Zionism: A Conspiracy Against Jews

By Henry Makow Ph.D.
June 27, 2004

In 1935 the steamer "Tel Aviv" made its maiden voyage from Nazi Germany to Haifa with Hebrew letters on its bow and a Nazi flag fluttering from its mast. The Captain of the Zionist-owned ship was a member of the Nazi Party. A passenger described the spectacle as a "metaphysical absurdity."

Actually it made perfect sense.

The ship transported German Jews who had taken advantage of the "Haavara" program, which allowed them to exchange their money for its value in Germany products in Palestine. As a result, the fledgling Jewish colony received about 70,000 highly educated German Jews and 140 million Reichmarks worth of German industrial equipment. This laid the foundation of Israel's infrastructure.

The arrangement also boosted the Nazi economy at a time when Jews worldwide were boycotting German products. (My main source is "The Secret Contacts" by Klaus Polkehn a prominent German journalist. It is included in Olivia O'Grady's *The Beasts of the Apocalypse*, 2001, 421-447.)

Why retell this story of Zionist-Nazi cooperation now?

Because "Jewish" leaders have been exploiting their "lesser brethren" for a long time, and are doing so today. Ordinary Jews pay the price and this price could rise.

In my opinion, Zionism is a movement to deceive Jews into advancing the objectives of British imperialism. (See, "The Jewish Conspiracy is British Imperialism") Zionists who have built their lives on a false premise naturally will reject this view.

Specifically, Jews helped the British-Jewish elite colonize the oil-rich Middle East under the pretext of Jews needing a national home. Despite the appearance of neutrality, the British (and Americans) financed, trained and equipped the Jews. (John Coleman, *Diplomacy by Deception* p. 107.)

The "British" are really the London-based international banking cartel associated with names like Rothschild and Rockefeller. It doesn't answer to any government. Its goal is to colonize the world and everyone in it. Jews are a means to this end.

As seen in Iraq, Zionists (a.k.a Neocons) play a major role in the colonization of the Middle East. The important thing to remember is that Israel is the creation of this cartel; both Israel and the US are its tools.

Iraq is only a phase in the emerging New World Order, which represents a continuation of the goals of "British" imperialism. John Kerry would take up in Iraq where George Bush left off. Democracy is a charade.

NAZIS MADE-TO-MEASURE FOR ZIONISM

In 1925, Germany's 500,000 Jews were overwhelmingly indifferent or actively hostile to Zionism. The German Zionist movement had only 9000 members.

The "Central Union of Germans of the Jewish Faith " represented most German Jews and favored active participation in German life. Its main focus was combating anti-Semitism.

Zionists, on the other hand, welcomed the Nazis' anti Semitic policies. Like the Nazis, they believed in race-based national character and destiny. Like the Nazis, they believed Jews had no future in Germany.

The Zionists did not protest Nazi persecution such as the removal of 2000 Jewish scholars and scientists from German universities in 1933. The Nazis rewarded this "restraint" by allowing the Zionists to go about their work unhindered. All other Jewish and anti fascist organizations were disbanded and their leaders imprisoned.

The Nazis required all Jews to join the Zionist-led "Reich Union" whose goal was emigration. Jews were to be converted to Zionism at any cost. The Zionists were able to publish books and newspapers critical of the Nazis so long as the audience was restricted to Jews.

The cooperation extended to political and economic spheres. Adolph Eichmann set up agricultural training camps in Austria to prepare young Jews for Kibbutz life. He visited Palestine and conferred with Zionist leaders who confessed their true expansionist goals. There was even talk of a strategic alliance between Nazi Germany and Jewish Palestine. His report is in Himmler's Archives.

[For more on Zionist-Nazi cooperation, see online Lenni Brenner *"Zionism in the Age of Dictators"* Also, Lenni Brenner, *51 Documents: Zionist Collaboration With the Nazis* (2002)]

The cooperation may have extended to the Jewish Holocaust and explain why most Jews passively accepted their fate. In his book, *"The Holocaust Victims Accuse"* Rabbi Moshe Shonfeld claims that Zionist- led Jewish Councils ("Judenrats") collaborated with the Nazis and deceived non Zionist Jews. See my "Zionism: Compulsory Suicide for Jews."

Europe's non-Zionist Jews were worth more dead than alive to Zionists and their financial sponsors. The Holocaust provided a political and moral rationale for the establishment of the Jewish state.

WHO WAS HITLER?

In 1919, Hitler was an Intelligence Officer with the German Army assigned to spy on the tiny German Labor Party. He became its leader. Max Warburg, brother of Paul Warburg, founder of the US Federal Reserve, was the chief of German Intelligence. Both were executives of the I.G. Farben conglomerate. There is no record of when Hitler stopped working for these Illuminati figures. (See also Be Afraid: The New World Order's Fascist Pedigree.)

Hitler was sponsored by the banker oligarchy, and may have been their pawn. Certainly the Nazis received millions of dollars from New York and London. See "Hitler Didn't Want World War."

Ernst ("Putzi") Hanfstaengl was close to both the bankers and Hitler and funneled money to the Nazis during their formative years. See also Antony Sutton "Wall Street and the Rise of Hitler" Chapter Eight

But when Hitler began to print his own money, he may have alienated these sponsors. See "Rothschild Conducts Red Symphony"

The bottom line is that both Nazism and Zionism were sponsored by the same banking cartel and had complementary goals. The rise of anti Semitism in Europe served to create the State of Israel, which President Assad of Syria described as a "dagger in the heart of the Arab nations."

Think about it. Hitler could have just confiscated all the Jewish wealth. Instead he used the "Haavara Program" to help establish the State of Israel. According to Polkehn, Hitler personally guaranteed this program in the face of opposition. It lasted until the beginning of the war.

This cartel, which controls the world today, has no compunction about using Jews (or anyone) as a means to an end.

THE BANKSTER AGENDA

All money is created in the form of debt to the privately owned banking cartel.

Imagine if *you* could create money out of thin air. Imagine *you* have the credit cards of all the nations in your pocket.

Your first impulse is to lend money to your nominees so they can buy most of the world's real wealth for you.

Your second impulse is to establish a totalitarian system ("world government" "globalization") to prevent any nation from challenging this system or defaulting on their "debt" to you.

To make nations accept "world government," you need to weaken them by having them fight among themselves, run up huge debts for armaments (which you will sell them), kill off the cream of their manhood, and become demoralized and decadent.

You accomplish this through your ownership of politicians and the press and your control of MI-6, CIA, Mossad who carry out terror and assassinations for you. This is the real history of the last 300 years.

"World government" is really about using debt to enslave us; it is an international loan collection agency. Naturally they shroud this with talk about tolerance, human rights, fighting poverty and preventing war.

A quote from a 1924 edition of the American Banker's Association Digest sums up what is currently happening. Keep this in mind when you vote.

"When, through the process of law, the common people lose their homes, they will become more docile and more easily governed through the strong arm of government applied by a central power of wealth under leading financiers. These truths are well known among our principal men who are now engaged in forming imperialism to govern the world. By

dividing the voter through the political party system, we can get them to expend their energies in fighting for questions of no importance. "

Now consider the words of an Illuminati defector, Svali.

"The conflict in the Middle East is only to the advantage of the Illuminists. They HATE Israel, and hope one day to see it destroyed, and are biding their time. One of the olive branches offered by the UN when it takes over is that they will prevent war in the Middle East, and this will be greeted with joy by many.

At the same time, the Illuminati covertly supply guns and funds to BOTH sides to keep the conflict fuelled. They are very duplicitous people...These people love the game of chess, and see warfare between nations as creating an order out of chaos."

In a personal email, she added:

"I have always wondered this, though, why some of the highest ranking financial families in the group (Baron Rothschild of France is one of the 13 European lords, or "kings" that run the group in Europe, and sits on the World Council) are Jewish, yet the group espouses hatred of their own race."

CONCLUSION

Ben Hecht said that reading the daily news to understand current events is like telling the time by looking at the second hand. You have to look at the decade and century hands to see what is really going on in the world.

The Rothschild-Rockefeller banking cartel is behind most political (and cultural) trends and its goal is to destroy the nation state, true democracy, religion, culture, marriage and family, in order to degrade humanity to animal status in advance of totalitarianism.

In the "war on terror," they have created a bogeyman to establish a system of repression to be used when they call in their "loans."

I was once a Zionist who believed Jews needed a homeland because of anti Semitism. I realize now that, like most of history, this view was mostly contrived. Anti Semitism is caused because many Jews serve (consciously or unconsciously) the bankers' harmful agenda. Zionism, Communism and Feminism are a few examples.

Most Jews are now totally identified with Israel, which is a tool of the Rothschilds' demented megalomania. If past is preface, this cannot end well for Jews or anyone.
