Will Obama become a Mossad Victim like JFK if he "cuts the strings"

It appears that Obama, like GWB, was elected by World Jewry with a mandate to continue pressure on Israel's enemies. Iraq as a threatening force is out of the picture, yet unruly under Zio-US/UK control. Egypt apparently still paid off. Saudi Arabia contained at the top like old Ottoman Turkey - the royal family could be taken out by Jew spies at any given moment. Turkey still retains a Jewish Junta over the country. Lebanon is still a wild card for the Jews and US puppets especially after their loss. Palestine increasing locked-down but could erupt with the right conditions. Iran is the key power that looms over Israel's plans for greater expansion and seizure of water and oil resources. It can fund groups to resist Israeli expansion and can fill the vacuums of power left by Iraq's fall.

This brings the question: if Obama at anytime resists Israeli/Likudnik pressure, or resists their geo-political schemes to turn Israel into a Major Oil exporter in the next 5 years, will he have "grassy knoll" event carried out by mossad operatives? Obama, retains a mossad operative in his coming administration with Rahm Emanuel, and if he resists their demands or plans, with his own program for "change" in the M.E. — will Obama become a Mossad victim? I think this is likely. If the puppet cuts the strings or doesn't respond on cue, the Israeli's will pull a "JFK" event in coordination with elements in the Jew compromised US intelligence agencies.

Remember that the CIA's Chief of Counter-Intelligence, the marano Jew James Jesus Angleton helped create the Mossad in the early 1950s. Angleton worked closely with the Israelis in arranging for a Jewish run hit on JFK in Dallas in 1963. It could not have be done without compromise at the highest levels. Obama is in the same boat with Rahm watching him closely. I'm particularly concerned if the Jews want to launch another Major False Flag and Obama resists the plan.

Very likely

Mossad will either set it up as Arabs (Iran) or White Nationalists.

If false flag as Iran we all know the outcome.

If other, then riots and gun removal attempt.

One must hope there is enough suspicious eyes on things now for zioMossad to pull something. But then again most AmeriKans are tv addicted and buy everything put in front of them.

Why should they kill him?

Obama is pro israhell.

Kennedy was killed by a coalition of Israel's friends in CIA (Jewish Angleton), CIA crooks, FBI crooks (Hoover), Pentagon and Southern rednecks (Johnson).

Obama tries to reassure both Pentagon and Israel that he is loyal. But if they don't trust him, they can stage some "terrorist" attack against him. They may use it as an excuse for introduction of military law. They are certainly prepared for that.

I think pfs and Nopes make the point...

that's kind of what I was thinking.... he'll be in precarious position if he goes his own way or doesn't obey his Zionist masters in Israel. If he doesn't do as instructed over Iran, Palestine, Iraq or allow a full blown American False Flag to occur, or becomes difficult — he could be taken out via a coup or an attack. Martial law would likely follow with the idiot Zionists trying to run the show in background. This would be the Dual Loyalists for Israel in JINSA/DHS /CIA/NSA/FBI calling the shots and rolling out the program. Yeah Obama is Pro-Israhell gmmonko but what will happen if he stops the lie machine or disobeys on his own terms? I see trouble... I thought Bush was possibly going to be taken out by a coup but it seems the US Military is completely Israelized now and does not have an independent group fighting Zionists Intelligence Agents on the inside.

Today's news

Has the same nauseating tone as it did 50 fucking years ago. Some marble mouthed lickspittle shrill wierdo demonizing the palastinians or another convenient villain-of-the-month. All to steer tax\$\$\$ in the direction of the talmud perverts who evidently store their own semen to boil us in it. Anyone with dual allegiance is a FUCKING TRAITOR pure and simple. TTBO Toss the ba\$tards overboard.

If they kill him

they will have to take his wife down as well. Because Michelle Obama does come across as the little woman who would go along with any lie or assigned role afterwards or play the classy widow for the sake of this country or Israel. NO WAY. She would get to the bottom of it and scrape some eyes out and yank off some major balls and expose what needs to be exposed. I'm convinced of that. I really like her.

messed up, sorry

Michelle Obama does **NOT** come across as the little woman

he must appear pro-israel, him electing that idiot rahmbo emmanuel is probably to assure the jews of his loyalty. Remember, JFK was part of the illuminati and strongly backed by the elites and mafia before he screw them over by asking his brother, Robert to prosecute the mafia. But the biggest thing of all, JFK attempts to let the US government print their own money, which probably sealed his fate

All of you make good points.

If they try to kill him, it's like Lincoln & Kennedy. The similarities are striking. On the other hand, _merk_ is right as well. His wife and others would try to dig deep in order to get to the bottom of it and not play the Jackie Kennedy role. Lastly, fallujah_superstar wrapped it all up in a nutshell in his last post above.

PS...

...it's also different as we saw what happened **AFTER** 9/11. Pictures got posted on the web, exposing all the lies. It wouldn't be so easy to assassinate him without the world asking what happened for real. It would be the McGruder film times 1000!
