ADL Trains Hate Crimes Presecutors - Free Speech To Die

By Rev. Ted Pike

10-10-9

For the past ten years, the Anti-Defamation League has introduced its federal hate crime bill into Congress five times and lost. ADL claims to have the purest intentions --- concern that federal power is needed if a state does not have a hate crimes law or is unwilling or unable to punish a hate crime. ADL insisted passage of a federal hate crimes law would change little: the vast majority of prosecutions of hate crimes will be initiated by states.

But in its exultant press announcement yesterday, ADL reveals the real reason it has never given up its struggle to make its hate bill the law of the land: ADL wants an army of "anti-hate" prosecutors who can go after those ADL considers guilty of bias-motivated crimes. After giving itself credit as chief architect of hate crimes laws on the state and federal level, ADL says:

The end of the legislative path for the hate crimes bill also marks the beginning of the next campaign training prosecutors and law enforcement officials about the new law. ADL stands ready to help lead that continuing effort.

ADL is clearly beginning a second phase to train lawyers and law enforcement nationwide on prosecuting hate criminals. In ADL-speak, "haters" are those who oppose homosexuality, allege Jews dominate media, government, finance, or are guilty of "strong" criticism of Israel or its leaders.

ADL is already the primary source for hate crimes education for the US Justice Department, FBI and all local law enforcement. In 1990, through passage of its Hate Crimes Statistics Act, ADL granted itself such empowerment. But ADL wants much more.

Entirely staffed by Jews, ADL is headed by a devoutly religious Orthodox

Jew, Abe Foxman (link to Foxman article). Like its sister Jewish attack group, the Southern Poverty Law Center, ADL has a focused religious objective: to revive ancient Jewish persecution of Christians, begun 2,000 years ago and recorded in the New Testament. The true intent of ADL's federal and 45 state hate laws is to empower the legal, systematic, and ruthless persecution of Talmudic Judaism's greatest rival, Christianity. To this end, ADL now calls for a national "campaign" to train an army of federal and local hate crimes prosecutors.

Already, ADL and SPLC--through their Missouri Police MIA Directive as well as warnings from ADL sycophant Janet Nepalitano and her Department of Homeland Security--stereotype Christian and conservatives as unstable bigots and potential terrorist threats. ADL's Office of Global Anti-Semitism in the US State Department says anyone who believes the New Testament claim that Jewish leaders masterminded the crucifixion is a "classic anti-Semite." ADL's new campaign to train an army of prosecutors to enforce the federal hate crimes law will usher in progressive arrest of Christian "haters." These could well be destined to occupy FEMA prison camps in the years ahead. Ultimately, many could be delivered up, as Christ prophesied, to be tried, convicted and imprisoned in the courts and synagogues of Jewry (Matthew 10:17). Their "crimes against the Jewish people" would include criticism of matters Jewish (anti-Semitism) and questioning the accuracy of the sacred 6 million figure of Holocaust victims (Holocaust denial). However, most will likely be indicted under Jewish Noahide laws for heresy the "idolatry" of affirming the deity of Jesus Christ, the second member of the Trinity. (link to Noahide)

The Book of Revelation prophesies that the garments of the Great Harlot (Israel and international Jewish control) will be soaked with the blood of the martyrs of Jesus (Revelation 17:6). (link to Israel on road to dominion in mid-east)

Jewish world dominion will fulfill Biblical prophesy but also a number of predictions by modern Jewish leaders:

"The Jews energetically reject the idea of fusion with the other nationalities and cling firmly to their historical hope of world empire" (Max Mandelstam, World Zionist Congress, July 1898.)

"Jerusalem is not the capitol of Israel and world Jewry: it aspires to become the spiritual center of the world" (David Ben-Gurion, Jewish Chronicle, London, Dec. 16, 1949)

"In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah" (David Ben-Burion, Look Magazine, Jan. 16, 1962)

"The Jewish people cannot ever be destroyed, but rather they and their G-d of History will emerge in days to come triumphant over the evils and the

foolishness of all other nations. Zion will and must emerge as the mount to which all other peoples turn." (Rabbi Meir Kahane, Jewish Press, Brooklyn, New York, Nov. 9, 1973.)

Will Christian America silently allow President Obama to sign ADL's hate bill as early as this week, accelerating arrival of the Zionist New World order? Incredibly, all major Christian and conservative organizations remain oblivious to the tactic of pressuring Obama to keep his promise to veto a wasteful defense authorization bill--one that includes \$100 billion funding for extra F-35 jet engines. Only the National Prayer Network proclaims that we can still defeat the hate bill through presidential veto.

ADL now considers passage of the hate bill a virtual reality. It's not.

The Senate has yet to give final approval, which will probably take place early this week. Pres. Obama still has to sign the defense bill with the hate bill attached. Obama doesn't like this defense authorization bill. I believe he's burned that Congress has defied him. It forces him to approve what he has steadfastly vowed he would not approve thousands of F-35 engines he says squander taxpayers' money.

It is up to Christian America NOW to exert greater pressure on Obama than is now being applied by ADL. We must demand he stays true to his promise and vetoes the defense bill. If he vetoes it, the hate bill will be dead in this session of Congress. ADL will have to cancel their second "campaign" to create a federally-authorized army of prosecutors against Christians.

Take action NOW! Don't be distracted by more controversy about healthcare. Pressure Obama to keep his word.

Email these two messages to the President immediately:

Mr. President, I will vote out Democrats at midterms if you sign the freedom-destroying federal hate crimes bill.

Mr. President, I expect you to keep your promise to veto any military authorization bill that wastes \$100 billion of taxpayers' money on unnecessary F-35 jet engines.

Send these two messages in separate emails. You may cut and paste them in at <<http://www.whitehouse.gov/contact>>www.whitehouse.gov/contact.

This week may decide if America still has hope, or will begin descent into impending slavery. The hate bill could be on Obama's desk by Tuesday.

Your emails should be there first thing Monday morning.

Endnote:

Modern or "rabbinic" Judaism continues unaltered the teaching of the ancient Pharisees who killed Christ. In my 345-page book *Israel: Our Duty Our Dilemma* (available at www.truthtellers.org), I thoroughly document that deep within the teachings of the Pharisees, as contained in their Talmud and Kabbalah, is the oft-repeated assertion that Christianity and its belief in "three Gods" is idolatry; if the world were put right, Christians, as heretics and idolaters, should be killed. After the apostle Paul was converted, he realized that a new "age of grace" made obsolete any duty to kill "heretics," but before that, as Saul of Tarsus, he, in all good conscience as an Orthodox Jew, killed and hailed into prison as many Christians as possible.

For Talmudic Judaism, no new age of grace ended the ancient duty to cleanse the land of idolaters. Instead, Talmudic, kabbalistic literature, (the highest religious and ethical guide to Orthodox Jews) teaches that when the messiah (Antichrist) comes, he and the righteous of Israel will follow the precedent of Joshua and the Hebrews entering Canaan and annihilate all "idol-worshippers" Christians-- from the earth.

If you don't think Jewish supremacists today are capable of such horror, just remember what Jewish supremacists unleashed in 1917. Conquering Russia, they set in motion the eventual slaughter of more than 100 million Gentiles, many of whom were Christians (link to Communism article).
