## Israeli Spy Under the Guise of a Journalist

In the hours following midnight on last Sunday, the Egyptian authorities arrested an Israeli at the border of Rafah together with members of a drug gang which smuggles Africans into Israel. Yotam Feldman, who is suspected of being an Israeli spy, was arrested while trying to cross into Israel with a number of illegal African migrants. He had no identification papers.

During the questioning by the Egyptian police, he claimed to be a journalist and that he was preparing a report about the smuggling of Africans into Israel.

***Feldman had no press card and no ID which could prove his profession or identity. Real journalists are obliged to carry their press identification at all times, and an ID when they are on an official journalistic mission.***

Feldman got 10 days of unpaid vacation from his work as a journalist before his arrest. He left his work to go to an unknown destination without further information and without telling his colleagues where he was heading. This is exactly the behavior of the Israeli intelligence elements while perpetrating their secret and underground work.

In Israel, many intelligence elements have infiltrated journalists and journalism. Some of them are engaged by the military, by the police or the civil administration intelligence services. Others are engaged with the death squads which operate in the West Bank and East of Jerusalem. Others are engaged by Mossad death squads. It is enough to write a novel to receive the title of being a journalist in Israel. Journalism is a good profession for an Israeli spy to cover all their dirty missions.

***During the Al-Aqsa Intifada, many Israelis who represented themselves as "journalists" were at the same time engaged in military operations of the IDF in the West Bank. These infiltrators, but also many well-known Israeli journalists would befriend Palestinian journalists because of our better sources, in order to use them. When the usefulness of these Palestinian colleagues ended, the Jewish journalists would treat them as enemies or even less than dogs.***

Israeli death squads which operate in the West Bank and East of Jerusalem.

Last month, over 28 elements of a Mossad death squad were involved in the murder of Al-Mabhouth in Dubai. Was there also a "journalist" among them? I mention this because it is generally known that Israeli spies have big interest in "working" in Arab countries. During this and last year, networks of spies have been dismantled in Lebanon, and recently several people were arrested in Egypt under suspicion of spying for Israel, and similar stories are known from other Arab countries. Israel has spies in every nation where it has a representation.

Last Monday, one day after the arrest of suspected Israeli spy Yotam Feldman at the Egyptian border, the Israeli troops shot an Egyptian citizen. The Egyptian authorities did not complain against the murder of its citizen, who was known as a cigarette merchant. Feldman will be given back unencumbered despite the harsh sentences against espionage in Egypt.

Zionism is source of all world problems for hundreds if not thousands of years. It does not have much in common with people of Judean faith struggling as rest of ethnic and religious groups exist(ed)ing at the point in time.

Unfortunately, Zionist policies of hate are spreading, being accepted by ordinary Jews what enhances hatred toward all other groups and is step closer to conflict in which Zionist target is all non Jewish mankind. One day it shall come but who ever wins, much more non Jewish people will die then Jews even if Jews losers at the end.

Thank you, as always, Ms. Salam, for your brave and forthright reporting. It is an established fact that propagandists and espionage saboteurs and assassins quite regularly pose as journalists – Pravda is a perfect example. Zio-Communists will many times even pose as Patriots of the very movements they wish to destroy in, for instance, Syria or Iraq or Iran. Their lack of real feeling for the movement and their use of typical Jew Zionist and Communist race and class tactics will always show them up for who they really are. Their attempts to do physical harm can be countered as well. The Sayan operatives who are known as white operatives – Jews or working for Jews but who are non-Arab, will show themselves up as not having any real knowledge of Arab culture. Those operatives known as black operatives or who Arab give themselves away to other Arabs because of their traitorousness. The honest Palestinian journalists used and treated like dogs by the Jews, that you mention, should by now, know better than to have anything to do with the Jews. As long as someone professes Judaism they make all non-Jews an enemy to themselves. That won’t change.

You're not alone Kawther, although all anti-Zionists must feel so most of the time. This is due to the systemic infiltration of most systems by Zionism and thus we who oppose them, even though we be greater in number, do so on an individual basis. However there are many hundreds of millions of we individuals who agree on the undesirability of Israel and its supporters.

The tide is turning against them. Their diaspora is in crisis since their last "blitzkrieg" against Gaza and their wholesale and ugly rejection of the rather weak Goldstone report and more and more Jewish voices are now being heard against them. Meanwhile, the abusive term of anti-Semite has been weakened by over use to the extent nobody is much afraid of it anymore. They can only lose, as time goes forward.

Some call it Marxism — I call it Judaism." (The American Bulletin, Rabbi S. Wise, May 5, 1935).

"It is legitimate to adopt a critical attitude toward the relatively large number of Jews who particularly in the first decade after the Bolshevik revolution collaborated with the Soviet Government in the persecution of other peoples." — Statement of researcher Michael Mills, an official of the government of Australia at Canberra. (Source: Forward, March 10, 2000)

— Robert Wilton, a long time Russia correspondent for the London Times, said in his book The Last Days of the Romanovs:

"According to the data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik State there were in 1918-1919: 17 Russians, 2 Ukrainians, 11 Armenians, 35 Lets, 15 Germans, 1 Hungarian, 10 Georgians, 2 Poles, 2 Finns, 1 Karaim, 457 Jews.

"As the decades past by — after the fateful year 1917 — Judaized Khazars kept a firm hand on the helm of the government in the occupied land of Russia. In due time they built a bureaucracy to their heart's desire."

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism, so also in the triumph of fascism will triumph Judaism." (A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).

The American Hebrew September 10, 1920:

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."

"The Jews welcome this revolution in the Christian world, and the Jews should show an example. It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism: all this was in perfect accord with the progress of Judaism and the Jews." (A Program for the Jews and Humanity, by Rabbi Harry Waton, p. 148).

"We have exterminated the property owners in Russia. We are going to do the same thing in Europe and America." (The Jew, December 1925, Zinobit).

The title of “journalist” has been used by foreign agencies claiming neutrality in order to gain the confidence of partisans since it was invented as cover by its’ paymasters. Spies are expected to file reports, they keep journals and are expected to be unarmed. The notion of land, the earth as territory to be held is revealing. We are savages. Many if not all “journalists” are spies whether they know it or not. A few brave souls seek to be reasonable brokers of durable peace. So far it is a waste of lives and time, as the empire-ialists continue to advance their agenda.
