**JEWIS ARE ENEMIES** of *free speech*. This was asserted 2000 years ago by St Paul when he wrote: "The Jews forbid us to preach the Gospel to the Gentiles that they might be saved." (I Thessalonians 2)

Here are 3 Jewish *Thought-Police*:

- 1) Michael Chertoff:** Secretary of *US Homeland Security*.
- 2) Brian Marcus:** Director of the Anti-Defamation League's (ADL) *Internet Monitoring Department*.
- 3) Christopher Wolf:** Chairman of the Anti-Defamation League's (ADL) *Internet Task Force*.

On November 8, 2007, the ADL launched **Here** ([http://www.adl.org/PresRele/Internet\\_75/5175\\_75.htm](http://www.adl.org/PresRele/Internet_75/5175_75.htm)) what it called, "*A Nationwide Cyberbullying Educational Initiative* designed to protect children from harassing behavior and hate on the Internet."

But we who know better call this initiative: "*A Nationwide Cyberbullying Tactic* of the ADL by which the ADL ostensibly uses the 'protection of children' to curtail freedom of speech."

In other words: **Jews wish to infringe upon our right of freedom of speech to protect their wicked agenda.**

### **2007 INTERNET CONFERENCE HELD IN ISRAEL BY JEWISH THOUGHT POLICE**

**ON NOVEMBER 12 2007**, the Jew, Brian Marcus, Director of ADL's *Internet Monitoring Department*, gathered over a dozen so-called "experts" to discuss "hate" over the Internet **Here** ([http://www.adl.org/main\\_internet/israel\\_conference.htm](http://www.adl.org/main_internet/israel_conference.htm)) .

The conference, organized by ADL's Israel Office in Herzliya, was opened by Christopher Wolf, Chairman of the ADL *Internet Task Force* and the Director of the new Jew-organization, (does it ever end?), the *International Network Against Cyber-Hate*.

Wolfe said in his opening speech:

— "The Internet industry needs to do more to keep hate off line. Since providers keep smut off the Internet then they can also keep hate off the Internet as well." —

Here is what Wolf really meant:

— "Even though smut continues on the Internet unabated, the real issue is Internet criticism of we Jews which both shames and exposes us." —

In other words: **Jews wish to infringe upon our right of freedom of speech to protect their wicked agenda.**

### **JEW CHERTOFF OF HOMELAND SECURITY TELLS USA POLICE TO MONITOR INTERNET USE**

**ON AUGUST 27 2007** the Jew Michael Chertoff, Secretary of *US Homeland Security*, gave a speech **Here** (<http://newsfromthewest.blogspot.com/2007/08/chertoff-radical-ideologies-threaten.html>) before the *Association Of Chiefs of Police*. Chertoff told them:

— "Disaffected people in the US may use radical ideologies over the Internet. This presents the next major security threat to the nation. These disaffected people are the kind of terrorists that we may not be able to detect with spies and satellites." —

And everybody went away saying, "Boy these Jews want to silence all the 'disaffected people' who say things about them that they do not want the world to hear!"

In other words: **"We must stop the Jewish Thought Police before they throw us all in jail for exposing their crimes!"**

Right on Brother Nathanael! So far Americans have been enjoying the right to freedom of speech, not like here in Canuckistan north of the 49th Parallel. Here the Zionist Jews are very busy taking people to court and charging them with their hateful Sec. 13(1) legislation to censor all critical analysis of Israeli policies here and in the 'state' of Israel. Every day someone is getting charged or complained about but mostly it is Christians of one stripe or another. How typically Zionist of these bigots to target the Christians!

Keep up your good work Brother.

Love & Peace & Brotherhood for All!

American Judeofascists are just like their totalitarian precursors in the Soviet Union. Please reference the following articles which demonstrate that totalitarian Jews were behind the construction and imposition of the Soviet Union, which murdered millions of Christians:

-Accounts of Ukrainian holodomor that killed 7 million say mass starvation imposed largely by Jewish authorities

Anyone who thinks Christians and America are safe because the Judeofascists have their sights set on the destruction of the Muslims right now is a fool. Their ambitions are far higher than just extermination of Islam; they will next turn their guns on Christians, and use the totalitarian state that Christian Zionists have helped them to build in America to liquidate Christianity. Just look how Chertoff is already funneling US taxpayer money to build Zionist interests.

-Chertoff's Homeland Security funnels millions to US Jewish organizations for "security"

Those who are aware of Judeofascism's history of mass murder in the Soviet Union understand that Jewish authoritarians can never be trusted with state power. Strip them of their power or kiss Christianity goodbye.
