### Simon Wisenthal's Faked Holocaust Memoirs

One of the world's most famous Holocaust survivors is the Austrian Jew, Simon Wiesenthal, who, after being interned at the Mauthausen concentration camp during the war, devoted his life to hunting ex-Nazis the world over. Wiesenthal also has an organization, devoted to Jewish interests and promoting the mass extermination propaganda, named after him.

Yet it is a little known fact that Wiesenthal's own personal Holocaust memoirs, entitled "KZ Mauthausen, Bild und Wort" (Concentration Camp Mauthausen - pictures and words) which was published in 1946, contains one of the most blatant forgeries of all Holocaust memoirs.

Wiesenthal illustrated his book with drawings which he allegedly did either while in Mauthausen or from memory thereafter, and one of the more famous pictures from his book is of three Jews, in their striped prisoner outfits, who had been shot at the stake by the Nazis. (reproduced below).

Illustration of three Jews, shot by Nazis at the stake, as signed by Wiesenthal (his signature in the bottom left hand corner) and purporting to be a scene in the Mauthausen camp.

#### WIESENTHAL'S DRAWING PLAGIARIZED FROM LIFE MAGAZINE

Although Wiesenthal alleged in his book that the drawing of the three shot Jews occurred in Mauthausen, the truth is that he plagiarized this picture from a series of photographs which appeared in the Life magazine of June 1945.

The series of photographs were of German soldiers, captured during the 'Battle of the Bulge' wearing American uniforms, and executed by firing squad as allowed by the Geneva Convention. Wiesenthal copied his picture of "three shot Jews" from a Life photo essay which showed three Germans being shot by Americans!

Below is the full set of pictures from the Life Magazine of June 1945, along with that magazine's cover. Note the three photographs on the third inside page reproduced below.

whoever you are you are out of your mind for even posting something like this  
I guess it's a free country but the amount of hate you have that you have actually dedicated a whole page to simon wisenthal  
you should be ashamed of yourself

Good job ! Jews have a natural tendency to lie, so every proof of their lies must be seriously taken into account. Specially a well documented proof like this one. Keep the good job :-)

excellent work! Hopefully people will begin to see through the lies and propaganda.

Oooh, you are so busted, Simon!  
Typical of Jewish propaganda, to steal rather than create or even tell the truth. The day is coming that all the World will realize the lies and

hate that Zionists spread, only to further their own cause. Look at the "holocaust" going on now in Gaza as an example.

I suggest that you visit one of the Museums of Tolerance in your city. then you will see for yourself what the truth really is. In Germany it is a felony to deny the Holocaust! Even the country who's own people stood by and watched as Hitler and his band of murderers killed 6,000,000 Jews as well as 6,000,000 others, recognizes the authenticity of these events. Do you really think that the German government would allow lies to continue to go on? Shame on you and shame on your ignorance.

I guess we all must idealize Germany as our standard of excellence now. Deutschland Uber Alles!

Israel only cares about Israel  
Jews only care about Jews  
... and they will do anything to protect their lies, to be always looked upon as the victim, they live by sympathy and deceit.

Just that it's illegal to question the Holocaust means it's a lie. What other historical event is it illegal to question? The fact that they made it illegal to question the Holocaust just shows how much our world has been corrupted by Zionists.

From the horse's mouth:

"Our race is the Master Race. We are divine gods on this planet.

We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron.

The masses will lick our feet and serve us as our slaves." -- Menachem Begin (Israeli Prime Minister, 1977-1983. Nobel Prize Winner for...Peace!)

**BLOOD PASSOVER**

At the dawn of civilization, the blood rite, in which human blood is drunk from the body of a still-living victim, was known to many tribes. However, only one people, that has never progressed beyond the Stone Age, has continued to practice the blood rite and ritual murder. This people are known to the world as Jews.

The author of this book is not Christian, Muslim or Hindu but a Jew and is the son of the Chief Rabbi of Rome, and a professor of Jewish Renaissance and Medieval History at Bar-Ilan University in Israel, just outside Tel Aviv.

**The following translation was performed free of charge to protest an injustice: the destruction by the ADL of Ariel Toaff's BLOOD PASSOVER on Jewish ritual murder. Repeat: The author is the son of the Chief Rabbi of Rome, and a professor of Jewish Renaissance and Medieval History at Bar-Ilan University in Israel, just outside Tel Aviv.**

**Dr. Toaff is uniquely qualified to write this book, being thoroughly familiar with the derivative literature in English, French, German and Italian, as well as the original documentary sources in Latin, Medieval Italian, Hebrew and Yiddish. This is not something he worked on in secret. On the contrary, he worked on it openly with his university students and colleagues in Israel for several years; one of his students was even going to publish a paper on the subject. The author is extremely careful about what he says, and his conclusions must be taken seriously. It reads like a detective story.**

**If it had been published in Israel, in Hebrew, no one would have cared. There are large bodies of literature in Hebrew that Jews do not wish Gentiles to know about. But Dr. Toaff's announcement of its publication in Italy, in Italian, raised a worldwide firestorm of fury. Under unbearable pressure, the book was withdrawn from publication, and is not to be re-issued.**

**You can strike a blow against censorship by circulating this text by e-mail or posting in on the Internet. No one can sue hundreds of people.**

**If the text is all over the Internet, and everybody has it and everybody knows what is in it, the cat will be out of the bag, and it will have to be published – sooner or later.**

**Come in out of the darkness, and strike a blow for the light.**

Jewish Israeli professor – Arnon Sofer - made this quote to the Jerusalem Post regarding the Jewish-Zionist-Israeli people:

**"If we want to remain alive, we will have to kill and kill and kill. All day, every day. If we don't kill we will cease to exist."** -Israeli Prof. Arnon Sofer of Haifa University, Jerusalem Post

**"When I open the police files I find detailed reports about Jewish criminals. The archives have enough material for 100 historians and for 100 years, and even then they won't finish."** -- Haartez News. Jerusalem, Tuesday, November 2, 2004

'Judaism is not a religion at all. It's a license to lie, cheat, steal, rob, exploit, prostitute, enslave, destroy, torture, murder... as long as the victim is not Jewish. It's a mental disease somewhere in between bipolar disorder and psychopathy. It's the membership in a terrorist, satanic cult.' -Andrew Winkler, Editor/Publisher, ZioPedia -

The Vicious Anti-Semitic Defamatory League Exposed: ADL DataPage

1 - Since being branded an "anti-Semite" has become quite a stigma, placing in jeopardy the individual's economic and social welfare, should not the phrase be exactly and rationally defined? Inevitably someone is going to be mislabeled sometime. And yet the arch-Zionist Anti-Defamation League of Banai B'rith, which usually has charge of wielding the branding iron, has repeatedly refused to answer queries from this committee asking for such a definition. We have sadly concluded by wondering whether that "upright" organization should not more accurately be called the Anti-Definition League!

2 - What is a "Semite"? Is it or is it not a member of a racial group? According to the prevailing Jewish authority, Jewry is a religious group only, with no racial (*i.e.*, genetic) identity. Yet they continue tacitly to endorse a 19th century racist conception of themselves every time they label an opponent "anti-Semitic." In order to get United Nations approval of a measure condemning religious discrimination recently, the so-called State of Israel gravely assented to having the word "anti-Jewish" substituted for "anti-Semitic." If the two are synonymous to any extent, would it not be more accurate if all Jewish organizations similarly dropped the meaningless and racist designation "anti-Semitic" in favor of "anti-Jewish"?

3 - As we have seen, the majority of today's Jews are not descendants of the Old Testament Hebrews but of a Mongolian people of Central Asia called Khazars. These people were fairly recent converts to Judaism, as Arthur Koestler and earlier writers have shown. Yet, the non-Semitic Mongolian "Jews" are by far the most powerful in Jewish and Zionist affairs, and are the ones who quickest raise the cry of "anti-Semitism" against ideas or activities that irritate them. In the interest of historical accuracy, should not this peculiar but evidently necessary vocabulary of swear-words be enriched by the term "anti-Khazar"? At the very least, should not intelligent people realize that anti-Zionism does not equal "anti-Semitism"?

### Authentic Zionist Mein Kampf

**"The Jewish people as a whole will become its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this New World Order the "children of Israel" will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands."**
