# What Were The Mossad And Fake New Zealand Passports Doing In Iraq?

By Jerry Mazza

8-8-8

Let's take a step backwards first to : [http://www.guardian.co.uk/world/2004/jul16/israel Mossad spies' jailed over New Zealand passport fraud.](http://www.guardian.co.uk/world/2004/jul16/israel%20Mossad%20spies%20jailed%20over%20New%20Zealand%20passport%20fraud)

This July 16th 2004 Guardian article opens with a blast: "The prime minister of New Zealand angrily denounced Israel and imposed diplomatic sanctions on it after two suspected Mossad agents were jailed for six months for trying on false grounds to obtain a New Zealand passport. The plot, which involved obtaining a passport in the name of a tetraplegic man who had not spoken in years, provoked a furious reaction yesterday."

That's followed by a March 2005 Peace Researcher article, <http://www.converge.org.nz/abc/pr32-123b.html> Israel Apologizes to NZ For Bungled Mossad Passports. That reads "PR 30 (March 2005) ran a lengthy article entitled "Mossad Spies Imprisoned In New Zealand: Our Passports Valued For Use By Israeli Covert Killers.

"To briefly recap in 2004, New Zealand authorities became aware of a covert operation mounted by Israel's external Intelligence agency, Mossad, to secure NZ passports (which are keenly sought after by those who seek hasslefree entry to most countries. Mossad has a long track record of using fraudulently obtained passports of friendly counties, such as Canada, for its agents to commit crimes, including several murders, in countries throughout the world).

"The spy ring consisted of at least three Mossad agents working from Australia (it later emerged that Australia secretly expelled an Israeli

diplomat as a result of this scandal in NZ) and one New Zealand Jew. The ringleader, a Mossad agent, and the New Zealander got away to Israel. The two other Mossad agents, Eli Cara and Uriel Kelman, were arrested in the act of accepting delivery of a fraudulently obtained NZ passport.

"They duly pleaded guilty to a single charge and served three months of a six month sentence before being deported back to Israel. They were also each ordered to make a \$50,000 payment to the Cerebral Palsy Association, as they had sought the passport in the name of an NZ cerebral palsy sufferer."

### Deep throat in Iraq

According to a reliable source, these Mossad fake New Zealand Passports then showed up in Iraq. That source's source is inside the G2 Intelligence section of one of the commanding armies in Baghdad. Some of the soldiers caught these Mossads with the New Zealand Passports on them. The Mossad were subsequently ordered to be let go. The plot thickens.

Our source talks with members of the 3rd Infantry Division and 4th Infantry Division who nailed the Mossads and ordered to let them go. As a result, when these US Army personnel returned to the US, they left their army careers and refused to serve the likes of George Bush and Israel? What could their deeper reasons possibly be?

Could it be that in fact the Mossad agents were caught with high powered sniper rifles, killing American soldiers to 'aid and abet' the illusion that America was fighting a legitimate war in Iraq? I repeat, that the Mossad agents were assassinating American soldiers to support the illusion America was fighting a legitimate war in Iraq.

These Mossad agents were caught with IEDs (Improvised Explosive Devices), according to our source, and very sophisticated detonation devices to kill American soldiers and otherwise set off "terrorist bomber" bombs anywhere they wanted those bombs to go off.

Some of these "terrorist bombers" did not even know they had a bomb in their cars. It was planted by Mossad and then detonated when and where they wanted it to go off to kill as many as they could. Some Iraqis have noticed their cars were not handling right and stopped to find out what the problem was.

The problem was they were driving a bomb, not just a car, but were not terrorists. They had been set up to be terrorists when the Mossad had the vehicle where they wanted it to be.

Additionally, some of these Mossad agents were at Abu Ghraib prison and torturing Iraqis right along with US soldiers who had crossed that line under orders from Bush and Rumsfeld. Some of those held at Abu Ghraib, later

released, had their cars rigged to go off wherever, whenever the Mossad-a-tiers wanted them to go off. In short, the Mossad was invited in to show American soldiers how to torture Arabs. Lord knows they'd had enough practice in Palestine, or is it Israel; oh well, less and less of Palestine and more and more of Israel everyday? See [http://onlinejournal.com/artman/publish/article\\_3546.shtml](http://onlinejournal.com/artman/publish/article_3546.shtml) Paul Craig Roberts Are You Ready to Face the Facts About Israel?

But these Mossad members were caught red-handed by our red-blooded American solders, just as the British SAS soldiers were caught with a carload of IEDs and detonation devices doing the same awful thing in the Basra area. Both sets of events were hushed up in the news.

Bottom line, resign

Career solders in our US Army, the source reports, came home after these events and resigned, refused to re-up and extend enlistments to serve in the US Army given the above events they witnessed. What they saw obviously sickened their stomachs and souls, especially that a purported ally of the US would send in Mossad assassins to kill US soldiers, just to perpetuate the illusion that George W. Bush and his Zionist pals were conducting more than an obscene scam with the Iraq War.

The source would take solace, great solace, if those U.S. service men and women who witnessed any of these events would step forward and blow the whistle on them and on the cabal of ruthless Mossad who killed their own brothers. RIP.
