Yitzhak Rabin murdered to empower Shimon Peres to divide Jerusalem?

"Israeli Penal Code – 1977, Section 97(b) A person who, with intent that any area be withdrawn from the sovereignty of the State or placed under the sovereignty of a foreign state, commits an act calculated to bring this about, is liable to life imprisonment or the death penalty."

Israel has this law on the books, but will they enforce it *before it's too late*? **The worst offender is Shimon Peres.** [Yitzhak Rabin](#) exposed Shimon Peres as "**an indefatigable subversive.**" Yet, shamefully, Shimon Peres has survived to this day, protected by the corrupt Israeli oligarchy that are servants to their German-Jesuit masters, as the [Jewish homeland](#) continues to be dismembered, the Third Temple dismantled, and Jerusalem undermined!

Isaiah 3:12

As for My people, children are their oppressors, And women rule over them. O My people! Those who lead you cause you to err, And destroy the way of your paths.

Isaiah 9:16

For the leaders of this people cause them to err, And those who are led by them are destroyed.

Shimon Peres has collaborated with the bloody **Roman Catholic Cult** (aka the Babylonian Mystery religion) and Germans to transfer Israeli sovereignty over Jerusalem to them, fulfilling their dream that will become the world's worst nightmare!

Treacherous Israeli leaders *deserve* the death penalty!

Apparently, too many Israelis (and Jews in self-imposed exile) prefer lies and delusions to the plain truth of the Bible and history. Clearly, the sheep are on their way to the slaughter the German-Jesuit EU prepares!
