All started suddenly and thousands died, millions displaced, hundreds of villages vanished in the matter of just 4 days!!...strangely there were no weather warnings, no alarms..none of the global met offices was able to predict torrential downpours that precipitated the worst floods in Pakistan's history. Was HAARP involved?

We have investigated this matter and concluded that HAARP is being used in Pakistan and of course how can we ignore [India's](#)

[Baglihar & Kabul's Sarobi Dams](#) contribution in this perfect plan! [This Flood Disaster is More Manmade than Natural](#). The choice of starting point was perfect.. all the flood is going in downstream i.e. Khyber (Hills) to Karachi (Sea)... it is designed to submerge entire Pakistan and bring up the worst crises and chaos ever happened.. they know they cant win a war with Nuclear armed Pakistan – it would be a mutual destruction, so they have other ways to do it!

[Update: New satellite images reveal the full extent of the Pakistan floods](#)

The above image was taken on August 15, 2010, while the one below was snapped one year ago. The blue patches show the extend of the flooding, which have left 20 million people homeless

The extend of the flooding is particularly obvious in these images, taken on August 14, 2009 and August 15, 2010 which show visible swelling of the Indus and Jhelum Rivers.

“It isn’t just [conspiracy theorists](#) who are concerned about HAARP. The [European Union](#) called the project a global concern and passed a resolution calling for more information on its health and [environmental](#) risks. Despite those concerns, officials at HAARP insist the project is nothing more sinister than a radio science research facility.”

HAARP (High Frequency Active Auroral Research Program) is a little-known, yet critically important U.S. military defense program which has generated quite a bit of controversy over the years in certain circles. Though denied by HAARP officials, some respected researchers allege that secret [electromagnetic warfare](#) capabilities of HAARP are designed to forward the [US military’s stated goal](#) of achieving full-spectrum dominance by the year 2020. Others go so far as to claim that HAARP can and has been used for [weather modification](#), to cause [earthquakes](#) and tsunamis, to disrupt global communications systems, and more.
