Enter Adolf Hitler. Fascism is nothing new. It existed in Assyria, Babylon, Greece, Rome and Ancient Egypt. It resembles Communism in so many ways that Hitler called his Party the "National Socialists Workers Party". The reason why Hitler burned down the Reichstag and blamed it on the Communists is because they were his only rivals. The Satanic Psychopaths created Communism from apostate Christianity. It was practiced in the religious orders of the Catholic Church, where men took vows of Poverty, Chastity and Obedience.

The vow of poverty was based on this Biblical Scripture in Acts.

"1 But a certain man named Ananias, with Sapphira his wife,

sold a possession,

2 And kept back part of the price, his wife also being privy to it,

and brought a certain part, and laid it at the apostles' feet.

3 But Peter said, Ananias, why hath Satan filled thine heart

to lie to the Holy Ghost, and to keep back part of the price

of the land?

4 Whiles it remained, was it not thine own? and after it was sold,

was it not in thine own power? why hast thou conceived this

thing in thine heart? thou hast not lied unto men, but unto God.

5 And Ananias hearing these words fell down, and gave up the

ghost: and great fear came on all them that heard these things."

However, Ananias was not forced to give anything to the Church. It was all voluntary. This is why he was condemned. He stated that he would sell a valuable item and donate the full proceeds to the Church. Instead, he held back a portion of the proceeds and only gave the Church part of what he promised.

The Monastic vow of obedience is literally submitting yourself to authority without question. It was a military vow, with military purposes. I marvel over the number of individuals in this world that literally submit to blind obedience from criminally motivated individuals and organizations, yet, demand politicians to protect their Liberty. These people have become slaves in spite of their liberty.

God does not demand blind obedience. If He did, we would lose our Free Agency and Right to choose. Satanic Psychopaths, on the other hand, seek to enslave all of mankind. If a man can be persuaded to act on blind obedience in one setting, it becomes a universal characteristic of that man and ultimately leads to his enslavement.

Now, back to the Nazis

"The Austrian monarchist Erik von Kuehnelt-Leddihn proposed that the 25-point Program was pro-labour: "the program championed the right to employment, and called for the institution of profit sharing, confiscation of war profits, prosecution of users and profiteers, nationalization of trusts, communalization of department stores, extension of the old-age pension system, creation of a national education program of all classes, prohibition of child labour, and an end to the dominance of investment capital." Whereas historian William Brustein proposes that said program points, and party founder Anton Drexler's statements, indicate that the Nazi Party (NSDAP) originated as a working-class political party."

In fact, the Nazis took upon themselves many of the characteristics of the Teutonic Knights, a monastic order that originated with the Knights Templar.

"German nationalism often invoked the imagery of the Teutonic Knights, especially in the context of territorial conquest from eastern neighbours of Germany and conflict with nations of Slavic origins, who were considered by German nationalists to be of lower development and of inferior culture... Such imagery and symbols were adopted by many middle-class Germans who supported German nationalism. The converse was also true for Polish nationalism (see: Sienkiewicz "The Knights of the Cross"), which used the Teutonic Knights as a symbolic short-hand for Germans in general, conflating the two into an easily recognizable image of the hostile. Similar associations were used by Soviet propagandists, such as the Teutonic Knight villains in the 1938 Sergei Eisenstein film Aleksandr Nevskii. During the Weimar Republic, associations and organisations of this nature contributed to laying the groundwork for the formation of Nazi Germany."

The vows of Chastity were incorporated into monasticism for military purposes as well. Monks were warriors that were expected to maintain their loyalty to their comrades in arms. For this purpose, homosexuality was encouraged or ignored (like ancient Sparta), and marriage or sexual relations were strictly forbidden. We are seeing the fruits of these efforts in the Pedophile scandals of the Roman Catholic Church, and the promotion of homosexuality in Western culture.

There were many homosexual Nazis, just as the Nazi movement was steeped in the Occult. Hitler, by refusing marriage, became the de-facto example of the monastic vow of Chastity.

The Nazis were funded by the Rothschilds and other Illuminati Banksters. They were to be used as a tool for a new era of warfare that would accomplish the three main objectives of the Satanic Psychopaths:

1. Enslave the combatant countries through war loans so they could blow things up.
2. Enslave the countries of the world through reconstruction loans.
3. Appease their god Satan with another genocidal sacrifice.

One of the greatest paradox's of the war was the persecution of the Jews. How was it that the Rothschilds could bankroll a government that wanted to eliminate their own people? I believe that this too has a simple explanation. The Rothschilds are Satanic Luciferians and Jews only in name. The Nazis purged those Jews in Europe that were Orthodox. Through the many documented horrors of Dr. Josef Mengele, Jewish children were taken from their parents and subjected to mind-control experiments. This was a blatant attempt to control the future of the Jewish race.

The ultimate goal was to hijack Judaism prior to the creation of the State of Israel. The creation of Israel was necessary in order to bring about a Third World War that would ultimately destroy Islam, Judaism, Christianity and other world religions. The Bible states that the global government will worship Lucifer, the god of the the Rothschilds and other Satanic Psychopaths.
