Globe Magazine: Obama African Birth Certificate! Barack Obama's presidency is illegal!

OBAMARELEASE YOURRECORDS ON 8:51 PM

Not sure why Globe is just now running this story. The Obama Kenyan Registration of Birth that is now running on the front page of Globe appears to be the one **Attorney Orly Taitz** released last year. It is important to **note** that when Atty Taitz first posted that online the Obot's quickly photoshopped one of their own with **false** info to put disinformation out that it was fake. It must also be noted that no Court or any Legal Body deemed that document or the Lucas Smith document real or fake.

Posted below the Globe snippet is the **purported** 'Coast Province Certified Copy of Registration of Birth' for Barack Obama which was obtained by Attorney Taitz. Below that is the **purported** Kenyan Certificate of Birth obtained by Lucas Smith. [7/25 - Birther Report Update - FYI, more Obama/Kenya info posted below the Obama COLB. Much of it is what is reported in the current Globe.]
