500,000 FEMA Coffins in USA Wilderness

Breaking News: 7.26.2009

World Health Organization Moves in Secret to Proceed with Mandatory Global Swine Flu Vaccinations

Last year I published this early warning article, (see below) with loads of supporting documentation. By early this spring the number of fully staffed operational FEMA detention camps in the USA was up to 3700. Secret meetings between FEMA and big city police departments were taking place also this spring and youtube.com videos by other citizen reporters substantiated those meetings with eye witness family members who were policemen. Enter swine flu this spring, and the media's rush to let us know that a pandemic was on the way. There is now overwhelming evidence that swine flu is a CIA lab created virus, with Baxter International in Austria doing the lab work. Connect the Dots people! It has long been a stated goal of the global illuminati to reduce the population of the world by drastic numbers. This whole ugly mess fits right into that agenda. **People are dreaming about concentration camps – We know why:

Why are 500,000 Polyguard plastic coffins stacked in the USA Georgia wilderness next to a mysterious unidentified construction project? Everyone in the American Truth & Disclosure Movement wants to know.

Every single American needs to learn about Rex 84 usa concentration camps and secret FEMA Operation Garden Plot. It is your CIVIC DUTY to know and spread this information! Search “Concentration camps for Americans” on Google video and you tube. Prescott Bush handed down his NAZI DREAMS. Tell your sons and daughters in the Military what you expect of them if they are told to enforce this genocide of all people who oppose their plans, starting with the US citizens. The US Constitution and the American People are the only 2 things in the way of their TOTAL Genocide. In several of the video links above it’s shown that secret military “occupation & search & seizure” operations, house to house, in the southern USA have already been executed. One was in rural NC just recently. Some of these videos are a little rough, production Wise, but these are American patriots who are frantic to tell others what they have seen, filmed, and observed. Some of them own homes and properties right next door to where these camps are being built, and there are already dozens of these camps across the USA. Please email this wiki page link to everyone you know. This is not about race. This is not about democrat or republican because BOTH of the big 2 political parties are up to their eye-teeth in this massive covert pre-planned action and cover up. There was a secret closed door meeting in Washington D.C. on March 13th 2008. Why? What was discussed and what are they planning?

Dennis Kucinich, a true American Patriot, knows all about this meeting; he spoke against this meeting quite strongly on video. I suspect that Ron Paul knows too. They are both true patriots of the people, not betrayers of the people. Once they can get people who oppose them rounded up and put into these camps, they will all be forced to take an RFID chip, or else. I’m not going to talk about what “else” is – just watch the videos. And learn clever ways to network and share what you are learning privately.

Ministers, Pastors, Lay Clergy, and Deacons: Start going underground and refuse to co-operate with police, highway patrol, military, and UN soldiers, if they try to USE you to convince your communities that putting innocent people into REX 84 USA detention centers is for the common good. Watch the Youtube.com videos in this article and then you will understand why I am telling you this. The NWO hidden global elite are planning to use a piece of scripture – it’s Romans 13, to try to force all USA clergy to co-operate with them as liaisons to the local communities when martial law begins.

This is heinous in the supreme. We cannot allow it. Get this information into the hands of your minister. Watch these videos. [NEW videos are being uploaded and added to this pdf doc every 2-3 days now. Expect another updated pdf doc soon.]

Millions upon millions of plastic coffins have been seen and now filmed stacked in huge long rows outside of FEMA construction facilities inside the USA – you have to see this footage to understand this is not a game or a hoax – something is terribly

wrong – and it s happening inside our country, in American, right under our noses.

<http://www.youtube.com/watch?v=epMeGr-wDc0&feature=related> – millions upon millions of FEMA coffins stacked outside a construction site somewhere in the USA, sickening, real, you must watch this footage – it apparently is somewhere in the southern USA, possibly Georgia.

=====

The U.S. government, under a program called REX 84, runs approximately 3,708 detention camps nationwide. They are all fully operational and ready to receive prisoners should the US government institute martial law.

The Rex 84 Program was initially established as a way to deal with a mass exodus of illegal aliens crossing the Mexican/US border. They would be quickly rounded up and detained in detention centers by FEMA (Federal Emergency Management Agency). Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and Garden Plot are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government. FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation.

The camps all have railroad facilities as well as roads leading to and from the detention facilities. Many also have an airport nearby. The majority of the camps can house a population of 20,000 prisoners. Currently, the largest of these facilities is just outside of Fairbanks, Alaska. The Alaskan facility is a massive mental health facility and can hold approximately 2 million people.
