BOYCOTT STARBUCKS September 27, 2006 8:51 PM

Howard Shultz, the chairman of Starbucks is an active zionist.

In 1998 he was honoured by the Jerusalem Fund of Aish HaTorah with "The Israel 50th Anniversary Friend of Zion Tribute Award" for his services to the zionist state in "playing a key role in promoting close alliance between the United States and Israel". The Jerusalem Fund of Aish HaTorah funds israeli arms fairs chaired by the butcher of Jenin - General Shaul Mofaz, and the zionist propaganda website honestreporting.com. [1]

Howard Shultz,

Chairman of Starbucks

His work as a propogandist for Israel has been praised by the Israeli Foreign Ministry as being key to Israel's long-term PR success [2].

Recently whilst the Israeli army was slaughtering Palestinians in Jenin, Nabulus and Bethlehem he made a provocative speech blaming the Palestinians of terrorism, suggesting the intifada was a manifestation of anti- Semitism, and asked people to unite behind Israel [3].

At a time when other businesses were desperately pulling out of Israel, Starbucks decided to help Israel's floundering economy and invest in Israel - a joint venture with Israeli conglomerate Delek Group for Starbucks outlets in Israel (Shalom Coffee Co).[4][5][6]. A bad business decision - Starbucks made heavy losses and in April 2003 Starbucks were forced to announced that all 6 Starbucks cafes in Israel will be shut down and its partnership with Delek end.[14]

It has been revealed that Starbucks still continues to support Israel by sponsoring fund raisers for Israel.[15]

See [11] for suggested action against Starbucks..

Oxfam has misguidedly partnered with Starbucks in return for £100,000 - please support our "[Campaign Against Oxfam Agreement with Starbucks](#)".

Starbucks fully supports Bush's war of terror and has opened a Starbucks in Afghanistan for the US invaders - they like to do there bit to help the occupation.[17]

Darn it, I love the frappuccino coffee drinks. But if the guy is a blood-thirsty zionist... they're history with me.

There was a boycott against Starbucks by the military folks a year or so ago because the coffee company wouldn't supply our soldiers. Here they are fighting for the zionists. What irony. I guess henry kissinmyassinger was right, soldiers are nothing but pawns.

Love & Peace,

MZ

**UPDATE** September 29, 2006 3:00 PM

So I went to a Starbucks near here and asked an employee if she knew where a vast sum of her time working for Starbucks went. She had no idea. I told her Israel killing Palestinians. She just asked me if I wanted to order anything. But I know that her co-workers also heard me and so did half the people in the store.

Next week we may have enough time to hold up signs at that Starbucks. It's in a very densely populated area in the suburbs and a lot of people in their 20's pack the place.
