## The US top secret in Iraq and the Israeli connection

Ali Alarabi

September 13, 2008

Bob Woodward's newest book "the War within" which he reveals in it how the Bush administration has administrated the war in Iraq and in it he talks about a US secret program to counter the Iraqi insurgency. Woodward told CNN's Larry King, earlier this week, that he has obtained secret information on the workings of US military in Iraq that enabled the US forces to stem the tide of violence and al-Qaeda terrorism in Iraq.

Though it looks like it is a super secret as to what kind of program the US forces had developed to counter the military-style attacks in Iraq against its forces, but this supposed super secret is not quite that big of a secret after all.

It was reported in the US and British press as far back as 2003 that the US forces is using the Israeli Army tactics and Israeli advisers for training and consultations to counter the insurgency in Iraq. In a 2003 article titled "Israel trains US assassination squads in Iraq" the British newspaper the Guardian Reported that "The Israeli defense Force (IDF) has send urban warfare specialists to Fort Bragg in North Carolina, the home of US special forces, and according to two sources, Israeli military "consultants" have also visited Iraq"

Israel has developed urban warfare tactics due its decades long occupation of Palestinian lands and its tight control over the population. Israel has been killing off the leadership of Palestinian resistance and organizations leaders through its "Arabaized units" known as Dovdovan" in Hebrew who operate by infiltrating and blending in with the local population as well as dress in Arab clothes and speak fluent Arabic in order to assassinate Palestinian leaders. The Israeli tactics however are illegal under international law because the Israeli presence in the Palestinian territories is also illegal.

Moreover, Israel was successful in its assassination program in part due to its use of huge network of spies and informants to pinpoint Palestinian members of organizations Israel deems terrorist and deals them a fatal blow. Though Israel has mastered this technique but it is far from subduing the Palestinians and eradicating their resistance to its occupation.

Elaborating on the Israeli connection in Iraq, the Guardian reported " This is basically an assassination program. That is what is being conceptualized here. This is a hunter killer team" said a former senior US intelligence official .

Israeli presence in Iraq well documented in the press . Israel maintains a well established relations with Kurds in northern Iraq and it has set up shop to operate its intelligence network with the Kurdish and Iraqi leaders to spy on Iran and the Iraqi leadership as it was widely reported by the New Yorker Magazine reporter Seymour Hersh.

Hersh was perhaps the first western journalist to report on the assignation teams set up in Iraq by the US military with the help of Israeli army personal in Iraq and in the US in a well known piece in the New Yorker magazine titled " Moving Targets" in December of 2003.

This 'assassination teams" strategy, almost an exact copy of Israel's assignation campaigns against Palestinians, was formulated during former defense Secretary Donald Rumsfeld who through his under secretary of defense for Intelligence Stephen Cambone, has been deeply involved in developing the new special forces approach wrote Hersh in 2003 in the New Yorker.

Though it remains to be a well guarded secret as to how this program works but it appears to be working in reducing and in some cases stemming violence in vast regions of Iraq. And if we take into consideration that this program has succeeded in its goals, for the time being, especially in combination of other factors such as the decision of young shia leader Muqtada Sadr to freeze his Mahdi Army military confrontation with the US and Iraqi forces, and the decision of the Sunni tribes in al-Anbar to abandon Al-Qiada who shot itself in the foot by adopting harsh tactics and inflaming the secretion passions with it indiscriminate suicide bombing campaigns against shia and Sunni populations centers.

Another key player in this secretive program is General William" Jerry" Boykin a controversial General with fanatical anti-Muslim hatred and who had made some inflammatory remarks against the religion of Islam and Muslims. General Boykin remarked in 2003 to an evangelical group meeting about his experience in Somalia in the nineties that he worships the true God while his enemies, in Somalia, the Muslims worship "False God"

Boykin is a well know neocon whose world is black and white, a world raging with battles between good and evil as he sees it. In June of 2003, Boykin repeatedly equated the Muslim world with Satan in an interview with the Oregonian newspaper He remarked: "Satan wants to destroy this nation, he wants to destroy us as a nation, and he wants to destroy us as a Christian Army"

I don't doubt that the Israelis have been assisting in the training of the U.S . military, specifically U.S. Special Forces, to assassinate leaders of the insurgency in Iraq. However, I think the Israelis have had an even greater role in Iraq than this. I have been reading reports for years now that indicate the Israelis have also engaged in bombing and killing U.S. troops there in order to prolong the U.S. commitment in Iraq, and have made the attacks appear to have been done by the insurgents. Similarly, I have read many reports over the course of this war indicating that U.S. and British special forces were behind the initial bombings and attacks in Iraq that first precipitated the sectarian violence there. I think these reports are true, and it would not surprise me if U.S. and British forces have continued to mount such attacks in order to keep the violence going. I think further that the top leadership of the U.S. and British military in Iraq, and in their home countries, are fully apprised about the Israeli role in Iraq, including the Israeli role in "false flag" attacks on U.S. service personnel. After all, the criminals who are in charge of the U.S. and British governments obviously want to prolong the U.S. commitment there, and I'm sure, since they are unscrupulous murderers, that no tactic designed to accomplish that goal would be beyond their approval.

I also wanted to comment on Alarabi's assertion that General William Boykin, arch neocon and Fundamentalist Christian fanatic, is involved in the secretive liaisons with the Israelis regarding their training of U.S. Special Forces assassination teams in Iraq. I had hoped that Boykin had been booted out of the Pentagon because of his extremist statements. But no! Perish the thought! Obviously, the Pentagon and the Bush administration can't spare a true believer like Boykin!

This is further evidence, to me, that Wolfgang Eggert, a German historian based in Munich, is correct in his assertion that the U.S., British, and many other "Western" governments, are now controlled by Jewish and Christian extremists who believe that "God" requires them to precipitate Armageddon, the final earthly battle prophesied in the Christian New Testament, and in Jewish writings, so that "Christ" can return to Earth and establish His Kingdom! Of course, the Jews believe that "Moshiach," the Jewish Messiah, will be coming to Earth for the FIRST time. Eggert has amassed much evidence that indicates a fanatical Jewish sect associated with the Chabad Lubavitchers has established common cause with fanatical American Christian Fundamentalists, and that both of them now have a stranglehold on U.S. foreign, and, to a growing degree, domestic policy. He further says that Ahmadinejad, Iran's president, has similar extremist views about the coming of "the twelfth Imam." All these extremists, Eggert asserts, are leading the entire world to destruction. Eggert's petition urging international action against them is available online. Google his name and you will find it. (At least it was there a few days ago! In today's world, who can predict what will appear online from one day to the next?) Eggert summarizes his research along with the petition. I urge everyone here to read it.

Other writers have been writing for years about the connections between extremist religious groups and international Satanism. The evidence suggests that the Satanists long ago infiltrated and now secretly control these sects, and are using them, not to establish God's Kingdom on Earth, but the Kingdom of Lucifer! I ask the indulgence of non-Christians who may be reading this. Since I am a Christian, I can't do otherwise than to tell this from a Christian perspective. I mean no disrespect toward anyone from another religious tradition. God, I am convinced, loves us all, even those who have become

One of the writers who have written about the Satanist connection to all this is Bruce Springmeir, an American Christian clergyman who has suffered great persec ution for documenting the international Satanist network. His book, "Bloodlines of the Illuminati," is a classic in the field. The last I heard, the book has been suppressed and is no longer available. He is now in federal prison in America on a trumped -up, false charge of being an accomplice to a bank robbery.

Springmeir, in writing about the Rothschild family of Europe, the most important of the thirteen Satanist Illuminati families, quotes members of that family who have renounced Satanism as having participated in family rituals involving huma n sacrifice (usually of children) and as having witnessed visits by Lucifer hims elf at Rotschild gatherings. Lucifer, these Rothschilds say, told their family that his devotees on Earth must cause Armageddon so that HE, appearing as Christ, would be able to appear to bring peace on Earth and convince humanity that he is their awaited Messiah. He would then take possession of the Satanic New World Order and rule humanity as god.

The more I find out about the New World Order, the Satanist network , and extrem ist Christian, Jewish and Muslim groups, the more I think that this is indeed Lu cifer's plan, and that WE, the true lovers of God and of the truth,
