The Israeli Who Will Run the Obama White House

Written by Christopher Bollyn
Thursday, 06 November 2008

Rahm Emanuel is named after a Zionist fighter who belonged to the *Stern Gang*, which was a terrorist organization linked with the Nazis. Before moving to Chicago, his father was an active member of this terrorist group of assassins and bombers, which was also known as *LEHI*. Don't expect to hear these facts discussed on CNN.

"Obama's first pick: Israeli Rahm Emanuel as chief of staff" is the headline of a November 6 article in *Ha'aretz*, the Israeli newspaper. The Israeli editors at *Ha'aretz* proudly proclaim that Obama's first pick was "Israeli Rahm Emanuel" to run the next administration. Americans should be aware that Obama's chief of staff will be an Israeli, with terrorist roots and a clear loyalty to the state of Israel.

Although the Israeli Emanuel has been named as Obama's chief of staff, none of the Zionist-controlled media outlets in the United States seem as open as *Ha'aretz* to discuss Emanuel's family roots with the Nazi-linked Zionist terror gangs in Palestine in the 1930s and 40s. Naftali Bendavid of the Zionist-owned *Chicago Tribune*, for example, has written a book about Emanuel and spent a great deal of time with him but completely avoids his Israeli roots in the *Tribune* article he wrote on November 6.

Bendavid wrote that Emanuel "is best known as something of a Democratic political assassin" who "might not appear to be the obvious choice for White House chief of staff for a president-elect who speaks eloquently of setting aside partisan differences and bringing the country together."

Don't expect the controlled media to tell you the whole truth about Emanuel's family ties to real assassins. To get an idea of who Emanuel really is, I recommend my 2006 article, "Son of a Zionist Terrorist -- Rahm Emanuel's Dirty Secret."

Emanuel even left the United States to serve in the Israeli army in 1991. A person from any

other nation would automatically lose his U.S. citizenship for serving in a foreign military. Why do we let Israelis run our government? What will it take to remove people like Emanuel and Michael Chertoff to prevent them from damaging our American republic even more? The Zionist agents in our government are clearly in the process of accumulating power and not at all afraid of showing it. This is a very dangerous development.

Rahm Emanuel, an Israeli soldier and the son of a real Zionist terrorist, will be the next White House chief of staff.

Americans should note that this means a foreigner, an Israeli, i.e. a person with loyalties to Israel, will be running the White House under Barack Obama. The chief of staff effectively controls the people around the president -- he decides who sees him, what he hears, and what he knows. The people surrounding the president report to the chief of staff. Emanuel will be the intellectual handler of President Obama (a continuation of the role he has played for years) and the controller of the White House. How do you think having an Israeli with terrorist roots will affect U.S. relations with Iran, Russia, the Palestinians -- and the rest of the world?

NAMED AFTER LEHI TERRORIST

Emanuel's father said Rahm is "the namesake of Rahamim, a [Lehi](#) combatant." [Lehi](#), a.k.a. the [Stern Gang](#), was the most radical Zionist terrorist group in the 1940s. The Stern Gang killed scores of British soldiers and assassinated Lord Moyne and Count Folke Bernadotte, the United Nations envoy from Sweden, as well as hundreds of innocent Palestinians such as the civilian population of Deir Yassin. This Zionist terror group was allied with the Nazis in their war against the British. Both of Emanuel's parents, Benjamin Emanuel (formerly Auerbach) and Marsha Smulevitz, lived in Israel and both are related to Lehi fighters. This is to say that Emanuel's father, a Jew, fought with the Nazis.

The Brothers Emanuel: Ezekiel, Rahm or Rahamim, and Ariel with their father Benjamin Auerbach (changed to Emanuel in memory of his brother who was allegedly killed in an Irgun "reprisal" operation in 1933). Ben was an active member of the Stern Gang, a Zionist terror group allied with the Nazis which is known for a series of political assassinations, massacres, and bombings. Why would a dedicated Zionist terrorist from Jerusalem move to Chicago after the creation of the state of Israel? After the failed "Lavon Affair" false-flag terror attacks in Egypt, Israeli intelligence under Yossi Harel sent scores of high-level agents to the United States, often with an American spouse. The Emanuel family is one of them. The Chertoff family is another.

Rahm Emanuel is the same Israeli who ran the White House under Bill Clinton, although he did not have the chief of staff position. He is the person who pushed through the disastrous NAFTA legislation. It should be remembered that it was during the Clinton administration, while the president dallied with his chunky Jewish girlfriend, that the foundation of the Zionist terror network that pulled off 9-11 was laid. Now, Emanuel, the son of a terrorist and assassin, will be back in the Oval Office.

Emanuel has controlled Obama for years.

His brother is the agent for Michael Moore, who joked about Emanuel's appointment on the Larry King Show. Moore is a Zionist shill.

Emanuel, the son of an Israeli terrorist ([Irgun](#) and [Lehi](#)) is part of the Chicago-based Zionist political team with David Axelrod, Obama's chief campaign strategist. Obama thanked David Axelrod by name during his victory speech in Chicago's Grant Park. Axelrod's father, Joseph, a Jewish immigrant from someplace near the Black Sea, hanged himself in 1974 when David was a 19-year-old student at the University of Chicago. His mother was a communist journalist in New York in the 1940s who later became a vice president of Young & Rubicam, the advertising company.

David Axelrod ran the Obama campaign.

Rahm Emanuel, who is named after a Lehi (Stern Gang) terrorist named Rahamim Cohen, and David Axelrod have been working together since 1984 when they teamed up to help Paul Simon (Mr. Bowtie) defeat Sen. Charles Percy (R-III.)

These two Zionist extremists were not working for reform in Illinois; their only agenda was to defeat the incumbent Sen. Percy because of his senior position on the Foreign Relations Committee and his outspoken criticism of Israel. These Zionist gangsters went on to support the Chicago mayoral campaign of Richard M. Daley, the son of Richard J. Daley. These are the two Zionist punks who put Barack Obama into the White House.

CHANGE?

In October I warned readers that the Obama ticket was really a hard-core Israeli ticket in disguise. In my article "[Colin Powell: Liar & War Criminal Endorses Obama](#)" I advised my readers of the Israeli gangsters behind Obama:

Powell's endorsement of Obama, a puppet of the Israeli Rahm Emanuel, has less to do with Obama's African roots than it does with getting Emanuel and his Zionist gangsters back into control of the Oval Office. Emanuel, the real boss of the Democratic party is the son of a real Israeli terrorist ([Irgun](#) and [Lehi](#)) and thug-in-chief of the party.

The Israeli Emanuel will manage the Obama White House.

AN ISRAELI CHIEF OF STAFF?

What can we expect from the Obama presidency? Elected on a platform of "Change" after 8 years of an unpopular and dictatorial regime, we would expect to see changes of the disastrous policies of the Bush administration.

What changes will we see? Will we see an end to the costly and illegal wars in Iraq and Afghanistan? Will the senior officials of the Bush administration who willfully lied to start these wars of aggression be held accountable for their war crimes? Will we finally have a proper and independent investigation of 9-11? Will the ghoulish Israeli Michael Chertoff be fired and his oppressive Department of Homeland Security dismantled?

If the war criminals are not held accountable and the most egregious criminal policies of the Bush administration are not changed and reversed – what exactly does the Obama "Change" slogan mean? Changing the curtains? Changing the Israelis in the White House?

The appointment of Rahm Emanuel, Clinton's senior advisor, to run the Obama White House does not look like a positive change. I was hoping for someone like Michael Jordan to be the next secretary of state. Rather than Israelis like Emanuel, we need people like Jordan in power to turn our national game around.

Michael Jordan would be an ideal U.S. Secretary of State.

Jordan is impressive, has a strong strategic mind, and knows how to win against incredible odds. We've seen him do it many times. He is articulate, greatly admired around the globe - - and he can fly. Under Barack Obama and old foreign policy hand Sen. Joe Biden, who could possibly be a better representative for the new administration than Michael Jordan? (Of course, Jordan would probably refuse to work with a nasty fellow like Emanuel, but he could stuff the Israeli.)

Michael Jordan with the Chicago Bulls

But the announcement that Obama has chosen an Israeli to run the White House staff has dashed any hopes we might have of a American "Dream Team," with Michael Jordan or not, in the next administration. Rather than having a team of strong, smart, and patriotic Americans who can restore the American dream and soar, we will probably wind up with a bunch of nasty Zionist Jews who can't even jump and couldn't care less about America. Emanuel's staff will probably be more of an Israeli dream team of radical Zionists -- but what consequences will that have for America -- and the Middle East?

Here is the complete text of the Ha'aretz article:

Obama's first pick: Israeli Rahm Emanuel as chief of staff

By Anshel Pfeffer and Shlomo Shamir

Haaretz Correspondents and AP

A day after his historic election to become the first black American president, Barack Obama stepped into the role of president-elect yesterday, inviting Rahm Emanuel to join his administration as White House chief of staff, Democratic officials said.

Emanuel, a former Bill Clinton adviser, is the son of a Jerusalem-born pediatrician who was a member of the Irgun (Etzel or IZL), a militant Zionist group that operated in Palestine between 1931 and 1948.

Obama intends to announce key cabinet and staff members in the next few days to ensure a swift transition to the White House in January, which would allow him to deal with the global economic crisis as quickly as possible.

If Emanuel accepts, he will return to the White House, where he served as a political and policy adviser to Clinton. Emanuel is the fourth-ranking Democrat in the House of Representatives as the Democratic Caucus chairman.

Emanuel knows Obama from his hometown Chicago and headed the special team that planned the midterm elections in 2006, in which the Democrats recaptured a Congressional majority.

Emanuel also served as inspiration for the fictional character Joshua "Josh" Lyman, the deputy White House chief of staff, played by Bradley Whitford on the television drama "The West Wing."

Obama is expected to appoint loyal advisers and aides to central cabinet and staff positions, as well as experienced officials from the Clinton administration and a few prominent Republicans to enhance his intention to bridge political gaps.

Several Democrats said Massachusetts Senator John Kerry, the party's 2004 presidential nominee, was actively seeking appointment as secretary of state in the new administration.

They said Obama would issue a written statement announcing that his transition team would be headed by John Podesta, who served as chief of staff under Clinton; Pete Rouse, who has been Obama's chief of staff in the Senate; and Valerie Jarrett, a friend of the president-elect and campaign adviser.

One of the most talked-about appointments is the Treasury Department secretary. The names most mentioned for this post are former Clinton administration Treasury bosses Lawrence Summers and Robert Rubin. Or Obama might keep Secretary Henry Paulson.

Other candidates include a former Summers deputy, Timothy Geithner, president of the Federal Reserve Bank of New York, and billionaires Warren Buffett and New York Mayor Michael Bloomberg.

The president-elect had breakfast yesterday with his wife and daughters, then left his house for a workout at a nearby gym. Aides said he intended to visit his campaign headquarters later in the day to thank his staff.

Obama has 10 weeks to build a new administration. But his status as an incumbent member of Congress presents issues unseen since 1960, when Democrat John F. Kennedy moved from the Senate to the White House.

Rahm Emanuel's father, Benjamin, yesterday refused to comment on the report that his son was appointed White House chief of staff. He told *Haaretz* that he would only comment after speaking to his son.

"Obama is a pro-Israeli leader and will be a friend to Israel," he said, adding that he was pleased with Obama's election. He also said his son is the namesake of Rahamim, a Lehi combatant who was killed.
