6-25-9

HR 45 Here It Comes America.

Here is the text of the bill...

<http://www.opencongress.org/bill/111-h45/text>

Congress is now starting on the firearms confiscation bill. If it passes, gun owners will become criminals if you don't fully comply.

It has started.

Very Important for you to be aware of a new bill HR 45 introduced into the House. This is the Blair Holt Firearm Licensing & Record of Sale Act of 2009.

Even gun shop owners didn't know about this because the government is trying to fly it under the radar.

To find out about this - go to any government website and type in HR 45 or Google HR 45 Blair Holt Firearm Licensing & Record of Sales Act of 2009. You will get all the information.

Basically this would make it illegal to own a firearm - any rifle with a clip or ANY pistol unless:

- It is registered
- You are fingerprinted
- You supply a current Driver's License
- You supply your Social Security #

- You will submit to a physical & mental evaluation at any time of their choosing
- Each update - change or ownership through private or public sale must be reported and costs \$25
- Failure to do so you automatically lose the right to own a firearm and are subject up to a year in jail.
- There is a child provision clause on page 16 section 305 stating a child-access provision. Gun must be locked and inaccessible to any child under 18.
- They would have the right to come and inspect that you are storing your gun safely away from accessibility to children and fine is punishable for up to 5 yrs. in prison.

If you think this is a joke - go to the website and take your pick of many options to read this. It is long and lengthy. But, more and more people are becoming aware of this. Pass the word along. Any hunters in your family pass this along.

This is just a "termite" approach to complete confiscation of guns and disarming of our society to the point we! have no defense - chip away a little here and there until the goal is accomplished before anyone realizes it.

This is one to act on whether you own a gun or not.

If you take my gun, only the criminal will have one to use against me. HR 45 only makes me/us less safe. After working with convicts for 26 years I know this bill, if passed, would make them happy and in less danger from their victims.

Please.. copy and send this out to EVERYONE in the USA , whether you support the Right to Bear Arms or are for gun control. We all should have the right to choose.
