**ONLY ZIONIST JEWS IN FRANCE WILL BENEFIT** from the French state's recent decision to block "hate web sites." A case in point is the June 25 2008 French blocking of the popular Anti Zionist Web Site "Judicial-inc.biz" Here.

In another recent affirmation of Zionist tyranny in France, an Algerian Minister blasted Sarkozy for being a puppet of France's powerful Jewish Lobby when saying:

— "Did you know that Israel released a postage stamp with Sarkozy's image during the French electoral campaign?" (See stamp Here (<http://lespolitiques.blogspot.com/2007/04/sarkozy-has-israels-stamp-of-approval.html>) )

"And why did Bernard Kouchner (a Jew) decide to join the government as Foreign Minister? It was the result of the advice of the real architects of Sarkozy's rise to power, the Jewish Lobby, which has the monopoly over industry in France." — Here (<http://www.ejpress.org/article/22155>)

## HOW THE FRENCH JEWISH LOBBY WORKS

**THE "COUNCIL OF JEWISH ORGANIZATIONS" IN FRANCE** known as the CRIF ([http://www.crif.org/?page=articles\\_display/list&artyd=68](http://www.crif.org/?page=articles_display/list&artyd=68)) hosts as its favorite guest none other than French President Nicolas Sarkozy.

The CRIF, the umbrella group for hundreds of Jewish lobbies in France (<http://www.ejpress.org/article/16539>) , invited Sarkozy to its annual dinner as the featured guest speaker on February 13 2008 Here ([http://www.jewishjournal.com/articles/item/letter\\_from\\_france\\_the\\_hottest\\_ticket\\_in\\_town\\_20080208/](http://www.jewishjournal.com/articles/item/letter_from_france_the_hottest_ticket_in_town_20080208/)) .

In his speech Sarkozy made a solemn promise to the Jewish Lobby:

— "I solemnly promise never to shake hands with anyone who doesn't recognize the state of Israel." — Here (<http://www.ajc.org/site/c.ij1TI2PHKoG/b.3908711/>) & Here (<http://www.bakchich.info/article2774.html>)

The French newsmagazine, *Marianne*, criticized the invitation (<http://paris-chronicler.blogspot.com/2008/02/letter-from-france-hottest-ticket-in.html>) , arguing that it shows that "Sarkozy is encouraging religious

communities to lobby for their own interests in a strongly secular state."

## ZIONIST GROUPS CRIMINALIZE FREE SPEECH IN FRANCE

**ON MAY 31 2008 A JEWISH LOBBY** called "Liberté pour l'Histoire" held a conference at the Sorbonne in Paris. This Jewish Lobby Group is the main proponent of the pro Zionist law called "Loi Gayssot" which criminalizes those who question the Jewish Holocaust.

"Loi Gayssot" was both sponsored by and named for a Jewish Communist deputy in the National Assembly, Jean-Claude Gayssot. The law criminalizes free speech ([http://www.immigrationwatchcanada.org/index.php?PAGE\\_id=707&PAGE\\_user\\_op=view\\_printable&module=pagemaster](http://www.immigrationwatchcanada.org/index.php?PAGE_id=707&PAGE_user_op=view_printable&module=pagemaster)) that might offend self-designated victim minorities - while making sure that denials of Jewish Bolshevik mass murders would be exempted from prosecution.

A recent victim (<http://www.tellingfilms.co.uk/reynouard.htm>) of this law is the French chemical engineer & father of seven children, Vincent Reynouard. The *European Jewish Press* boasts of Reynouard of being sentenced to one year in prison on November 2007 for writing a 16-page pamphlet (<http://www.ejpress.org/article/21586>) entitled "Holocaust? The Hidden Facts."

According to the May 31 2008 speech ([http://www.fourwinds10.com/siterun\\_data/history/zionism/news.php?q=1212635023](http://www.fourwinds10.com/siterun_data/history/zionism/news.php?q=1212635023)) of the President of "Liberté pour l'Histoire," a Zionist Jew by the name of Pierre Nora, justified Reynouard's imprisonment saying, "in France *Loi Gayssot* has never been used to punish historians but only so-called historians."

But is the Sorbonne educated & *University of Lyons* Professor Dr Robert Faurisson (<http://www.revisionists.com/revisionists/faurisson.html>) a "so-called historian?" Yet Dr Faurisson is currently being prosecuted by the government of France for having spoken at the Tehran Holocaust Revisionist Conference ([http://www.australiafreepress.org/articles/Faurisson\\_Iran\\_Conference.htm](http://www.australiafreepress.org/articles/Faurisson_Iran_Conference.htm)) .

Bringing the criminalizing of free speech into the *Le Théâtre de l'Absurde* is the prosecution of the French lawyer Sylvia Stolz. Attorney Stolz was sentenced on January 14 2008 to 3 and-a-half years in prison and disbarred for 5 years for offering too vigorous a defense (!) of Holocaust revisionist Ernst Zundel during his trial in Germany Here (<http://www.wakeupfromyourslumber.com/node/5484>) & Here (<http://www.rense.com/general80/zzune.htm>) .

Will realjewnews be next?

They have the hootspa(if thats the term) to critise Chinas internet laws.

Talk about hypocrisy oligargh gangster Boris Berezovsky finance and runs Chechen websites and other anti-Putin websites based in France, CIA/Globalists NGOs also run anti-Putin websites in Europealot of which is based in France.

Bernard Kouchner was at the fore front supporting the genocide against the Serbs in the Balkans. Theres pictures of him shaking hands with KLA terrorists with his Jew buddy Richard Hoolbroke and Wesley Clark. Hoolbrooke and Kouchner are unsurprisingly both anti-Russian. Kouchner also runs or ran Medicines without Borders does this double as a front organisation?

This explains why recently, when "French President Nicolas Sarkozy, Jewish and supposedly a friend to Zionism, went to the Knesset and told Israel that it had to return part of Jerusalem to the Palestinians, accept that Jerusalem would be the capital of two states, stop all settlement activity, lift all the checkpoints in the West Bank, and end the blockade of Gaza," the Zionists sent him an unmistakable message with an assassination scare at the airport as he was leaving.

The message couldn't have been clearer: we put you into office, and we can take you out if you don't toe the Zionist line.

The West is breaking down into four groups with three distinct creeds: the Zionists, the materialist (both socialist materialists and capitalist materialists) and Christian partisans of Western civilization. (The Muslims are also making inroads, but haven't yet penetrated the establishment.)

Right-wing Jewish socialists like Sarkozy always believe they can have it all: their anti-Christian socialism, their anti-Christian Zionism, their anti-Christian Capitalism, and the respect of the people. Eventually they have to choose. In fact, we all do.

I, for one, am siding with the tried, true and proven Western (Christian) civilization over the false Gods offered by the others, which have brought nothing but misery upon the world.

To build a stronger, better house, we need to maintain our Christian foundation.

Anywhere that atheistic governments (whether secular, socialist or communist) are allowed to

take hold, are places that reaping the consequences of their rejection of God, specifically Jesus Christ.

When a nation, or a state, rejects God formally in a Constitutional document — it sets itself up to receive God's divine judgement.

God is a God of free will. He shows us Good and Evil, and tells us to stretch out our hand to that which we choose.

If we make evil or antichrist choices, God's spiritual laws uphold that we shall reap the appropriate consequences.

In this case — Oppression masquerading as freedom and potential economic prosperity.

The farther we separate ourselves from God, the more easily we are deceived.

Prayer and holy lives will miraculously turn these governments around.

Short of that — the judgement marches on.
