Unique Source: *America's Iran Sterilization Strategy* @ Rense.com Here

THE ZIONIST JEWISH BOSSES of the *European Jewish Congress* (EJC) will meet with EU top officials in Brussels July 1-4 2008 to discuss "issues of concern" to the Jews of Europe. Based in Paris, the European Jewish Congress represents some 38 (!) Jewish national organizations across Europe.

The *European Jewish Congress* recently applauded the EU for "upgrading relations with Israel." In its applause the EJC used that famous Zionist lie citing Israel as "the only democracy in the Middle East." (Israel is NOT a democracy!)

Zionist Jews simply love to inflict penalties on Christians. Thus EJC President Moshe Kantor will ask the EU officials in Brussels this week for:

Stiffer Penalties For Iran's "Terrorism."

Stiffer Penalties For "Xenophobia."

Stiffer Penalties "Anti Semitism."

ZIONIST BOSSES WANT WAR IN IRAN

IN A STATEMENT MADE AHEAD of the July 1-4 2008 EU Talks - the EJC President Moshe Kantor said he will ask the EU to consider war against Iran:

— "If Iran, the center of world terror today, goes nuclear, threats of terrorist attacks in Europe will destabilize world peace." — Here

Truth is, it is Israel that is the "center of world terror today" not Iran. And it is the Zionists who are "destabilizing world peace."

At the EU's June 12 2008 *Luxembourg Forum on Preventing Nuclear Catastrophe* the Zionist Jew Alexei Arbatov in typical Zionist style made a veiled threat of war against Iran by quoting Bush's recent warning to Iran: "We are keeping all options on the table if diplomacy fails."

The Zionist Bosses of the EJC said that the Forum "focused on the dangers of nuclear weapons falling into the hands of rogue states."

But it is Israel that is the "rogue state" - not Iran! And as political analyst Terrell E Arnold points out: "Israel needs a nuclear monopoly in the region only because it proposes to continue the ethnic cleansing of Palestine. It needs a bigger club than anybody else to continue on this course unchallenged."

ZIONIST JEWS MAKE 'XENOPHOBIA' A CRIME

NO CRIMINAL COURT ON EARTH defines "xenophobia" as a crime. But EJC Moshe Kantor will be bringing to the EU table the Zionist definition of xenophobia: "Don't Anyone Dare Criticize Us Jews!"

On January 2 2008 Moshe Kantor called for "Tolerance Laws" to be used against Christians:

— "We live in a Christian Europe. Europe has lived through the Inquisition which burned non-Christians. Thus Europe is in desperate need of Tolerance Laws to provide for the co-existence of Christians and Jews." — Here

In April 20 2007 EU officials agreed to new rules for legislation to criminalize *xenophobia* in all of its member states. The EU officials called for jail terms for those who "incite hatred against a group defined by race, religion, or ethnic origin."

And guess what "group" is meant? Jews! Yet the Palestinians are the real victims of *xenophobia* - namely Zionist *xenophobia* crimes against Palestinians!

We Must Stop The Zionist Domination In Europe!

Instead - Christian Domination Must Be Reinstalled In Europe Now!

Dont understand how jews complain about the treatment they got durring WWII, but do the same thing to the Palestinians. How will you feel if someone comes at 3am and lay flat your home with a bulldozer?, cut your water, divide your land and over react with warplanes and tanks? these are gods people?

I think is highly oversold may be thats way Armagedon will come right back to your doorstep.

2. bonanzaman July 1, 2008 @ 2:38 pm

Is it possible they weren't treated the way they say they were? For instance it's been proven that the so-called gas chambers were built in 1948. What about the Zionist holocaust of Dresden, or the Eisenhower (Zionist) holocaust of 1.7 million German soldiers by starvation, dehydration and exposure? That Rothschild war saw a holocaust of over 60 million innocent people.

3. ChiOne1 July 1, 2008 @ 2:41 pm

The same people that produced the Holocaust in WWII are the same ones causing all the problems today. The descendants of Esau, Ishmael(Ishmael's daughter), Dan, other pagan banking nations of the middle east, Khazars, etc. are the problem. Gen 27:40 Esau has grown restless and is reeking havoc on the world today. He and his band of misfits control both sides. Thesis and Anti-thesis to produce synthesis. They created the problem and now have the "solution" to the problem, only the solution means the extermination of most of the masses, as in several billion. They will keep the rest as slaves.

Hitler offered all Jews in Germany \$4,000 per head, a vast sum in those days if they would move to the US. Their Zionist masters said no, they could not move anywhere except Palestine. Most refused. The war, holocaust and every bit of history is BS created by the Zionists for pity to bleed the goyem til they're dry.

Dear ChiOne1 -

"Dan" was one of the twelve tribes of the ancient Israelites. That tribe as well as the other 11 no longer have any geneological record.

Nor does any tribal entity of the Hebrews exist as the Jews have married between tribes and the majority of today's Jews are descended from the Khazars. +BN

If Israel attacks Iran, what a wonderful time for Palestine, Jordan, Lebanon, Hezbollah and Afghanis to attack Israel. They indiscriminately bombed Lebanon two summers ago, what a great time to return the favor. There are about 100,000,000 non-Israelis in the area and only 6,000,000 Israelis and the US is far away. It's too bad that Israel won't play nice. How many 12 year old girls do their snipers have to shoot? What a terrorist nation. Of course, the Bush Gang doesn't want to have peace either. It doesn't make any money for our corporations. Too bad they only care about making money.

IS IRAN AGAINST ALL JEWS ?

You decide :-

What many people do not realise is that thousands of (real) JEWS live very happily in Iran.

They have been offered financial incentives by the zionists in an attempt to get them to leave Iran and go to Israel.

Guess what.... they wont leave Iran. They say their heritage is NOT for sale.

'Based in Paris, the European Jewish Congress represents some 38 (!) Jewish national organizations across Europe.'

In my university days, I was taught to scoff at the very phrase 'international Jewry' as if it were just a product of Hitler's and Goebbels's insane imaginations. Imagine my surprise when I began studying history seriously - after I left university - and found that this allegedly non-existent entity 'International Jewry' had controlled the press and been manipulating public opinion, as well as governments, since at least the 1830s.

10. Mark Leininger Vail, Co July 1, 2008 @ 8:34 pm

Here's a paradox, a paradox, a most ingenious paradox: an anthropological fact, many (caucasian) Christians...have much more Hebrew-Israelite blood in their veins than most of their Jewish neighbors.

Dr. Alfred M. Lilienthal Jr.

...and they shall no more be remembered by their name. (Israel Hosea 2:17

I said I would... make the remembrance of them (genetic Israel-12 tribes) to cease from among men. Deut. 32:26

They have taken crafty counsel against thy people, and consulted against thy hidden ones...that the name of (true) Israel may be no more in remembrance. Psalm 83:3,4

He shall cause them that come of Jacob to take root: (true genetic) Israel shall blossom and bud, and fill the face of the world with fruit. Isaiah 27:6 (North Dakota wheat goes all over the world)

...and thou (genetic Israel) shalt be called by a new name... Is. 62:2

It is the glory of God to conceal a thing: but the honour of kings is to search out a matter. Proverbs 25:2

He that answereth a matter before he heareth it, it is folly and shame unto him. Proverbs 18:13

...If those ordinances(sun, moon stars) depart from before me, saith Yahweh, then the seed (zara-children, offspring descendants, etc.) of Israel also shall cease from bring a nation (goy-nation, gentile) before me for ever... Jer.31 35,35

and on and on and on...

Don't be fooled. God is not a liar. Practice the honor of kings and search out the matter.

Does anyone know why Manasseh has replaced Dan in Revelation 7 ? How could these 144K servants come about if the tribes don't exist? And they certainly aren't "Yahad" see Strong's # 3054

11. AsWas July 2, 2008 @ 4:57 am

There was one of those attention-catching psychological experiments a few years ago (it is NO coincidence that it was conducted by Israeli psychologists) that proved that if you initially asked someone for much more than they could reasonably be expected to give, then eventually you would be much more likely to be given exactly what you want. In other words, it was a scientific validation of the power of "chutzpa". A few non-Jewish people develop this power (we usually call them con-men), but it comes naturally to the Jews since they think they own everything by divine right, and that therefore every strategy is justified in achieving total dominion over the goys. As your latest article shows, Bro. Natahael, Jewish collective chutzpa has reached monumental proportions and is growing every day.

The problem for us in Europe is that there are many of our own non-Jewish politicians who seek the same intermediate goal of the Jews in shackling freedom of thought and freedom of expression for their own power seeking ends, and they use the Jews (and other minorities) as a means to those ends, possibly being too stupid to realise that they are riding a very dangerous tiger in doing so.

One of the ministers in our British New Labour government has already suggested that we need an anti-xenophobia law to add to the Orwellian legislation that they have already introduced. No doubt they will use the supposed vulnerability of the Jews to hurtful criticism as one excuse for bringing in such a law, but for them it is really about shutting down any opposition to their plans for turning Europe into a feudal empire with themselves as strutting princelings lording it over us peasants. Meanwhile the Jews look on with amused anticipation of their victory to come.

12. AsWas July 2, 2008 @ 6:19 am

"We live in a Christian Europe. Europe has lived through the Inquisition which burned non-Christians. Thus Europe is in desperate need of Tolerance Laws to provide for the co-existence of Christians and Jews."

It is worth analysing the above. First, note that the only victims of the Inquisition that the Jews care a jot about are the "non-Christian" victims, i.e., Jews. No surprise here, but note their attempt to dress up this selective concern in phoney universal garb (as if they really give a damn about anyone else), just as the xenophobia laws will be.

Second, the Spanish Inquisition's persecution of the Maranos (Jews who had converted to Christianity in order to avoid deportation, but whose true faith was doubted) ended five centuries ago, so, "Thus Europe is in DESPERATE need of Tolerance Laws..." [emphasis

mine] is as fine an example of Jewish intellectual chutzpa as you could wish to find. And yet they will undoubtedly get away with it, as they always do.

13. pooche July 2, 2008 @ 7:12 am

It is going to a sad day for the peaceful, non Zionist Jews when the world starts attacking Zionism with a cruel vengeance. I fear they will be blamed also.

14. AsWas July 2, 2008 @ 7:17 am

I have just realized that there is a third major deception in the above quoted statement. It implies that it was ALL Christians and ALL Europeans who perpetrated the persecution of the Maranos/Jews (just as, in some way or another, it was all Christians/Europeans who were responsible for "the Holocaust" centuries later), whereas, in fact, the Spanish Inquisition operated completely under Spanish royal authority (though staffed by secular clergy and orders), and independently of Rome. And, of course, the Protestants had nothing to do with it at all (except for the fact that they were also victims of the Inquisition). So, what we have here is yet another attempt to impose a collective guilt complex on European gentiles in order to more easily manipulate their eventual enslavement.

Anti-Christ World Empire is here.

It is demonic, it is dark and it is EVIL to its very core.

International Jewry, under the auspices of the Rothschild dynasty headquartered in the CITY of London, UK- the political, economic and cultural heart of the European Union (the revived Roman Empire)- is the prime force behind the construction of a One World Government for Planet Earth. It will be the first truly global empire to ever exist in all of human history.

With the full ratification of the EU Lisbon Treaty in 2008 will come the formal creation of the United States of Europe (USE). By January 2009, continental Europe, with a constituency of 500 million people in 27 unified countries, will elect/appoint its first president. Hence, the launch of the BEAST of Revelations on the world/political landscape, whose new found executive office is sure to become the future throne for the 'King of the Jews'- known as the "Anti-Christ" in historical prophetic scripture.

According to Richard Rothkopf in his latest book, "Superclass: The Global Power Elite", there are 6 thousand key players (out of a total of 7 billion people on Earth) who make up a core global superclass comprised of those who run governments, corporations, houses of international finance, the media, the world's religions, intelligence agencies and the planet's most dangerous criminal, military and terrorist organizations.

Recognized as the "saviors of the earth", this self-appointed aristocracy are overwhelmingly older males of European descent who have graduated from prestigious western colleges and universities. Most of them exercise their power transnationally. The list includes the Pope of Rome, Rupert Murdoch, Bill Clinton, oil executives, Harvard professors, former and current prime ministers and presidents etc...

This superclass is an "inner council" of sorts for the global elite. In metaphysical and religious terminology, they make up the outer ring of a 6th dimensional fallen angelic hierarchy of demons in service to Lucifer, the LORD of the highest or 7th dimensional house of consciousness and life on Earth- who in turn, overshadows the Jewish House of Rothschild. To complete the circle, one must make proper reference to the critical

"jewish" scriptural factor, through which this pinnacle of EVIL draws its power, source, and cosmological legitimacy. Enter both the Jewish Torah and Jewish Talmud.

The Jewish Talmud is "holy writ" for most jews today. In many respects, the Talmud supercedes the Torah of the Old Testament in authority for world jewry. The Talmud is, by far, the most racist, most hate-mongering, most blasphemous book the world has ever known. The Torah, however, remains the quintessential body of Law to which world jewry is typically known for, despite the pervasiveness of Talmudic doctrine throughout the jewish community worldwide. As of 2008, there are an estimated 14 million secular and religious jews living on Earth today. For religious jews, it is the combination of BOTH the Torah and the Talmud, as well as other tangential doctrines, that have contributed greatly to the 'anti-christian' nature and ideology of international jewry today.

Since the apex of the global elite are members of the Jewish House of Rothschild, based primarily in the United Kingdom (the titular lion head of the European Union and the new 'United States of Europe'), one can deduce that jewish supremacy, hatred of the goyim (all gentiles) and the blasphemy of Christianity and Jesus Christ, in particular, will become the core tenets of the world government and anti-christian empire that is now beginning to emerge in Europe.

However, since most of Europe is purportedly "Christian", this shadow jewish empire will attempt to mask itself as a "christian" superstate. In the fullness of time, international jewry will raise its own "Christ" figure (the long awaited and prophesized jewish 'meshiack') to rule over the nations, both within Europe and throughout the world. Ultimately, the plan is to set up a world theological government in Jerusalem, Israel- so as to usurp the true throne of God on Earth.

Having rejected the true Messiah (Jesus) 2000 years ago, world jewry- along with a majority of the world's nations and peoples- will embrace this fierce new political/religious world governmental Messiah (the Anti-Christ) as prophesized, simply because he will be the world leader everyone will expect him to be. As well, he will be the end product of an international jewish conspiracy to conquer and rule the entire world, according to the Protocols of the Learned Elders of Zion.

After 1600 years, the Jewish Sanhedrin was recently re-established in Israel, as of Oct 13th, 2004. As tradition maintains, the new council is comprised of 71 rabbis. This new body of jewish religious leaders comprise a mid-level ring in the current 6th dimensional "inner council" of elders, who collectively serve the Jewish House of Rothschild, and ultimately Lucifer and his plans for complete world domination.

Members of the newly established Sanhedrin, in June 2005, announced their decision to re-build a 3rd jewish temple on the Holy Temple Mount in Jerusalem. The jews want the Temple Mount, or at least shared access to it. An area for a third jewish temple DOES exist north of the Dome of the Rock shrine, however, it is NOT the traditional Temple Mount of antiquity. The ONLY possible solution would be to share the existing Temple Mount between all three faiths- Judaism, Christianity and Islam.

Contention of the Temple Mount WILL lead to World War 3 in the region. More than 2 billion people will perish in a global thermonuclear exchange as prophesized in

Revelations 8-9. There is a high probability that global Islam, including Mecca and Medina, will be 'taken out' by this war- so much do the Jews HATE Islam and God's Holy Spirit, whose words and works are unveiled in the Holy Koran.

This war will be the pivotal world wide event that will lead to the rise of the false messiah known as the Anti-Christ. In conjunction with the rise of "the GRID", a 10,000 fold increase in network speed over existing internet capabilities and a cashless digital global economic system that will culminate in the dreaded "mark of the beast", the stage will be set to introduce a 7-year 'covenant with death' between the world's 3 great monotheistic faiths- albeit a bastardization version of the TRUE covenant of God. This will be the 7 year tribulation period referenced in scripture. This will also be the time when the 2 witnesses of Revelations (Enoch and Elijah) emerge in Jerusalem to prophesy and bring testimony to the enemies of God.

There are 5-6 key high-level demonic advisors that make up the innermost ring of the 6th dimensional "inner council" of the Jewish House of Rothschild. By virtue of their positions, both the King/Queen of England, the British Prime Minister and the Lord Mayor of the CITY of London, may possibly take up 3 of these positions. The CITY of London is HQ for international jewish power on Earth, the seat of the 7th dimensional house of Lucifer and the transitional throne of authority that is slated to be relocated to Jerusalem, Israel- with specific emphasis on the Temple Mount- once conditions permit.

The critical caveat in this whole endtime equation is Islam. More than likely, global Islam will be largely destroyed and considerably weakened prior to the jewish takeover of the Holy Temple Mount, as they have diabolically planned all along. However, having delivered a severe blow to worldly Islam, the historical words, works and the ever-present eternal reality of the Holy Ghost in space/time remains- and IT IS the Holy Ghost that will bring Judgement upon the false jewish "Christ" messiah when he ascends the holy temple mount in jerusalem and proclaims himself 'God'.

It is interesting to note here that worldly Islam and the Catholic 'False Prophet' Whore Church both have an intimate connection to the Holy Ghost portion of the Satanic Trinity (Lucifer, Anti-Christ and False Prophet)- a dialectical and direct oppositional counterfeit of the Creator's true trinitarian covenant. Revelational scripture duely prophesizes that the Catholic Whore Church will be burned utterly with fire at the end of days. Global Islam may very well go the way of the Great Whore, signifying a break and severe weakening of this satanic trinity in space/time. With Satan's forces divided amongst themselves, the forces of heaven, led by the archangel Michael, will win an easy victory.

As much as the jews hate Islam though, they hate Jesus Christ (himself a jew) even more so. Yet, as fate has decreed, as the Kingdom of Heaven descends to Earth, it will be the jew Jesus who will execute God's wrath, judgement and punishment (through the Holy Spirit) against the usurpers, devils and infidel international zionist jews who currently rule and reign on Earth. The number and scale of the CRIMES committed by these vermin against Man and Nature have reached the throne of the Most High- so great and so gross are their transgressions.

HELL and the eternal Lake of Fire awaits them all... a fate WORSE than death.

The xenophobia of the Jews has made them very dangerous, and when combined with the judical blindness and general derangement they've suffered since they've rejected and run contrary to the light of the world resident and manifest in God's Son Jesus Christ, they've easily been the most detrimental to the peace and welfare of humanity.

Jews are often very highly strung and tend to become very emotional and irrational when contending with Christians and Gentiles. The Jewish Encyclopedia says Jewish doctors report that Jews are disproportionately and even characteristically neurotic, and are twice as likely to be insane as non-Jews; and as bro Nathaniel says, the Jews are a very paranoid people, and doubtless because they know they've been plotting to overthrow Christianity and dominate and ultimately enslave the Gentiles, and hence are very afraid that one day everyone else will find out.

Jesus Christ actually said that "seven devils" worse than the one he would cast out of the Jews by his amazing ministry would possess the Jews and compel them to commit the crimes on their record since the Crucifixion, and after they had swept and garnished their God-forsaken house with the hypocritical self-righteousness of their Talmudic elders.

This means that things don't stack up too well for the Jews plotting to dominate and control the Gentiles and eradicate Arabs from the biblical land of Israel on the basis of propaganda and the lie, and the most heinous acts of barbarity. For used and abused Gentiles worldwide are becoming more and more angry with the Jews, and many are planning to retaliate with the traditional pogroms and holocausts in righteous indignation.

The crazed behaviour of the leading Jews is now bringing many of the younger Jews to their senses, as they realize the Jews' plot to overthrow the kingdom of God ruled by Jesus Christ can't succeed after all, and that it will at the worst bring down the world around the ears of those who have conceived the iniquity of it, in the last great social cataclysm.

Jews side with muslims over christian societies other than Palestine historically and at the present time.

The two are best friends when they have a common goal of supremicisim of christian society. Its not suprising as both are tribal and hostile to there non muslim/jewish neighbours.

Angel of the South,

This website is very specific as to names, organizations and agendas. And yes, these names, organizations and agendas are Jewish in terms of leadership and high percentage of constituency which also includes Christian Zionists.

Be careful of detraction of people as a people. 'The Jews' is too broad.

In the social teaching of the Church, the legitimate rights (in the case of America, the constitutional rights) of people are to be respected, this includes the respect of the good name and legal rights.

While 'anti-semitism' is being used against non-Jewish Americans as a weapon of hatred and repression, as a polity, America must not lower itself to this level as a reaction.

Liberty and Justice for all means just that.

20. Walter Lewkowski July 2, 2008 @ 9:39 pm

Let's get one thing straight about the Inquisition.

It was advancement on the current legal system of its time. Rather than tossing the accused into a river and if he drowned it meant he was innocent and if he floated he was guilty and then killed, the Inquisition relied on rules of evidence and reasoning.

The Inquisition applied logic and of course a restrained torture. Better than an unrestrained torture as employed by Djughashvili in Soviet show trials and the Nuremberg show trials. And I may as well throw in the Israeli show trial of Eichmann in a glass box.

At the beginnings the 1500's Spain was in desperate straights. The Jews of Spain had spent the previous hundreds of years persecuting the Catholics. They were a group that presented a real danger to the peace and order of Spain. The compassionate decision was reached. Jews should either become Catholics or leave Spain abandoning their wealth

Of course most Jews that stayed never converted but pretended to. Using the Inquisition to weed out the real converts from the fake was the most humanitarian way possible. Not by our Catholics standards in 2000, but that was then, this is now.

So the Inquisition was a good thing, relatively speaking. Catholic just didn't lop off the heads of every Jew as I am sure many a greedy Spaniards would like to have done.

21. America, the Beautiful July 3, 2008 @ 6:59 am

To focus so intensely on "the problem" rather than the problem solver, Jesus Christ, will be an obstacle for Christians.

It is like Peter when he stepped out of the boat during a raging storm on the sea of Galilee to go towards Christ.

As long as he kept his eyes on Jesus, he could walk across the water, but when he took his eyes off of Christ and onto the problem (the water) he began to sink.

In returning his eyes to Christ, he was able to walk.

So must all of us — Keep our eyes focused on Christ.

22. Jack Johnston July 3, 2008 @ 12:13 pm

Transparency is the answer. The jews abhor criticism because it brings to public light their supremacist religion/culture. Criticism points out their faults as with any person or institution and this transparency negates the propaganda that jews are victims and blameless.

Transparency provides parody without the requirement of permission.

Point taken Bruce.

This is the crux of the matter. The American people, especially the lukewarm and blind

"Laodicean" Christians among them, have been palliating the sins of the Jews for long enough, and they should never have given place to them as Benjamin Franklin said. The unrepentant and apostate Jewish people have an agenda that is the antithesis of the righteous Christianity at the foundation of American society; and the Bible says they run contrary to all men, because they oppose their redemption by opposing the good work of Christians on the planet and continue to promote their own evil agenda of world control.

The leading Jews are criminals hardened in their apostasy from God, and are the Devil's advocates and his directors of all of the violence and corruption on the earth. Bro Nathaniel didn't put up this Web site to palliate the sins of the Jews, but to expose the Jews for who they are, because the American people were and still are blind to their true character and the damage they're deliberately and vindictively doing worldwide. Jesus Christ utterly condemned in scathing inictments the Pharisaism that is the basis of the Jews' sacred literature the Talmud, and the apostles gave no place to Judaisers who were in the guise of Christians in the churches but bringing the people back into bondage to what many Christians today think is what God wants for them.

Some Jews are just simply lethargic snakes, with the nature and only passively in the service of the serpent Satan; others are more militant and agile in that way, and some will even run you down down for the Devil; and others are like vipers in their broods plotting in their coils of power. But all Jews in Jewry are snakes, in the sense that they all directly or indirectly and always wilfully and often vindictively foster Satan's agenda of antichristian world control.

The best way to "get the Jews' heads on a stick" today would be to give them a forty day amnesty to get out of America, and to do to those that don't leave just exactly what Gentiles have been forced to do to Jews since the relatively righteous Catholic Inquisitions, because the Jews' money lust and murdering and lying has become intolerable.

If it comes down to a Ron Paul style truly Republican revolution, or a Six Days in May type coup d' etat, and the heads have to roll, so be it; because the Jews have the blood of millions of Americans already on their hands, and they all know their leaders are plotting to mass murder millions more in the very near future at home to get Americans on side with them in their war in Iran.

Bruce,

This is the type of comment that could open this Blog to allegations of 'incitement' to hate crimes.

Are you for real? If you are, then you should see that this is an evidence based website, the tone is factual, the format is documented. The Christians who are commenting here do not want a backlash again the Jewish community. What is here being advocated is the timeless Christian call to conversion to our Lord Jesus Christ who testifies of himself: "I am the Way, the Truth and the Life."

Or alternatively, you are just another Jewish hoaxer writing in with a payback message against the Jews hoping to provoke Christian hate-speech and incitement.

Dear Lynda - This comment by Bruce fell through the cracks. This is what he wrote for the record for the comment will now be deleted:

"I don't want to be nice to these zionist I want pay back, I want their heads on a stick and soon."

This kind of rhetoric will not be tolerated on Real Jew News comments. May all commenters take notice.

Thank you for this, Br Nathanael, sometimes a stern, fair message from the moderator is what is needed.

More of this type of comment is going to appear on Real Jew News because I see that links to your website are being posted on all websites openly calling for revolution against the American Zionist Occupied Government and its collaborators.

Hatred for the Jewish people as a people on these websites is extreme. And I will be very surprised if these sites are shut down by the ADL. On these sites, I see no respect for the legitimate human rights of the Jews as a people, nor respect for their constitutional rights as Americans. This is shocking.

The 'Get the Jews' message featured prominently on these sites is basically round them up and ship them off to Israel. American citizens!

But of course, this type of 'Lesser Brethern' management is exactly what Zion's High Kabal wants. They want settlement fodder for Greater Israel. They want cannon fodder for WWII for Greater Israel - which is to be the echelon nation of the new world order.

Americans should not be falling into any of these categories. Period.

The laws of the land are capable of surgically handling spies, traitors and seditionists by name and deed against the Republic and its Constitution.

This is not about oil. If Allan Greenspan says its about oil, then whatever it is about - its not about oil.

Also (and most tellingly) these revolutionary websites quote with approbation the ideas of Guiseppe Manzinni of the Carbonari. Manzinni! the respondent of Albert Pike's [in]famous letter was a Palladian Rite revolutionary who trained at the international school for Bolshevism and international revolution - the Grand Orient, the 'mother' lodge which is in Paris. The

Grand Orient which is Illuminated freemasonry was set up by the Rothschilds. It is the same outfit that was the recipient of a huge sum from a grateful Lenin once he had succeeded in overthrowing Russia.

People who are thinking this way, must listen now to the Magisterium of the Church.

"Truly indeed we can say that this is the hour granted to the power of darkness to grind the elect as wheat.

"Evil comes out of the Secret Societies, bottomless abyss of misery, which those conspiring societies have dug and in which heresies and sects have, as may be said, vomited as in a privy all they hold of licentiousness, sacrilege and blasphemy."

Pope Gregory XVI 1831-1846 Mirari Vos.

The universal Revolution of Bolshevism and Counter Bolshevism by means of which Zion would accede to world power has long been foreseen by all sides of the conflict. The dialectic of the Revolution at the level of nations was stagemanaged by the Grand Orient (founded by the Rothschilds). In its end game, it is stagemanaged by the Palladian Rite under the control of B'nei Zion.

Clearly foreseeing the endgame, the Archangel Michael prostrated himself upon the earth and prayed at Fatima in 1916:

"Most Holy Trinity, Father, Son, Holy Spirit. I adore You profoundly and I offer You the most precious Body, Blood, Soul and Divinity of Jesus Christ present in all the tabernacles of the earth, in reparation for the outrages, sacrileges, and indifference with which He Himself is offended. And through the infinite merits of His Most Sacred Heart and of the Immaculate Heart of Mary, I beg of You the conversion of poor sinners."

The Church in Eclipse has posted the full and unabridged prayer in English of 'The Exorcism Against Satan and the Rebellious Angels' published May 18, 1890 by order of Pope Leo XIII. www.destroyfreemasonry.com/appendix.htm. Angel of the South,

If you want to control the opposition, then you lead the opposition.

Now where have we heard this revolutionary formula before?

Quit ut Deus, does not lend itself to the Palladian revolutionary dialectic.
