שלום רב,

בימים אלה משרדי דובר מתפ"ש מועתקים לטיקום חדש. בעקבות כך, השתנה מספר הטלפון במשרדנו למספר חדש: 03-6977611. מספר הפקס החדש במשרדנו יועבר לידיעתכם בשלב מאוחר יותר.

שימו לב, לא נותר כל שינוי במספרו האישי של דובר מתפ"ש, גיא ענבר, ומספר הטלפון שלו נותר כפי שהיה: 050-6234053.

לפרטים ושימושים:

בברכה,

List of about 500 Email contacts of the israeli Press Office. I was included in this list apparently by error. I received several Emails while in the list, among others one inviting me to assist to a conference about "the future of the settlements", during which the war criminal Shaul Mofaz will speak. I received this list of Email addresses from Major Guy Inbar, spokesperson for the office of the "Coordinator for Government Activities in the Territories (COGAT)" – which is the civilian office which coordinates and plans the ethnic cleansing, war crimes and genocide of Palestinians in the West Bank and Gaza.

Many Email addresses are in duplicate, and some people are present with several Email addresses. The list shows that the IDF has a desk for the USA, one for Europe, one for the EU, and that there are PACs (political action committees) set up in various geographies for the purpose of imposing israeli interests on the political systems of these places. The press contacts of this list are sparse outside of israel and outside of known zionist propaganda relays like CNN, Sky News or BBC. The recipients with identifiable links to some institution can be broadly split into the groups: zionist compliant media, zionist pressure groups, israeli government. In any case there are not many news agencies or media interested in whatever the GPO may want to say; apparently decent people in their right mind want to have nothing to do with common criminals posing as a government.
