

The Jewish Media Blackout Of Ron Paul's Campaign

THE JEWISH MEDIA BLACKOUT OF RON PAUL'S CAMPAIGN

THE JEWISH-CONTROLLED MEDIA WILL EITHER *SMEAR OR IGNORE* a Presidential candidate they don't like. Ron Paul is now on the *ignore function* of the Jews who control the American media.

Fox News is run by Jews. *Fox News* has decided to exclude Ron Paul in their upcoming Forum of Republican candidates in the New Hampshire Primary. The Forum is slated to be broadcast by *Fox News* on January 6, 2008. See "**Exclusion Press Release**" [HERE](#)
(<http://www.ronpaul2008.com/press-releases/94/has-fox-news-excluded-ron-paul>)

The Jewish-run *Fox News Channel* has been pushing the *Jewish neocon* agenda that controls both the Bush Administration and US foreign policy with regard to Zionist interests world-wide.

THE JEWS WHO RUN FOX NEWS

* Rupert Murdoch: His mother, (by which Jews trace their racial designation), is the Jew, Elisabeth Joy Greene.

~ Rupert Murdoch's, *News Corporation*, owns *Fox Television Network*, *Fox News*, *DIRECTV*, *TV Guide*, *Wall Street Journal*, *New York Post*, and *The London Times*.

* Peter Chernin: New York born Jew. CEO of Murdoch's *News Corporation*.

* Mark Kaner: President of *20th Century Fox International Television*.

* Mitchell Stern: CEO of Fox satellite division, *DIRECTV*.

JEWS HAVE RUINED DEMOCRACY IN AMERICA

DEMOCRACY ONLY WORKS when Jews are not in control of political campaigns. Here's how the Jews have destroyed democracy in America:

* **THE JEWISH-CONTROLLED MEDIA** decides what political candidates will get coverage and what opinions the masses should have regarding these candidates.

* **THE JEWISH LOBBIES** donate **\$\$\$** to political candidates they like and to political candidates they know will ruin candidates they hate.

Because the Jews hate Ron Paul they are donating **\$\$\$** to the *also ran* Republican candidate, John McCain. Is it any surprise then that we now see John McCain's picture splattered all over the news these days?

* **THE JEWISH-CONTROLLED PRESS**, because they hate Ron Paul, omit him as a candidate. *The Wall Street Journal*, in their recent article "A Snapshot of the Presidential Campaign" [HERE](#)

(http://online.wsj.com/public/resources/documents/info-enlargePic07.html?project=imageShell07&bigImage=NA-AO912A_POLLS.jpg&h=288&w=698&title=WSJ.COM&thePubDate=20071107), every single candidate is listed *except* for the front-runner Ron Paul!

WHY THE JEWISH-CONTROLLED MEDIA HATES RON PAUL

RON PAUL'S POLITICAL PLATFORM doesn't sit well with the Jews of *Fox News*. Here's why:

- 1) Ron Paul is against the *Zionist-promoted* War in Iraq.
- 2) Ron Paul is against the Jewish-owned private banking consortium known as *The Federal Reserve Bank*.
- 3) Ron Paul is against US intervention in foreign affairs. (Zionists depend on US world-wide intervention in their desire to *control* foreign affairs.)

Until Americans wake up to the fact that Jews do not care about anyone but themselves and what serve *their* interests, we will have a Jewish-run government.

And until the Jews become Christians like Ron Paul, and are *chased out of politics*, *no* Presidential Campaign will be "democratic." Candidate Ron Paul Take Notice!

Can you do a piece on the Shah of Iran and the Jews. Please go to this website and listen to this interview. The Shah was critical of the Jews in the United States.

I disagree with you. Is there is Jews in Saudi Arabia, Egypt, Sudan, Algeria or any other place in the Middle East. Democracy does not exist anywhere in the world. Not even in China where they are locking up Christians.

Dear Joe Smokey Firestone,

Your idea is great. Brother Nathaniel we would be very appreciative if you would write us a penetrating and concise article on the Shah of Iran, the CIA coup against the DEMOCRATICALLY elected Dr. Mosaddegh, the Islamic revolution, the modern history of Iran, and its historic relationship to the jews.

4. George Orwell December 30, 2007 @ 3:28 pm

Dear Preacher Alvin Thomas,

It was the zionists who encouraged the Arab jews to emigrate to Israel in the 50s. Those jews who did not emigrate were the victims of terrorist bombs placed by the zionists in their synagogues. These terror tactics had the desired effects of evacuating the Mizrahim, i.e. Arabs jews, to Israel. This has been told by a prominent Iraqi jew, Naeim Giladi, who was part of the zionist terrorist operations in the 50s, and then turned anti-zionist. He is man of great courage to stand up to the zionists and the US establishment. Read more about Naeim Giladi here:

Quote:

In his book, "Ben Gurion's Scandals: How the Haganah & the Mossad Eliminated Jews", Giladi discusses the crimes committed by Zionists in their frenzy to import raw Jewish labor. Newly-vacated farmlands had to be plowed to provide food for the immigrants and the military ranks had to be filled with conscripts to defend the stolen lands. Mr. Giladi couldn't get his book published in Israel, and even in the U.S. he discovered he could do so only if he used his own money.

The Giladis, now U.S. citizens, live in New York City. By choice, they no longer hold Israeli citizenship. "I am Iraqi," he told us, "born in Iraq, my culture still Iraqi Arabic, my religion Jewish, my citizenship American."

"...We Jews from Islamic lands did not leave our ancestral homes because of any natural enmity between Jews and Muslims. And we Arabs -I say Arab because that is the language my wife and I still speak at home- we Arabs on numerous occasions have sought peace with the State of the Jews. And finally, as a U.S. citizen and taxpayer, let me say that we Americans need to stop supporting racial discrimination in Israel and the cruel expropriation of lands in the West Bank, Gaza, South Lebanon and the Golan Heights."

Quote:

Giladi has strong views on Zionism and its negative effects and his article begins with the following passage: "I write this article for the same reason I wrote my book: to tell the American people, and especially American Jews, that Jews from Islamic lands did not emigrate willingly to Israel; that, to force them to leave, Jews killed Jews; and that, to buy time to confiscate ever more Arab lands, Jews on numerous occasions rejected genuine peace initiatives from their Arab neighbors. I write about what the first prime minister of Israel called 'cruel Zionism'. I write about it because I was part of it."

Dr. Ron Paul is a true American patriot because he wants to unshackle the American people from slavery to an alien force which has hijacked their government and country.

The enemies and slave masters of the American people are all interconnected and form an ideological group tirelessly working for world subversion and dominion. Here are some of their ways and means:

- Electronic voting machines, which can be programmed remotely through modems, confessed by their manufacturers in a congressional hearing.

- The Federal Reserve Bank, which is neither federal, nor constitutional, nor has any reserves. It is privately owned and issues fiat money out of thin air, then lends it to the US Treasury at interest. The Treasury pays interest to the Fed by raising income taxes through the IRS.

- The mainstream media, which are owned, managed, and censored by a New World Order cabal serving the devil. They are the prime weapon of brain washing and mind control of the American sheeple. The TV is a greater source of power over the hearts and minds than all the nuclear arsenals of the world combined.

- etc....

PLEASE CONSIDER SENDING AN E-MAIL SIMILAR TO THIS ONE TO THE CHAIRMAN OF THE REPUBLICAN PARTY OF IOWA AND VISIT YouTube.com/JimConditJr AND www.realnews247.com (<http://www.realnews247.com>) AND www.LibertyBroadcastNetwork.org

Subject: "We believe in accountable government..."

To: ray@iowagop.org (mailto:ray@iowagop.org)

Dear Mr. Hoffmann,

As Chairman of the Republican Party of Iowa you state on the Iowa GOP website (www.iowagop.org) in your "Greetings": "We believe in accountable government..." I trust that you really mean that and that accountable government entails one that ensures honest and open elections. Jim Condit, Jr. and others have been breaking their backs trying to work for an open and honest vote count. There is strong evidence to indicate that the top Iowa GOP leadership is rolling over to the political machinations going on at an even higher level which would give us a dishonest count. I assume you are well aware of the fact that it happened in 1996 with the vote fraud perpetrated against Pat Buchanan. There are a lot of eyes on you right now. PEOPLE WANT OR RATHER DEMAND THAT YOU BE HELD ACCOUNTABLE. BE HONEST. DO THE RIGHT THING. DON'T BE A SUBSERVIENT PUPPET IN A CORRUPT GOP MACHINE. THERE WILL BE A DAY OF RECKONING.

Sincerely,
(Name)

I'm just getting sick of hearing DEMOCRACY. If you know so much about the jews and their manipulation, WHY do you continue to preach democracy? Surely you know that this is a zionist trick because the United States is a CONSTITUTIONAL REPUBLIC, yet you still call it a democracy over and over again. Democracy is the SWORN ENEMY of our republic. Plato said, democracies only last on avg 225 years and ALWAYS followed by a dictatorship. Why are you pushing the idea of DEMOCRACY???? Unfortunately, most people reading your articles won't realize the difference, but there ARE those of us who do.

We have a somewhat democratic election process which is a compromise that was fought for by people who KNEW how to destroy this country and what it stands for. That's why all the fighting while writing the constitution. Some of our forefathers were trying to make sure there was no way to subvert our form of government, while others were trying to make sure that things like our election process allowed them a way to gain control. This fight has gone on for centuries, and America is just another chapter for the jews. DON'T allow them to convince ONE MORE SOUL that our government is a democracy. This is the SAME bull they are teaching in our schools, and it's an OUTRIGHT LIE.
