. Lucifer/Satan is not capable of inhabiting the body of just anyone, but only a genetically superior human body with a soul already completely corrupted by a "darkness so dark so as to appear as light". And

so the second 3-1/2 years of the anti-Christ's reign on Earth will witness the unleashing of Satan's worst against Humanity (and the Earth itself), with the culmination of the return of the real Christ, the Lamb of God, the King of Kings.

The anti-Christ in the first 3-1/2 years will :

- 1) appear as the real-deal
- 2) perform many signs, wonders, and miracles
- 3) right the many wrongs
- 4) dethrone those who have oppressed the masses of Humanity and make them pay - some with their lives
- 5) usher in new sciences, medicines, and technologies that will promise a new Eden on Earth
- 6) fulfil the promise of the serpent in the garden unto Mankind - "surely you will not die" and "you can be as God".

The anti-Christ will appear as the real Christ, so much so, that many of the very Elect of God will be deceived into accepting this man as the return of Christ to the Earth (the Second Coming) and the ushering in of the 1000-year reign of peace and prosperity.

But after the anti-Christ gets indwelt by Lucifer/Satan and is brought back from the dead, the gig will be up, the mask will be removed, and the true darkness of Satan's darkened-light will be felt by ALL but those Divinely Protected.

When he comes, do not be deceived by this fake christ, but be fore-warned and fore-prepared. Anchor your faith, your works, your entire being, in the one true Christ, and in Him alone, now while you can, so that you will not be deceived, but able to weather the coming storms as well as the many empty and deceptive promises, and all the signs, wonders, and miracles of the not-from-God-but-with-the-appearance solutions.

What are you basing your assumption of how the anti-christ would react?

Why would he go against existing NWO organisations and ZOG government when ther anti-christain. Is tere anything in scripture to back up your claims?

9546. David September 28, 2008 @ 11:40 am

@Loren

I completely disagree with your assessment of the Anti-Christ.

The Anti-Christ won't be that deceptive, you have to remember something about good and evil.....

"No good fruit can come from an bad tree"

Evil can lie, deceive, manipulate, but it cannot do true good, it can look as if they are doing good, but the real purpose is to do bad.....

The world is going to become just like it was in the days of Noah, and how were those days?

There was violence, murders, adultery, fornication, and sexual perversion of every kind, men with men, woman with woman, men with boys, men with little girls, woman with little boys,

mothers with daughters boyfriends, etc etc etc.

The world will fall into this, and indeed has been for some time now, getting worse and worse.

When the anti-christ shows up, society will already be calling white black and black white, good will be evil and evil will be good.

The anti-christ will speak blasphemy against Jesus Christ, making fun of him in every way, degrading him, the only thing that will come out of his mouth will be evil.....

But evil has a certain kind of logic, he will use a certain logic to explain his viewpoints, much the same way that Fox news for instance explains how great the war is in Iraq, and how we're doing good over there, and how it's so necessary, and how we are spreading freedom around the world, etc.

That is a certain kind of logic.....but it has no truth in it, people of God can see that.....people of God know what Jesus said, people of God know it's wrong to bomb other countries killing hundreds of thousands of innocent people.....

That's why Jesus said, "Blessed are the peacemakers, for they will see God".

The anti-christ will come into power with great wonders and miracles, but that which proceedth out of his mouth will be pure evil, using a logic of evil, trying to convince you of what is right and wrong, warping your sense of reality.....

For example, you already have a warped sense of reality and you don't even know it, Satan has already brainwashed you.....

You believe there is a financial crisis going on right? You think there is a bailout going on right?

Yet nothing could be further from the truth, there is no bailout, in order to have a bailout the banks would have to have lost money.....and not only have the banks not lost any money, they have made more money in the last 8 years then they have in the prior 30 years before that.....

You have been duped into believing something which isn't even true to begin with.....

Banks lost money in real estate right?

Do you know why you believe that? The reason is because everyone else believes it, yet it's completely 100% false, with no truth in it whatsoever.....

First of all, 98% of all home loans in the USA are being paid for and in good standing.....FACT!

Second of all, when a bank loans money for a home say for 300,000, they are going to make roughly 300,000 in profit over 30 years.

And 98% of all those loans are being paid for.....

30 years ago, a bank made a loan for a home for say 50,000, and over 30 years made 50,000 in profit, now they are making 300,000 in profit over 30 years.

Now let me show you the scam.....

This is how they're doing this, when a home is foreclosed on, the bank takes the money they would have made over 30 years, the 300K, and says they lost that money.....

Did they lose that money? No, they simply lost out on making that money....

The bank then can sell the property, or rent it out, or just hold onto it, but whatever they do with it, they don't claim that money made until later....

So what they did was declare bankruptcy so they can hide the money made and be bankrupt on the phony numbers to begin with.

So the banks have made more money in the last 8 years then in the previous 30 years.....

You have been scammed and you didn't even know it, and here you are debating what should be done with the bailout and in reality there is no bailout.....

Evil has used a logic on you and you fell for it, when the anti-christ comes he will use an even greater logic.....

Only those people who God opens their eyes will be able to see what's really going on.

Soon it will be normal for men to be with men, and for woman to be with woman, it will be seen as old and backwards for men to be with woman, and they will use a certain kind of logic for this.....

For instance, take a look at the logic people use to molest children.....they say things like.....children want to be taught sex by adults.....children need guidance about sex.....love between parents and children naturally includes sex, having sex with children is a good thing, and only EVIL people say otherwise.....

Do you see the logic?

That is the kind of logic that the anti-christ will use.....

News byline, Sal. . . It is illegal to deface American currency, so while I can appreciate the sentiment, if you do, it is likely that while you are sitting in your car maddenling stamping your \$20's, a policeman will come by and offer you a stamped ticket of his own — which could see you doing jail time in this day and age.

Perhaps you should rethink your 'method' of revolt.
