Hamas: Israel Assassinated a Senior Hamas Commander in Dubai

By: cosmo on: 29.01.2010 [07:45] (213 reads)

Hamas should have been aware that the security in the ziouae both civil and military are run by a talmudist zionists mati kovchavi`s company.

The Iranian intelligence is aware of all this and its weird that the Hamas guys went right into the trap. There is no security in the ziouae for any person against the ziwost.

The ziouae should be treated there after too.

Hamas: Israel Assassinated a Senior Hamas Commander in Dubai

29/01/2010 Israel has assassinated a senior Hamas military commander in Dubai, an official in the Palestinian Islamic resistance group said on Friday.

Mahmoud al-Mabhoh was killed on January 20, Izzat al-Rishq told Reuters in the Syrian capital Damascus, but did not specify how the assassination was carried out.

Al-Mabhoh was suspected of having participated in the capture and subsequent killing of two Israeli occupation soldiers in 1989.

Rishq said Mabhoh was an "important" member of Izz el-Din al-Qassam brigades, Hamas's military wing named after a Syrian religious leader who fought British colonial forces in Palestine in the 1930s.

He said Mabhoh, who had been living in Syria since 1989, was assassinated a day after he arrived in Dubai but that Hamas could not say more at present about how he was killed.

The report comes at a time when Israel and Hamas are in the midst of a crisis in negotiations over a prisoner swap deal that would secure the release of captive occupation soldier Gilad Shalit.

German newspaper Der Spiegel reported earlier this week that Israeli Prime Minister Benjamin Netanyahu retracted his last offer to Hamas for a prisoner exchange deal.

According to the newspaper's sources, the current state of affairs puts negotiations at risk of failure.
