[Israeli War Criminal Causes Commotion in UK](#)

Feb 2nd, 2009 by [kawther.salam](#)

I received requests from different people asking me to confirm if IOF Colonel (Reserve) Geva Rapp had participated in "Operation Cast Lead" in Gaza or not. What I found follows below.

Dear Kawther,

Much appreciation for your work. Here is a response I received upon forwarding names of Israeli War Criminals from your blogspot to a legal organization in the UK (Equal Justice). (They have also recently initiated a lawsuit against the BBC for refusing to broadcast the Gaza appeal).

"Hi, thanks for trying to challenge the cover up of the war crimes and the war criminals. Every info we'll get we'll try to use to ensure they are prosecuted for the war crimes they committed. The more details of what each one did the better chances of securing prosecution. See attached the legal proceeding we have initiated against the BBC."

Yael K (phone number supplied)

Since then they have contacted me again asking whether Gava Rapp was a commander in Gaza, and asking for more info on him. Please if you have any information could you kindly send it to them at ... and ... with cc to myself. (I have quoted your blogspot as the source of my information and referred them to you)

Again deepest thanks and support for your work,

Lesley

Dear Kawther:

I received the following this morning. Would you have any sources to confirm this information? The folks in the UK want him arrested.

Kind regards.

Talaat

Hi,

I wonder if you could assist us with info re Geva Rapp? Was he a commander during the bombardment of Gaza? If so, any references to sources of this would be appreciated. Also, what was his political and military background? What relations he had/s with the settlers?

If at any point you find out that any of those you consider war criminals are planning to visit London, please let us now.

Colonel (reserve) Geva Rapp is a former deputy chief paratrooper commander and is a former military intelligence officer. He lives with his wife Dina and their seven children at the illegal colony Kiryat Moshe near the Mercaz Harav Yeshiva in West Jerusalem. Colonel res. Geva Rapp is the founder of the Zionist organization “Panim El Panim” (Face to Face) of the national religious zionists in Jerusalem at Shatner Center 3, Givat Shaul, which lies north of his house in Kiryat Moshe.

Rapp is a Zionist war criminal who participated in the front line in “Operation Cast Lead” in Gaza as a deputy commander of ground forces leading thousands of IOF reserve soldiers in their genocidal assault, also razing some Palestinian areas to the ground. The name the Zionist Rapp appeared at the websites of several Zionist Jewish organizations, among them the illegal Kach terrorist organization founded by Meir Kahane.

Confirmation of Rapp’s Participation in “Operation Cast Lead”

According to “B’nai Elim”, a religious extremist organization which Rapp founded: “*Colonel res. Geva Rapp is currently (during Operation Cast Lead) back in uniform and is leading a reserve unit in the fight to regain security for Israel southern towns*”, what means that he is accomplice of crimes comprising genocide, ethnic cleansing, war crimes and crimes against humanity in Gaza.

Rapp participated in various incitement activities against the population of Gaza among the hate-preaching Jewish rabbis. It was reported that Rapp was among “... the participants ... Rabbis Chaim Druckman, Chanan Porat, Tsomet Institute head Yisrael Rosenne, Yigal Kaminetzky of Gush Katif, Elisha Vishlitzky, David Fendel of Sderot, and Eliezer Sheinvald of Modiin, as well as **Col. (ret.) Geva Rapp** of the ‘Face to Face’ outreach organization.”

The blog of “Panim El Panim”, the group of the extremist religious Jews founded by Geva Rapp, states that it was directed by a former Israeli “*International Chairman and Chief of Intelligence and Security*” who is now a member of the International Chairman of the Jewish Defense League JDL. **(Please note: The Blogmaster of this Blog is retired from B’nai Elim ... and became the International Chairman of the Jewish Defense League - JDL ...)**. This means that Rapp’s blogmaster is a member of the illegal “Kach” terror organization founded by Meir Kahane, and that Rapp and his friends are co-operating with the Kach terror organization, forbidden by the USA Laws, what is interesting to say the least, taking in account that most of the members of this terror group and associated groups are US citizens.

This also means that Rapp is involved in illegal activities together with his friends from the highly terrorist organization JDL, founded in 1968 by Rabbi Meir Kahane in New York City in USA, and given the name Jewish Defense League. As a note, it appears that “JDL” is a successor or alternative organization to Kach and New Kach, which were declared terror organizations by the USA.

The Young Israel News confirmed via their Zionist “Project SOS” that Rapp participated in Operation Cast Lead in Gaza. They wrote: “*The Project SOS has been developed in conjunction with IDF Colonel (Reserves) Geva Rapp, who is presently on the front lines in Gaza with thousands of IDF troops under his direct command. Colonel Rapp is also the founder of an Israel-based organization called Panim El Panim (Face to Face), which works to bring together Israelis of varying religious backgrounds, spread the message of unity and spiritual growth, and enhance and strengthen the spirit of Judaism within the army. According to Colonel Rapp, the Israeli soldiers would greatly appreciate messages of chizuk as they encounter difficult and hostile conditions, and a dangerous enemy hoping to defeat them*”.

The Zionist “Arutz - Sheva”, the Israel National News, reported that “A group of some 100 rabbis and educators, many of them representing hesder yeshivot and yeshiva high schools around the country, descended upon the Yeshivat Hesder of Sderot on Monday to show their solidarity with the city residents. Among the participants were Rabbis Chaim Druckman, Chanan Porat, Tsomet Institute head Yisrael Rosenne, Yigal Kaminetzky of Gush Katif, Elisha Vishlitzky, David Fendel of Sderot, and Eliezer Sheinvald of Modiin, as well as **Col. (ret.) Geva Rapp** of the ‘Face to Face’ outreach organization”.

Rapp’s name also appeared among extremists and radical rabbis and “spiritual leaders” of the settler movement and the religious-nationalist right wing who took support actions to Israeli IOF war crimes and genocide against the Palestinians before and during the “Operation Cast Lead” in Gaza.

Kiryat Moshe Colony in Jerusalem

Kiryat Moshe colony in Jerusalem is well known as a large religious Zionist population area. It was founded in 1923 with funding from the Moses Montefiore Endowment in London. Kiryat Moshe is home to the Merkaz Harav yeshiva and Machon Meir. The Merkaz Harav yeshiva in the Kiryat Moshe quarter of Jerusalem is a well-known center of Jewish Zionists studies identified with the leadership of the settlement movement. Rabbi Avraham Shapira, who was head of the Merkaz Harav Yeshiva, served as Ashkenazi Chief Rabbi alongside Rabbi Eliyahu. Rabbi Shapira is also a spiritual leader of national religious Zionists and of hundreds of students in extremist yeshivas. He runs his court from the Merkaz Harav Yeshiva in Jerusalem and from his home in Kiryat Moshe. To the north of Kiryat Moshe lies the neighborhood of Givat Shaul (Deir Yassin).

It's easy for Palestinians who carry Israeli nationality to go to the complaint branch of the Israeli Justice Ministry in Givat Shaul in order to file criminal charges Rapp, who together with the reservists he commanded in Gaza destroyed, ethnically cleansed and perpetrated genocide and war crimes. The easiest way to reach Kiryat Moshe from East of Jerusalem is to take bus number 21 from the bus station at Salah El-Din St. in front of the Israeli Court of Justice.

I read some of the hate mail addressed to you. I wish you the strength to ignore it. I wish I could say something that would alleviate any sorrow it may have brought you.

I enjoy reading your blog, and admire your courage, intelligence and determination.

Keep up the good work.

I'm beginning to understand now that we're all Palestinians.

It's time for trials.

Real trials. For Palestine. For Jenin. For 9/11. For Iraq.

There are war criminals and traitors in our midst, even as we pay foreign AID to these same actors.

They have names, addresses and telephone numbers.

The IOF spend their time, (when their tour of atrocities is done), in India, in Birobidzhan, or in Poland. These peon war criminals take their 30,000 sheckles of blood money, and leave Israel to party on the money, and abuse the locals.

Thousands of IOF are running away and wiggling out; the rest don't get it. Some marshals should take a trip up (to the 8 places that the retired IOF go), and serve some arrest warrants. Why should the IOF party, after all these IOF criminals have done?

Isn't it time for war crimes tribunals, yet?

You are asking the wolves to police themselves. They love to do this because they will always be found innocent. The politicians in the US love doing this. The masses unwittingly eat it up, thinking that the "system" works, then they go back to sleep.

Ignore the hate mail. To be hated by such monsters is actually a compliment. Imagine the horror if they were your friends instead. How could you live with yourself.

All of us who do this work have the inner strength that comes from knowing we are right, and they are so dreadfully wrong, although they have been brought up by racists and immersed in hate, so perhaps we should not be too harsh on them either. They were all children once, unfortunately children whose parents were probably rabid Zionists like them.

How a peiople who claim having suffered persecution, especially through the Hitler era can be so cruel and inhuman escapes me. As does how the "God fearing, righteous Amercan's can keep them supplied with war materials, including weapons of mass destruction.

Of course the European powers as usual are fully in agreeance with the many atrocities Israel visits on their neighbors and Egypt, Saudi Arabia, Jordan are afraid to say or do anything in fear of offending America.

Where is the United Nations ? Where are Honest upstanding people courageous enough to speak out ?
