Senate Confirms 2nd Jewish Lesbian to Court

August 5, 2010

But never say Zionists have taken over.

by Henry Makow Ph.D.

The Senate Thursday confirmed Elena Kagan as the 112th justice and fourth woman to serve on the Supreme Court. The vote was 63-37 for President Barack Obama's nominee to succeed retired Justice John Paul Stevens.

The confirmation of the unsightly Solicitor General signals that the Illuminati satanic cult that

governs America intends to use government institutions to enslave Americans.

Both of Barack Obama's appointees have been Jewish lesbians. This is significant now that the California ban on gay marriage is headed for the court.

The first appointee Sonya Sotomayor is no more a "Latina" than I am. She is a Marrano crypto Jew who belonged to the lesbian Belizean Society.

Her boss, Barack Obama, is the son of an Illuminati Jewess. Kagan is a lesbian who, like Obama, hails from Chicago where Sabbatean Jews (Illuminati) perform child sacrifices. See the testimony of Vicki Polin.

With the appointment of Kagan, **four of the nine** Supreme Court judges will be Jews. That's 44.4% for a minority group consisting of **less than 2%** of the population. There will be **no White Protestants**, which illustrates the true meaning of "diversity."

Clearly the Illuminati do not intend to represent the 83% of Americans who self-identify as Christians.

Many people have remarked on Kagan's unfitness for the job. Not only has she never been a judge; she hasn't even been an attorney! Like Barrack, her academic career is notable for a lack of publications. Like Obama, her qualifications consist of her usefulness to the cult.

She supports massive government censorship of TV, press and Internet. She is prepared to use the law to silence "hate speech" i.e. opposition to "diversity" (i.e. the advancement of homosexual values and "minority" rights.)

"We live in a society marred by racial and gender inequality. Certain forms of speech perpetuate and promote this inequality. The disappearance of such speech would be cause for great elation," she said in a law journal article.

Who better to rule against defenders of traditional marriage and family than a militant lesbian?

We also know she supports indefinite detention without trial.

This is consistent with being a go'fer for a satanic cult intent on enslaving us. Her name "Kagan" is the name for the imperialist Khazar Jewish king. Her namesake Lazar Kaganovich was Stalin's deputy responsible for the genocide of millions of Ukrainian farmers and the great purge.

Not just the names are the same. *So is the agenda*. These Satanists are determined to corrupt, degrade and destroy America. Impostors and traitors, they have taken control of government.

Chicago Jewish gangster Rahm Emmanuel and the media mounted a major hype campaign to "rahm" this nomination through. Kagan was portrayed as "brilliant" and a "conservative" because of her hard line stand on [state-sponsored] terrorism. Communist is more like it.

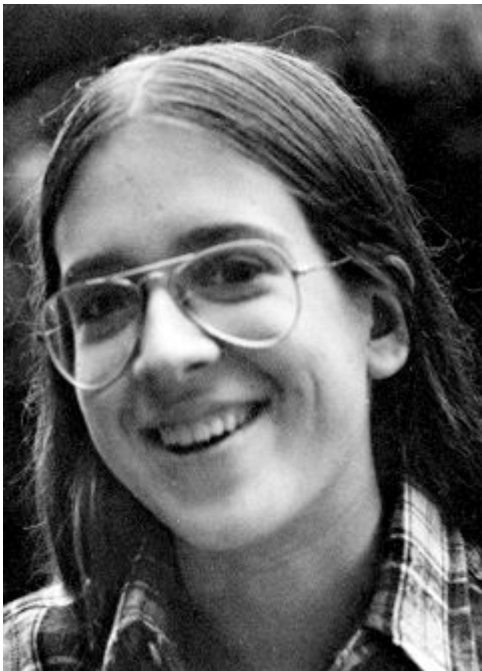

(Sotomayor, above)

A group called "Americans for a Constitutional Government" ran feel-good ads on CNN supporting her nomination. You can bet they are an Illuminati Communist front.

Kagan, who could be on the court for thirty years, is the last nail in the coffin of marriage, family and American freedom.

Obama makes appointments on the basis of ethnic or sexual identity. So it is quite appropriate to comment in these terms. But in reality, these appointments simply Illuminati puppets.

(Left: Young Kagan. Misfits rise to serve Luciferian bankers)

Clearly, we are witnessing an assault on heterosexual Americans of Christian European origin. The object is to destroy American sovereignty and democracy; and meld the US into a Luciferian world government and religion controlled by Illuminati (Masonic Cabalist) bankers.

When will average Americans realize their country has been subverted by a satanic cult? And when are Jews going to realize that, wittingly or unwittingly, they are fronting for this cult?

Americans are being set up for a fall by the Illuminati but they are no more alarmed than sheep grazing

outside an abattoir.

Comments for "Senate Confirms 2nd Jewish Lesbian to Court"

Richard said (May 21, 2010):

(That Kagan creature is extremely hard on the eyes..-I imagine she 'll be merciless with what's left of the US Constitution)

Being raised a Jew , and indoctrinated into insidious Judeo-Zionist propaganda via the synagogue and 'youth groups ' like Young Judea , I 've spent nearly half of my life trying to identify the degree to which my being has been imbued with ZIOTHINK, it starts out in the Hebrew Schools that lead to the Young Judea and proto masonic organizations B'Nai Br'ith , etc. leading to rabid paranoia a la Abe Foxman and the ADL.
