For a man whose son became one of the most polarizing, controversial and even hated figures in U.S. history, a mouthful of pizza may not be worth a mouthful of profanity.

At an unidentified pizza shop visited by George H.W. Bush recently, one of the customers decided to give the former president a slice of his mind, replete with generous toppings.

"Murderous, Zionist piece of shit," the man said as he filmed the scene. Bush's entourage of guards quickly turned and began walking toward the camera.

Zionism is a Jewish political movement that ultimately led to a reestablishment of Jewish sovereignty over the lands of ancient Israel.

"You won't get your new world order, guys," he continued, an apparent reference of Bush's use of the term in his [1991 State of the Union address](#).

Story continues below...

The term "new world order" originated with an analysis of world affairs and preponderance of what it would take to bring about a lasting global peace, published by celebrated author and life-long socialist H.G. Wells in 1939. Wells called for "a rational consolidation of human affairs" under what he perceived to be the rapidly approaching mantle of global governance and what he called the failure of dictatorship by proletariat.

It has since become a favored term of both heads of state all over the world and political activists fighting the erosion of national sovereignty in the face of globalism's growing influence.

"Are you happy for the millions of deaths you're part of?" the man continued. "People know. People are waking up to the reality of this, Mr. Bush."

"That's unnecessary," one of the guards says as he edges the man out of the store's front door.

"No, it isn't unnecessary," the cameraman replied. "The guy is responsible for killing millions. If you knew anything about real history ..." he trailed at the clip's end.

After this debacle, Bush may think again before strolling into random pizza joints.

Neo-conservatism is not concerned with the deaths they leave in their wake because they think in the long-term it will be for the greater good, especially for them & their friends.

The Pentagon admitted that they've accidentally killed 125,000 innocent Iraqis since their illegal invasion & occupation.

Do you think that any neocons have lost any sleep over such mass murderous war criminal actions? I've seen no evidence that would lead me to think so, quite the opposite in fact.

I too am an ex-Republican. The Democrats are no saints, they just

look like it in comparison.

Do you have a link to a good source on this admission? My quick google doesn't seem to scare it out of the weeds

i've never heard them admit anything of the kind, although i personally think the number is much higher.

and we wonder why many in the middle east hate us with a passion.

Oh, yeah, well over a million. The Johns-Hopkins study published in the Lancet put it at over 600,000, and that was in, what, 2004?

But them admitting it, that's another matter. I'd love to see some of that, to show to the deniers.

George Bush Senior is one of the worst Zionists in world history next to the treasonous douchebag Henry Kissinger and good friend Joseph Ackerman.

"That's unnecessary"

Like hell it is. Every last one of them should be castrated for treason in the middle of times square, with the mob in front and guys like this one will sure bring the video camera...

I'd like to know how Bush senior and the rest of the Bush family can be Zionists when they were factually proven to be Nazis?

"I'd like to know how Bush senior and the rest of the Bush family can be Zionists when they were factually proven to be Nazis?"

Leaving aside the historically documented link of WWII-era Zionists colluding with Nazis (google it and be educated, sharonsj) to further their cause of establishing a Jewish homeland, there is an error in the way you frame your question.

It was not "Bush Senior" as you pose, it was his FATHER Prescott's business, a bank in NYC, that indeed was seized under the "trading with the enemy" act during WWII. Nazi

enemies to be specific.

Again, for those with memories longer than their nose, it was George Herbert Walker Bush that led the charge to remove Zionism from the UN TERROR ORGANIZATION list while US president.

Placed there because of proven terrorist tactics of bombing civilian buildings in Palestine and Egypt. It's their M.O. So, if aiding and abetting a TERROR organization calling themselves "Zionists" makes one a Zionist, then George Herbert Walker Bush has so proven himself.

You can not wipe away his historical record by re-framing the question falsely.

Zionism is fascism. Just like Prescott Bush helped fund Hitler, so did Zionist European bankers.

Did you ever hear of Machiavelli? Contradictory statements and positions are the norm. Logic has no place when dealing with these types of people. Just avarice and greed, no loyalty, except to their fellow Oligarchs.

Zionists are Nazis--no joke  
 Trem Nazi comes from the most feared eastern European tribe called Ashkenazism, Prior to that, they were called Zealots (Not zoolots)  
 Hitler was half Jewish and very Zionist. Actually, Germany was Jewish controlled to the hilt.  
 Hitler received billion\$ from USA to build up his military--from Uncle Sam  
 Over 600,000 Jews were sent from Germany into Israel. Sad part--USA was pushing and funding the operation. Reason Hitler invaded Poland--After WWI, Germany was forced to give a large portion of its territory to Poland. Polish were killing and making life miserable to the native Germans. Fact: British and French were the first to fire bomb Germany cities and declared war.  
 What was it to these freaks?  
 However, USA at the time 1940 was an ally of Germany, funding England's military build-up and suckering Germany against Russia. Remember--England/French after 1917 -- surrounded Germany ports with over 32,000 sea mines.  
 Nice guys and Uncle Sam must be really prouderthankoshershit :^/

Yep the daddy son tag team has killed more people for profit than any duo in modern history!  
 The Quaker Oats lady (babbs) the wife is worse than Bush 41. She

raised these criminal  
with the sweet breast milk of hatred & just plain stupidity!

However babbs thank you for the worst President in modern history!  
The evil you harbor  
is second to none! I remember babbs gave money to the educational  
fund after Katrina /  
Rita but the tramp was only gonna give the money if her son Neal's  
educational system  
was included to the State curriculum the following year! What a nice  
lady!

When the bush crime family finally rest the World will have the biggest  
Party Ever!

Then there's the unproven but curious evidence to suggest Babs  
might be the daughter not of Marvin Pierce but Alestair Crowley,  
discussed at length [here](#) but contested [here](#) on the basis of  
photos of the three.

Even if not his daughter, having a mother who was friends with  
such a man, who came to be known as "the wickedest man in the  
world", and so connected with Satanism and whose motto was  
"Do what thou wilt", has a certain resonance with the culture of  
Skull & Bones, eh? "Take what you can lay your hands on and  
don't be a squeamish little kid about it."

It runs in this feckless family; Prescott Bush was trading with the  
Nazis during WW2. By all rights Prescott Bush should have stood  
trial for \*treason,\* but managed to escape thanks to his status and  
connections:

"Zionism is a Jewish political movement that ultimately led to a reestablishment of Jewish sovereignty over the lands of ancient Israel."

There were no "lands of ancient Israel", no "kingdom of David" or Solomon", none. A myth without any historical or archaeological evidence. None. No "First temple" in Jerusalem, none.

Zionism was a movement thought up by a Christian conman in the late 1890s.

As far as George Herbert Walker Bush is concerned, HE was the one that led the removal of Zionism from the TERROR ORGANIZATION LIST of the UN while president of the US.

Up until that point, sane folks world-wide recognized Zionism as the movement that used TERROR BOMBINGS OF BUILDINGS and murdering INNOCENT CIVILIANS to further their "cause" of ethnic cleansing to clear Palestine for European converted Jews to steal.

Remember?????

Farang, I don't know where you get your info. from but ancient Israel and Judea existed. Nevertheless I wholeheartedly agree with the heckler rightfully calling Bush a murderer of millions. If only more incidents like this occurred, maybe America would wake up to what is being done in their name, or should I say by the Washington and the monied interests in this country.

jimbojamesiv:

I 'get my info" from the renowned Israeli archaeologist Israel Finklestein, who in 40 years of searching has concluded there is no evidence of any "kingdom" of David or Solomon. None, period, end of story.

You go ahead and believe myths written in the 800s BC if it comforts you.
