The United States plans to provide Israel with its most extensive military aid package in history.

The US Assistant Secretary of State, Andrew J. Shapiro claims that the increased US military assistance should help Tel Aviv reach tough decisions in peace talks with the Palestinians.

He said that there is “hope that the administration’s expanded commitment to Israel’s security will advance the process by helping the Israeli people seize this opportunity and take the tough decisions necessary for a comprehensive peace,” Haaretz reported.

Speaking at the Brookings Institution’s Saban Center for Middle East Policy in Washington, D.C., Shapiro said that the US plans to bolster Israel’s security by providing funding for the Iron Dome anti-missile systems.

Washington also plans to sell Israel new fighter jets.

Shapiro said that since Israel is facing some of the toughest challenges in its history, US President Barack Obama administration has asked Congress for nearly \$2.775 billion in security assistance funding “specifically for Israel” in 2010.

“It is the largest such request in US history,” he added.

“I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews ... I warn you, gentlemen, if you do not exclude Jews for all time, your children will curse you in your graves ... Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitutional Convention.” Benjamin Franklin

THE FRANKLIN PROPHECY

Recorded by Charles Coteworth Pinckney

Delegate to the Constitutional Convention of 1787

(This prophecy, by Benjamin Franklin, was made in a “CHIT CHAT AROUND THE TABLE

DURING INTERMISSION,” at the Philadelphia Constitutional Convention of 1787. This statement was recorded in the dairy of Charles Cotesworth Pinckney, a delegate from South Carolina.)

“I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews.

“In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions; have built up a state within the state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

“For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other people not of their race.

“If you do not exclude them from these United States, in their Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land and change our form of government, for which we Americans have shed our blood, given our lives our substance and jeopardized our liberty.

“If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude Jews for all time, your children will curse you in your graves.

“Jews, gentlemen, are Asiatics, let them be born where they will nor how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American’s, and will not even thou they live among us ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitutional Convention.”

-Benjamin Franklin,

1787, at The Constitutional Convention, Philadelphia, Pennsylvania

Thinking out of Donalds box we wonder how much funding is directed to Birobidzahn or to those poor souls still living in the Pale.

Is it because those Jews are unloved by the US persons of Congress?

If we ignore the machinations of North Americans governmental apparatus how do North Americans feel about this financial arrangement?

Do they feel satisfied that value for money is being had or instead do they feel they have been short-changed?

Wait, isn't the JewSA on the brink of total economic collapse? Sending 3 Billion jew bucks to a pirated Country is another fine example of why Obama is a total fool, but not so much a fool as the people who voted for him.
