Turkish Prime Minister Recep Tayyip Erdogan

Turkish Prime Minister Recep Tayyip Erdogan says the dispute over Iran's nuclear program has been resolved and the international community should focus on Israel now.

"In fact, there is no nuclear weapon in Iran now but Israel, which is also located in our region, possesses nuclear arms. Turkey is the same distance from both of them," Turkey's *Star* newspaper quoted Erdogan as saying on Tuesday.

"What has the international community said against Israel so far? Is this the superiority of law or the law of superiors?" he added.

Most experts estimate that Israel has between 100 and 200 nuclear warheads, largely based on information leaked to the *Sunday Times* newspaper in the 1980s by Mordechai Vanunu, a former worker at the Israel's Dimona nuclear reactor.

Israel, which has started several wars in the region in its 60-year history of occupation, maintains a policy of deliberate ambiguity over its nuclear weapons program and does not allow international inspectors to visit its nuclear sites.

ISRAEL HAS MORE THEN 300 ATOMIC BOMBS.ISRAEL CAN NOT USE THEM OR DROP THEM IN THE M.E REGIONS.BECAUSE IT CAN DESTROY THEM AS WELL.BECAUSE THE WEAPONS OF THE REGIONS ARE MORE SOPHISCATET THAT THEY CAN EVEN DAMAGE THE ATOMIC BOMB ITSELF IN ISRAEL BEFORE DROWNING THEM ON OTHER PLACES.I WOULD ADVICE ISRAEL TO BE MUCH CAREFFUL AND NEGOCIATE WITH ITS NEIHBOURG FRIENDLY FRIEND.OTHERWISE ITS GOING TO BE THE 3.WORLD WAR.AND ISRAEL IS ON THE LIST TO BE DISAPEAR WITH THEM AS WELL.

get your fact stright

alhamdulliah he is he is becoming my favourite president and leader. muslim countries do really need lot of leader like Erdogan not the puppet like Mubarak and Sudi king. hope Egyptian and Saudi people will understand difference and overthrow their western backed puppet rulers. Turkey has produced such a gold like him it s a shame to some muslim countries who has not been able to produce such a gold rather they co-operate west to kill muslims.

What everyone (maybe) fails to realize is that IF israel does indeed drop any kind of nuclear weapon in the region, israel will also be one of those who will suffer gravely. stupid is as stupid does. "they plot and they plan but Allah is the best of planners..."
