proportion of students in 8th, 10th, and 12th grades reporting lifetime, past-year, and past-month use of heroin overall.

Heroin use has been steadily declining since the mid-1990s. Recent peaks in heroin use were observed in 1996 for 8th-graders, 1997–2000 for 10th-graders, and 2000 for 12th-graders. **Annual prevalence of heroin use in 2007 dropped significantly, by between 38 percent and 40 percent, from these recent peak use years for each grade surveyed."**

As you can see, the National trend for Heroin use among High schoolers is heading in a hugely positive direction.

Utah, On the other hand:

"Heroin is increasingly available in Utah in ounce and multi-ounce quantities, primarily in the metropolitan areas. In 2002 the Cache/Rich Drug Task Force, Central Utah Narcotics Strike Force, Davis County Metro Drug Task Force, Salt Lake County Metro Narcotics Task Force, Utah County Major Crimes Strike Force, and Weber/Morgan Drug Task Force **reported significant increases in the availability of Mexican black tar heroin and brown powdered heroin** in their jurisdictions. quantities.

It became public that heroin from Afghanistan was brought to this country and sold to our youth in order to buy the release of the hostages in Iran and fund the Contras in El Salvador. **This covert operation was never dismantled and still exists to this day.**

Even more intriguing is Utah's connections to Wally Hilliard. Wally Hilliard has already been connected to Joseph Cannon, Spanish Fork Airport, Nate Oldham and Air-Gyro Aviation in Utah County. It has been reported that Wally Hilliard and the Nate Oldham family were purportedly bringing heroin into Utah through Spanish Fork airport. Here are a few instances that show just how involved Wally Hilliard is in Intelligence communities and Narcotics smuggling. By the way, he is also a Mormon Bishop. Which conversion took place around the time hijackers trained at the flight school he financed flew their planes into the World Trade Center.

Wally Hilliard also was reportedly involved with an attempt to buy a casino in the Bahamas. Casinos make great places to launder money from narcotics and other illegal drugs. Indian casinos are even better as they are exempt from many of our laws because they exist on Indian land.

Wally Hilliard was also an alleged friend of Osama Bin Laden's brother.

Jack Abramoff was the big Indian Casino guy and tied directly to Utah's Joe Cannon and his brother Chris Cannon. **Another interesting link exists in that the hijackers were seen visiting Abramoff's Sun-Cruz Casino boats on the eve of 911. The same hijackers that were trained at Hilliard financed; Huffman Aviation.**

The evidence seems to indicate that Joe Cannon was greatly responsible for the termination of Professor Jones from BYU for questioning the official 911 story.

target for **the largest heroin bust** in Central Florida History. **43 pounds of heroin were on board.**

Huffman Aviation has also been linked to the **massive 5+ tons of cocaine bust** that occurred in Mexico.

It has been alleged that Air Gyro Aviation is a front company for smuggling Hilliard's CIA heroin into Utah via Spanish Fork airport. It states that it is a flight school (like Huffman Aviation?) Interestingly enough it is not licensed as such with the FAA.

Nate Oldham (see Kiplyn Davis Murder post on this blog) is purportedly part of an Illuminati family. He is also a minority owner and manager of Air Gyro aviation. Air Gyro has four experimental aircraft licensed with the FAA. Interestingly enough, two of them are up for sale.

When I was friends with Nate I visited his flightschool and noted the thugs that called themselves pilots

numbered at least 10 that I know of. So, how do these pilots make a living with only two experimental aircraft like those below?

Note that this aircraft could easily be used to smuggle heroin into Utah County from Florida or Mexico. It has a \$600,000 pricetag and can fly intercontinental flights. Air Gyro claims it also sells aircraft like these. However we have been unable to verify that any transactions actually exist. So, how do they pay the bills?

Don Oldham owned and still manages Digital Technology International. A company that provides newspapers with their setup software. The company counts the Daily Herald, the Deseret News and other Utah newspapers as clients. Joe Cannon, as Board member, would have voted on the Oldham-DTI contract.

Riverside Company acquired DTI from Oldham and kept him on as the CEO of the company. Unusual, don't you think?

Even more unusual is that Riverside also reportedly bought Wally Hilliards business (which looks like it was then sold to Zurich/Farmers Insurance- who then entered into an aquisition agreement with Riverside.

What makes this even more questionable is the fact that Zurich has its own investment portfolio and investment funds that are similar to Riverside. Why would the company sell this important part of their business to an outsider, yet continue to manage it? Was this an indirect pay-off to Wally Hilliard through a third party??? If so, was Zurich involved with its Partner, British American Tobacco in other Hilliard activities???

Perhaps we can find some answers from British American Tobacco/Zurich owned Farmers Insurance Group. They were actively engaged with Jack Abramoff, David Safavian Chris Cannon and Joseph Cannon in an attempt to buy an Indian Casino.

Were they acting under the direction of British American Tobacco, one of the partners that owned them? If so, was this casino meant to be used as another drug money-laundering operation with Wally Hilliard and/or friends??

We will continue to "return and report"

Nate Oldham, Kiplyn Davis, Murder and Narcotics in Utah County!

Simply stated. I ran afoul of the cult in Utah County Utah as a result of a business disagreement with one of their members. I found out that this individual was "connected" with a high position in the illuminati. The organization has been warring with me ever since (Since 2002). For some reason, God will not allow them to take my life, or those of my family and thus the war continues.

Utah is the heart of Mormonism and I am one. I learned of the conspiracy and traced it to some of Utah's more dominant political leaders who were doing business with drug lords etc. I don't know how far I can take this anymore. Things have definitely come to a head with this last article. I have severely limited their options to assassination etc. **If after reading this, you decide that others need to read it as well, please add**

Most Americans don't understand that there is a small group of elites that control everything around them. What they see; what they eat; what they hear about this threat. Click on the link if you want to understand who they are and what they control.

The one thing that came out of Iran-Contra was that the CIA had control over Trafficking and Selling Narcotics to our children. They called it patriotism. North, the poster boy was just the frontman/fall guy for their filthy activities. Wally Hilliard has been connected to both North, Barry Seal and narcotics trafficking as his link will attest. This should explain alot!

The illuminatti control our intelligence services and high ranking military leaders. Most of what we perceive as US interests is really about their business and ideological beliefs. **Which involves the worship of Lucifer.** They also control the world narcotics trade. One reason why heroin prices declined instead of skyrocketing after we took over Afghanistan. I am going to introduce you to some major players...

Wally Hilliard: Financier of Huffman Aviation and other shady airlines. Wally Hilliard has been linked to Narcotics trafficking, CIA, and training the 911 Hijackers at his flight school.

1. Wally Hilliard, now a converted Mormon Bishop and linked to the Utah Illuminati family; the Oldhams (he integrated their software company with his other businesses in what appears to be a buyout/stock swap). I believe that he and the Oldhams are the drug-running organization for Utah County. And that they bring drugs in through Nate's business Air Gyro Aviation. They both also have ties to Deseret News Editor Joseph Cannon (who bankrupted Geneva Steels Pension Plan and was involved with Utah Farmers Insurance and Farmers Insurance Group)

2. Wally Hilliard is also known for ownership interests in airlines and airplanes busted for narcotics like heroin (one of the most popular drugs in Utah). Yet, he manages to avoid prosecution.

3. Wally Hilliard also financed the flight school that trained the 911 hijackers, more proof that our intelligence agencies and Illuminati psychopaths were beyond the attack on our twin towers.

Kiplyn Davis: Murdered but body never found. Three individuals: David Rucker Leifson, Timmy Brent Olsen and Christopher Jeppson took the fall, but the parties families

believe that Kiplyn Davis was killed by a party that never was questioned or indicted.

The road appears to indicate that Nate Oldham was involved in her murder and that Kiplyn Davis was killed and tortured in an illuminatti blood sacrifice. It is also believed that those that were convicted of Killing Kiplyn Davis had nothing to do with the crime. Instead, they were patsies that were threatened and paid money to "take the fall"

Joe Cannon and His Brother Chris Cannon: Obstructed Justice in my discrimination lawsuit and complaint against Farmers Insurance Utah and Farmers Insurance Group. Their harrasment and persecution included an IRS visit to my home, lost business opportunites, a Secret Service visit to my home, press and media blackouts and, I believe, numerous attempts on my life. I also am convinced that they got my son David Drockton (homosexual drug user) to corrupt my family and alienate my wife, try and destroy my marriage and destroy my business. I also believe that David Drockton is responsible for helping them hack my computers and get inside information on me. One thing is clear, David Drockton has prospered greatly as a result.

While defending myself I caused Joe and Chris Cannon to fall from power, loss of Republican Party Influence, Lobbying money, and cost Joseph \$85 million dollars that he had fraudulantly separated by Joe from the

now bankrupt company, Geneva Steel. Geneva Steel Pension was forced to turn to the Federal Guarantee Pension Corp.

Chris and Joe Cannon were both involved in helping Farmers Insurance Utah and Farmers Insurance Group to get an Indian Casino through their pals, Convicted felon Jack Abramoff and felon David Safavian. They also helped Farmers Insurance Utah and Farmers Insurance Group, destroy my life and health. Chris's top Congressional aide was convicted Felon and Abramoff partner, David Safavian. I told David Safavian about my complaint against Utah Farmers Insurance and Farmers Insurance Group and he used it to get large campaign donations into the Utah Republican Party and the hands of Christopher. I personally defeated Congressman Chris Cannon by broadcasting his dirty deeds to Utah County via my automated telephone dialers (which called his entire district!).

Nate Oldham's father owns a newspaper software company that has had business contracts with Joe Cannon, Wally Hilliard and Deseret News. He befriended my family when I lived in Spanish Fork Canyon and, I believe, Nate Oldham is personally responsible for bribing my son David Drockton in order to destroy my family and my mortgage business. Nate Oldham and his family are illuminati. I proved it by messing with his internal program at my house. I believe he is the one responsible for the Kiplyn Davis death:

1. Nate Oldham fled the area when the other suspects were being investigated for the Kiplyn Davis Murder

2. I believe that Kiplyn Davis was brutally tortured in a Satanic/Illuminati ceremony. Thus her body will never be found because it will reveal the truth.

3. The wife of Nate Oldham divorced him and took his kids. This is a usual illuminati punishment for one that has caused them a lot of grief. IE not covering up the Kiplyn Davis murder.

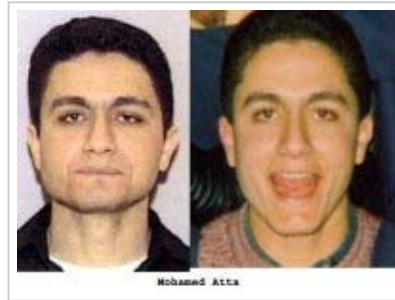

4. Nate Oldham was living in his parents basement. Another illuminati punishment. They own their members and their members assets.

These things could easily be proven by checking the lifestyle and purchases of the accused and convicted patsies. This has not been done to my knowledge. A close relative of the Cannons is highly placed in the Utah County Sheriff's Department. I believe that the Cannons and the Oldhams are tight based on the amount of business the Deseret News has done with Mr. Oldham's newspaper software company. The Utah County Sheriff investigated the crime. The Utah County Sheriff also helped investigate the patsies.

I also believe that Nate's airline Air Gyro Aviation and the Spanish Fork Airport are smuggling narcotics into Utah County. I sent a referral to Nate, at the Spanish Fork airport, and he was actually discouraged from attending Air Gyro Aviation. They have a group of pilots that look and act like thugs. I paid for a ride on a plane and they didn't want to do it. Again this can be easily proven by doing a background check on the "pilots" that work for the Flight School located at Spanish Fork Airport. Utah County Sheriff, Cannon could

easily do this, if he wanted to.

I recommend someone that lives close to the Spanish Fork Airport take a video of the antics at Air Gyro Aviation. Zoom in on the planes and pilots. Then anonymously post it on YouTube.

Then there's now dead 911 terrorist Muhamed Attah...who trained at Huffman Aviation (Wally Hilliard anyone?). Perhaps he overheard some discussion surrounding Oldham and Kiplyn from Oldham from their friend Wally Hilliard.

The greatest witness to the above will be what they try to do to me next.... I will keep you informed!

Cancel your subscription to the Deseret News until Joseph resigns. Cancel your insurance with Utah Farmers Insurance and Farmers Insurance Group. Remember, Joseph needs to resign and Farmers Insurance Group, Wally Hilliard, Nate Oldham, Casino Chris and others need to be exposed before they slink away!

Time is Short: A Warning!

People often ask me. "Why aren't you dead yet?" My response is that God has protected me until my work is complete. What is that work, you ask? To reveal hidden things and expose Satan's works and machinations. They are all around us, the many pits that have been laid for the destruction of our souls.

Its not that they haven't tried to destroy me. I am a pauper; my health is ruined; credit destroyed; family attacked etc thanks to their

efforts. I have been threatened by the Secret Service; Congressmen, CEO's etc. Yet I am still here. Am I a "Prophet"? Some ask because of my very accurate predictions and observations. Only inasmuch as I testify of truth and Jesus Christ. Prophecy is a correct understanding of the past, present and future. No doubt, God has blessed me with all three as I have accurately predicted:

- 1. Stock Market collapses**
 - 2. Bond Market Collapse**
 - 3. Gold and Silver rallies.**
 - 4. Inflation**
 - 5. Devalued Dollar**
 - 6. Loss of our Freedoms**
 - 7. Terrorism as a political tool**
 - 8. Globalism and loss of Sovereignty**
 - 9. Use of Derivatives to bankrupt our country**
- The list goes on....**

So, ignore me at your own peril.

Now I am going to advise you to pull all of your wealth out of the stock market. Do it now. Don't wait another day. Convert it into real assets like:

- 1. Food storage for you and your family/friends: 1 year supply**
- 2. Guns and ammunition to protect yourself from roving gangs.**
- 3. Fuel and cooking utensils (firewood, wood burning stove etc.)**
- 3. gold and silver to barter with.**
- 4. Pay off your house (after you have done the above)**

I have seen people fighting over a piece of

chewing gum stuck to the sidewalk. That's how hungry they were! Men would murder over a box of cereal. Riots; roving armed gangs in rural areas etc. I saw dollars lying in the street in large amounts. All worthless and ignored. House against house; village against village; town against town and city against city. One bloody revolution swept our land.

Your money will soon be worthless. Your stocks, bonds and mutual funds will be used as fire starters or stuffed in blankets for extra padding/warmth.

You've been warned. Now do something about it!

The Two Temples of Solomon

YOUR AD HERE

King Solomon was the wisest of the kings of Israel. His crowning achievement lay in the beautiful Temple that he built for Jehovah. The same was accepted and King Solomon was blessed. Sadly, the Bible tells us that King Solomon married "strange" wives (for political convenience) and that these led his heart astray.

"1 But king ^aSolomon loved many ^bstrange ^cwomen, together with the ^ddaughter of ^ePharaoh, women of the Moabites, Ammonites, Edomites, Zidonians, *and* Hittites;

2 Of the nations *concerning* which the Lord said unto the children of Israel, Ye shall not go in to them, neither shall they come in unto you: *for* surely they will ^aturn away your heart after their gods: King Solomon clave unto these in love.

3 And he had seven hundred wives, princesses, and three hundred concubines: and his ^awives turned away his heart.

4 For it came to pass, when King Solomon was old, *that* his ^awives turned away his heart after other gods: and his heart was not perfect with the Lord his God, ^bas *was* the heart of David his

father.

5 For King Solomon went after Ashtoreth the goddess of the Zidonians, and after Milcom the abomination of the Ammonites.

6 And ^aSolomon did evil in the sight of the Lord, ^band went not fully after the Lord, as *did* David his father.

7 Then did King Solomon build an high place for ^aChemosh, the abomination of Moab, in the ^bhill that *is* before Jerusalem, and for Molech, the abomination of the children of Ammon.

8 And likewise did King Solomon for all his strange wives, which burnt incense and sacrificed unto their gods.

9 ¶ And the Lord was angry with Solomon, because his heart was ^aturned from the Lord God of Israel, which had ^bappeared unto him twice,

10 And had commanded him concerning this thing, that he should not go after ^aother gods: but he kept not that which the Lord commanded.

11 Wherefore the Lord said unto King Solomon, Forasmuch as this is done of thee, and thou hast not kept my ^acovenant and my statutes, which I have commanded thee, I will surely rend the ^bkingdom from thee, and will give it to thy servant."

Molech was the Canaanite version of the Egyptian SET or Satan, and he was worshipped through human sacrifice and homosexual

orgies. His symbol was the 6 pointed star. Ashteroth or ISIS was worshipped through sexual orgies. The 6 pointed star is the merging of the female (triangle pointing downward) with the male (triangle pointing upward). Thus it can also represent the merging of Ashteroth and Molech.

King Solomon made his son "pass through the fire" or offered him as a human sacrifice. Thus, King Solomon the wise became King Solomon the fool. We will discuss this in more detail in later posts, but one thing is clear. Solomon's worship of Set was not public and there have been substantial rumors that he built a second temple to SET underneath the Temple that he once built to Jehovah.

LSD and Spider Webs

LSD or "acid" as it is referred to, started out its career as both a potential treatment for mental illness and a "psychological weapon" for the battlefield. Neither one was productive, so the question remains on how it was first introduced to and then "popularized" by modern culture.

Here is a little history:

1. **Timothy Leary:** Leary, was the academic or "expert" that legitimized the use of LSD through his "Tune In, Turn On, Turn Out" campaign among college students and the media. Leary was a fraud that knew that LSD had no known benefits for mankind, this having been widely proven during the aforementioned military and therapeutical experiments.
2. **Ken Kesey:** Author of "One Flew over the Cuckoos Nest" used his earnings to "spread the word" nationwide via his group of "Merry Pranksters" and their "day-glo" painted bus.
3. **The Hells Angels:** Served as the Nationwide distribution network for the drug. Many were former military members (special ops?)
4. **The "Grateful Dead", "Doors"** etc. were the propaganda arm of the LSD distribution scam. So was

Woodstock etc.

This was a highly organized social movement that operated with the efficiency of a military "psy-op" operation in an enemy country. Remember, it had already been documented that the drug had no value in therapy (Tuning In) or otherwise. So the question remains, who sponsored the movement and why?

1. Where did the money come from to "sell" the movement to American youth?

2. Who benefited from the results?

Conclusion: The popularization of LSD among American youth was run as a military "psychological operation" which has the stated aim of confusing and disrupting the enemy both on the field of battle and behind enemy lines. It was well organized and carefully orchestrated to appear as a "grass-roots" movement that came out of nowhere.

Whatever the source, it definitely wasn't one friendly to the interests of the United States.

Ping Pong with Kim il Jong

Kim il Jong is the nut that runs Communist North Korea. He's the guy with a penchant for underground nuclear explosions and wayward missile tests. Why doesn't someone do something about this guy?

Just an observation, everytime China has a beef with the West, il-Jong starts rattling the bars on his cage threatening us with the end of civilization as we know it. How does this guy stay in power?

How indeed.... With the worst civil rights record in the world he runs his country as if it were one big Gulag for **political dissidents**. It also is well known for its slave labor camps. You know. Where people work themselves to death, are starved; beaten and die from disease, beatings and malnutrition. We call these "Concentration Camps". This begs the question...

Why does British American Tobacco, one of two foreign owners of Farmers Insurance Group, operate a "secret" manufacturing facility there?

"British American Tobacco, the world's second largest cigarette company, has secretly been

operating a factory in North Korea for the past four years, the Guardian has learned. The company opened the plant in a joint venture with a state owned corporation shortly before the regime was denounced by George Bush as a member of the "axis of evil", and despite widespread concern over the country's human rights record.

BAT has never mentioned the factory in its annual accounts, and it is thought that many shareholders are unaware of its links with the country.

The discovery of the secret factory comes two years after BAT was forced to pull out of Myanmar, formerly Burma, under pressure from the UK government and human rights campaigners. The human rights record of the communist regime in North Korea is widely regarded as even worse than that of the brutal military dictatorship in Burma."

I guess if you have no conscience it doesn't matter how you make you money. British American Tobacco is also partnered with Zurich and both of them own Farmers Insurance Group and Utah Group. It makes one curious if British American Tobacco was behind the attempts to get a Casino through Utah Insurance group, Wally Hilliard, Jack Abramoff, Chris and Joe and David Safavian. One thing is for sure, you will not read about this in the Deseret News.
